8/1/2024 12:27 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay so I've got you guys the inside info. Joon the King is dropping the RTU doc on Sunday August 11th UNLESS there is a Youtube monetization issue or something else that prevents it going live. That's a challenge for all of us bc you guys don't stream ON Sunday's and I have a weekly react day for subs. But I'm pretty sure they'd understand my bumping it if it were for a collab react event

8/1/2024 12:38 AM

  Warski   (Andywarski)

We stream randomly so its fine for us. Ill talk to Ashton tomorrow and we will figure it out dude

8/1/2024 12:38 AM

  Warski   (Andywarski)

Im sure your audience will understand as this will be a big event!

8/1/2024 1:46 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Cool just have to work out the technical stuff so maybe do a test stream beforehand

8/2/2024 2:00 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Would you like to do a test where I appear on your show for 1-2 hours during what would usually be my late night stream in the next week? I'd be willing to do that so we can prep for the Reviewtech doc and I would not need to stream or capture my end, I'll just tell my viewers to tune in to your show for that night. I'd just need to know the days you've set for your public shows in the next week so I can shift stuff around

8/2/2024 12:22 PM

  Warski   (Andywarski)

Yo man! Sorry I just woke up I had a late night.... like beyond late night watching movies. So yeah I just spoke with Ashton and he said Tuesday! He sent you a message also

8/2/2024 12:22 PM

  Warski   (Andywarski)

Smart idea to test the stream before the big RTU doc

8/2/2024 12:23 PM

  Warski   (Andywarski)

8/10/2024 10:45 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Can you guys maybe get on a call with Me at 5:30pm pdt so we can set up? I've never used discord before for this stuff and I don't want to fuck this all up for us. I understand how hype and important it is and I want to deliver. This would be offline before our stream goes live on my channel

8/10/2024 11:55 PM

Warski (Andywarski)

Yo 100% man

8/10/2024 11:55 PM

8/13/2024 1:38 PM

Warski (Andywarski)

Amazing work the other night. Very fun

8/15/2024 1:42 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yes this is a fun and crazy ride and I very much appreciate it. I get what's going on and I'm in on the joke lol, I'm laughing so hard along with you guys and this is legitimately life changing if it keeps up

8/22/2024 12:36 AM

Warski (Andywarski)

yo brother I sent you this over on discord but ill send it here also: yo phil, so sorry wanted to let you know. Our editor released an old clip of us talking about your emergency story from months ago before we ever had spoken to you. Obviously the video was in jest even before we met you or whatever but I dont want you to think we were being rude or snaking your or whatever I have logged inmyself and unlisted the video (even though is isnt that bad lol) just to let you know. Hope everythingis well with you brother!

8/22/2024 12:40 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey man, put the vid back up, I don't care lol

8/22/2024 12:40 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

It's all good

8/22/2024 12:40 AM

Warski (Andywarski)

Lmfao yeah? OK lmfao. Based. Wasn't sure if you'd be upset

8/22/2024 12:41 AM

Warski (Andywarski)

You rule dude!

8/22/2024 12:42 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Why would I be upset? I told you guys I know you shat on me before you knew me. So did everyone else. You guys took the time to get to know me and now we're cool. I have no issue with the vid or even if you asked me about that stuff in the future

8/22/2024 12:42 AM

Warski (Andywarski)

Ok awesome brother. Our editor sometimes keeps older videos to upload when he doesn't have anything

8/22/2024 12:43 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

The only people who care are my detractors. I Crushed 11 streams hitting and exceeding all my goals, why do I care about an outdated vid lol

8/22/2024 12:44 AM

Warski (Andywarski)

I know! I saw some when i was working on a small project im working on how well its going

8/22/2024 12:45 AM

Warski (Andywarski)

nah man, you're gameplay is really chill while im working on my other stuff behind the scenes. Also flaked the editor loves your stuff to

8/22/2024 12:45 AM

Warski (Andywarski)

keep it up man! its a shame with muta who messaged me last second

8/22/2024 12:47 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

The Josh Moon idea we need to talk about, I just this moment saw the DM from Ashton and I'm not sold on the idea of the co-op before we have a serious discussion about how his website has legitimately hurt my family, neighbors, viewers and mods. I am not comfortable with gaming with him until he hears my full thoughts on how kiwifarms has Fucked with my life, and he has to have some accountability for it. It sounds like Ashton kind of just wants us to quickly chat in the game or something, and I do not see that going down well

8/22/2024 12:47 AM

Warski (Andywarski)

thats honestly fair dude

8/22/2024 12:48 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Especially bc I am legitimately heated over the whole thing and want to have a real convo with him about it

8/22/2024 12:48 AM

Warski (Andywarski)

heated with Josh?

8/22/2024 12:48 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yes not Ashton lol

8/22/2024 12:48 AM

Warski (Andywarski)

I think PPP just thought it would be a surreal stream and he is right it would be but yeah I see what you're saying

8/22/2024 12:49 AM

Warski (Andywarski)

yeah, PPP and him were enemies for a long time until recent tbh

8/22/2024 12:49 AM

Warski (Andywarski)

but yeah reach out to Ashton and im sure he will understand your point of view. I dont really talk with Josh unless it was randomly on a panel

8/22/2024 12:50 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I would totally do the co-op.gaming with Josh If we have the real conversation first and I'm okay with his answers. To be honest I know notning of the guy so I have no idea how it's going to go. Doing it on your show is going to definitely bring drama views

8/22/2024 12:50 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay sounds good, I'll reply to him

8/22/2024 12:51 AM

Warski (Andywarski)

sounds good man, and yeah it makes sense\

8/22/2024 12:51 AM

Warski (Andywarski)

but it would be insane views tbh Imfao

8/22/2024 12:51 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So with Mutahar, what's your take? Do you think he flaked bc of my detractors? This is between us, I won't talk about it publicly. Seems like he legit pussied out, he was posting on Twitter about guns in games when he supposedly couldn't make it

8/22/2024 12:52 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

He also didn't respond to me when I sent him a message today wishing him well

8/22/2024 12:53 AM

Warski (Andywarski)

honestly, as we were writing I noticed.....

8/22/2024 12:53 AM

Warski (Andywarski)

his account is deleted!?

8/22/2024 12:53 AM

Warski (Andywarski)

as of an hour???

8/22/2024 12:53 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

What the fuck

8/22/2024 12:53 AM

Warski (Andywarski)

Ill be real... I think he chickened out

8/22/2024 12:54 AM

Warski (Andywarski)

he couldnt handle the heat imo

8/22/2024 12:54 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Did my detractors get shit on him or his family? His account does not exist wtf

8/22/2024 12:55 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I saved the history of our limited chats, I suggest you do too

8/22/2024 12:57 AM

Warski (Andywarski)

Im not sure if thats the case

8/22/2024 12:58 AM

Warski (Andywarski)

he has def gone against some crazy people

8/22/2024 12:58 AM

Warski (Andywarski)

it is bizzare

8/22/2024 1:01 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Maybe just a really bad timing issue, maybe not. Shit of course it happens now and everyone is going to blame us

8/22/2024 1:10 AM

Warski (Andywarski)

Lmfao I know right?

8/22/2024 1:10 AM

Warski (Andywarski)

Nah I don't know im curious to why he would do that

8/22/2024 1:14 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I just posted on the vid as dspreacts if you want to highlight it somehow lol

8/22/2024 1:14 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

The vid about me I mean

9/3/2024 1:40 AM

Warski (Andywarski)

Hey dude hope all is well!!!

9/3/2024 1:40 AM

Warski (Andywarski)

I'm glad everything worked out

9/3/2024 9:08 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So far so good. Hope your vacation is going well

9/19/2024 12:42 AM

Yo thanks man. Still travelling back. Been a miserable plane ride. 2 layovers. Hope all is well!

9/19/2024 9:28 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I've been there, used to fly a ton during my Street Fighter days and I don't miss it! All is well, your fans really miss you and are eagerly awaiting your return

9/20/2024 7:18 AM

🗨️ 🗨️ 🗨️ Warski 🗨️ 🗨️ 🗨️ (Andywarski)

Oh man, it's brutal. Finally slept in my own bed last night. Felt good

9/20/2024 9:33 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

That's seriously the best feeling after a long time away!

9/25/2024 2:01 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Fuck these idiots trying to associate pedophilia with the Casino. You guys JUST CONVINCED ME to get rid of Derich. That's exactly the evidence you need to erase this nonsense. We wouldn't event be talking now if I hadn't listened to reason and I'm very grateful for that. Nobody who makes content can be held accountable for the actions of their viewers, you disowned the freak and that's more than enoug. I've got your back on this, not that it means much bc I'm a nobody but I won't let these shitbags have their way if I can help it

9/27/2024 11:30 AM

🗨️ 🗨️ 🗨️ Warski 🗨️ 🗨️ 🗨️ (Andywarski)

Yo bro sorry I meant to write back few days ago but got tied up. That is honestly really nice of you Phil.

9/27/2024 11:31 AM

🗨️ 🗨️ 🗨️ Warski 🗨️ 🗨️ 🗨️ (Andywarski)

Honestly, we can't control people who watch our show and it's just so retarded to have to even deal with these weirdos. By the way, Ashton told me you were thinking of a ghost busters themed thing to do? I'm hype. We are back tomorrow (though kee it underwraps)

9/27/2024 11:31 AM

🗨️ 🗨️ 🗨️ Warski 🗨️ 🗨️ 🗨️ (Andywarski)

Thanks again Phil, very kind words for you and I am so happy to be back!

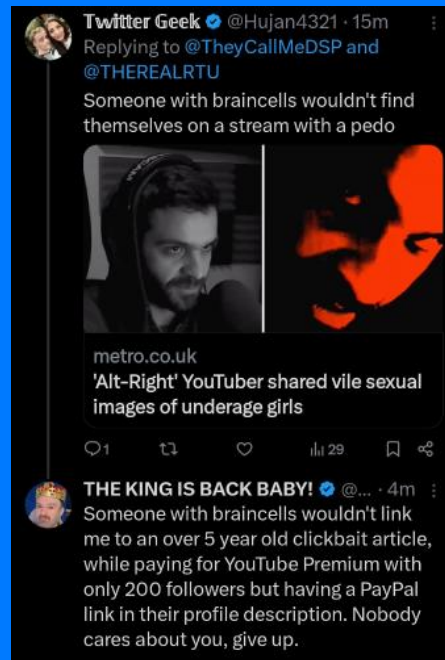

9/27/2024 11:34 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

That's great news, no worries I won't say a peep.

9/27/2024 11:48 PM

Fucking felted LOL <https://t.co/rJIDIMbE3m>

9/28/2024 12:33 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh so the ghostbusters idea! I hope you like it

9/28/2024 12:35 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Ethan Ralph is so dumb that my detractors baited him with a fake Twitter account. So he started talking shit about me, and you guys showed me a bit of him. So I randomly tweeted out "Ethan Ralph" on my timeline to see what would happen. Not only did the tweet get crazy attention, my detractors convinced him to respond in a drug-induced video that made no sense. I responded to that too, and the entire time I kept saying things like "I am taking early readings on Ralph and I'm very confused on what is actually going on!"

9/28/2024 12:38 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So I think we can do a whole show or special around him. We can play it off like you guys are scientific experts on this kind of disturbance from the sector, but I'm just an outsider who knows nothing. And we can turn it into Ghostbusters for Kinoween, but call it Gunbusters and make it like Ralph is the Slimer ghost from the movie. I even have a Ghostbusters costume from Halloween like 9 years ago I could wear, and I bought a prop PKE meter from the movies that goes apeshit and looks amazing.

9/28/2024 12:40 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I think your showing me stuff from his history and my honestly reacting to it, while hamming it up dressed like a Ghostbuster and using the PKE meter like I used the casino chips during the RTU felting would be amazing and actually be bigger than that was

9/28/2024 12:41 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Sorry for bombing your dms with this but I hope you like the idea, and If not then it's all good.

9/30/2024 1:24 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Are you guys back on October 1st? I'd like to try to make it to your chat for a few minutes just to say hi at the end of the show

10/5/2024 8:41 PM

Warski (Andywarski)

10/5/2024 8:41 PM

10/9/2024 9:47 PM

Warski (Andywarski)

Hahaahahah ok ok amazing. I can do a watch over and make sure to clean up anything too bad

10/12/2024 1:31 AM

Warski (Andywarski)

Yo heads up. On your kick channel turn clips off. The detractors are clipping stuff with rude titles.

10/12/2024 1:50 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

How? I don't see a way to do that anywhere and I want to

10/12/2024 9:03 AM

Warski (Andywarski)

Just email support, they respond quickly

10/12/2024 9:03 AM

Warski (Andywarski)

They will also be able to ban anyone who made clips

10/12/2024 9:22 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay thanks man, I'll look for that today

10/12/2024 9:33 AM

Warski (Andywarski)

Yeah bro, they respond super quickly so don't worry man

Warski (Andywarski)

HELL YEAH!!

10/19/2024 2:46 PM

Warski (Andywarski)

Yo brother, I know you are hesitant to go on Monday. But remember we will all be on our own shows and I believe this will be a game changer for all of us. We are all agreed to keep personal beefs aside for this triple show. I also believe a ton of other channels will cover this so it is a game changer.

10/19/2024 2:49 PM

Warski (Andywarski)

Don't think of it all Lolcow, think of it as Kino Casino/DSP WITH lolcow.

10/19/2024 2:53 PM

Warski (Andywarski)

If you dont want to I understand

10/19/2024 2:53 PM

Warski (Andywarski)

its all good, I would rather just do the Ralph thing I get it

10/19/2024 9:05 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm sorry I don't mean to cost you guys any money or views but I don't really see how it could benefit me overall, I'd actually lose money not working to do it

10/19/2024 10:24 PM

Warski (Andywarski)

all good dude

10/21/2024 7:08 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

OMG you know why i couldn't send you part 7 of the racist moments countdown? google drive FLAGGED IT FOR LANGUAGE and blocked it. i had no idea that was even possible

10/21/2024 10:28 PM

Warski (Andywarski)

Haahahahah ommmmmmg

10/21/2024 10:28 PM

10/21/2024 10:34 PM

Warski (Andywarski)

Ok it makes sense

10/23/2024 12:57 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey man, so I have some confusing and bad news about Kick streaming id like to share with you before I talk with my audience about it tomorrow. I'm shocked to be honest

10/23/2024 1:01 AM

Warski (Andywarski)

whats wrong?

10/23/2024 1:02 AM

Warski (Andywarski)

hope all is okay man

10/23/2024 1:06 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Kick just denied me verification but I exceeded all of their criteria. And they don't give an answer why, in fact their denial notice says they won't respond if you ask why but you can re-apply in 14 days. I have no idea what's going on but I'm very heated right now. I busted my ass figuring out the dual streaming thing and this is a complete insult. All of my viewers knew I was applying and now I have to tell them I got rejected, which is a fucking huge celebration for my detractors. So now i have no idea what to do

10/23/2024 1:15 AM

Warski (Andywarski)

hmmm honestly I dont know brother

10/23/2024 1:15 AM

Warski (Andywarski)

thats weird

10/23/2024 1:16 AM

Warski (Andywarski)

do you have enough individual chatters?

10/23/2024 1:17 AM

Warski (Andywarski)

I wouldnt worry about your detractors... dont announce anything yet brother. Let me talk to Ashton first

10/23/2024 1:22 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I hit every single criteria, and applied today as soon as I did. And I asked them why I got denied, and they said they don't need to tell me why. This is exactly what happened with Twitch in 2021 man. I'm so tired of being treated like this and bullied. I'm not angry at you guys at all, please know that. I'm just angry that once again I'm the guy who works hard and gets crushed for no fucking reason

10/23/2024 1:25 AM

Warski (Andywarski)

Im sorry dude, Im sure there is a reason or maybe someone wasn't checking or something

10/23/2024 1:26 AM

Warski (Andywarski)

Dont feel donw on yourself man

10/23/2024 1:26 AM

Warski (Andywarski)

down*

10/23/2024 1:28 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I also dmed Ashton and i know he has to get out of that crazy Shrek costume lol. I won't say anything at all tomorrow, I'll ignore it and just try to carry on. I'm pretty good at that. I wrote Kick a nasty email but just closed it before I sent it lol

10/23/2024 1:30 AM

Warski (Andywarski)

Yeah honestly man, don't take it personal. I get it can be frustrating, it took us 2 or 3 tries

10/23/2024 1:50 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Thanks. I'm calming down now. I'm still getting paid so I don't actually know what I'm angry about, besides being treated badly for no reason but you'd think I'd be used to that by now. I've made bank on Kick so I won't stop co-streaming, that would be stupid. Sorry to bother you, I was upset in the moment

10/23/2024 3:16 AM

Warski (Andywarski)

No worries brother. I understand the frustration. It is only just beginning. Don't give up man

10/28/2024 1:25 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey bro, so I hope you're feeling better, I've had tonsillitis really bad before too from overworking myself. Don't over do it! I have something I'd like to talk to you about when you get a chance, it's actually about Ashton and sadly my detractors. Ash and I had plans for a few interesting things going, notably Halloween and a wrestling show, but now he almost never responds to me when I DM him. My detractors have been bombarding me with messages in chat saying he is shittalking me, and I've ignored all of them. I just want to make sure everything is cool between all of us

10/28/2024 1:28 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

And if it's not and I've overstayed my welcome, I just want to let you know how much I appreciate all you guys did for me. I won't forget it and I'll always have your backs. But I also know I'm a boring dude bc I'm not cut out for constant drama. I'd love to do some co-op gaming with you sometime, I know it would be very fun. Anyway have a good night and I do hope this is all BS from my detractors and not real

10/28/2024 1:32 AM

Warski (Andywarski)

nash bro youre awesome dude!

10/28/2024 1:32 AM

Warski (Andywarski)

lets game soon!

10/28/2024 1:53 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

10/28/2024 10:56 AM

Warski (Andywarski)

Yes one hundred percent

10/28/2024 10:56 AM

Warski (Andywarski)

I'm definitely down for that!

10/28/2024 10:56 AM

Warski (Andywarski)

Ppl told me you're really good

10/28/2024 10:56 AM

10/28/2024 10:58 AM

Warski (Andywarski)

Lets fucking go man

10/28/2024 10:58 AM

Warski (Andywarski)

I'm hyped

10/30/2024 12:10 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey man! Ash asked me today about doing COD Zombies on Halloween and I'm totally down for it as I'm already doing my marathon that day. Only times I can't do it are between 4-5pm pdt as I'm eating then. I'll also be streaming until around 8-9pm my time. Wanted to share with you in case he hasn't yet and I'm pumped for it. My viewers have been asking for it so doing it co-op on Halloween they are sure to love

10/30/2024 2:05 PM

Warski (Andywarski)

Yes I'm excited man!

10/30/2024 2:05 PM

Warski (Andywarski)

Yeah whenever is good we are down man!

10/31/2024 12:27 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey Andy, we locked in a time and I can't wait, I haven't played zombies in many years but I remember how it goes and I'm excited! I also want to say thank you for your kindness towards me. You have helped my family SO MUCH in ways you couldn't even imagine. Life isn't perfect but because you and Ash gave me a chance and we're nice to me, it HAS literally changed my life. I don't take that lightly and I know there's no way I can ever repay you guys so, all I can say is THANK YOU so much

10/31/2024 1:01 AM

Warski (Andywarski)

Yo brother, honestly I am glad you feel that way man. I am happy you're doing well and things are going great. Things were rough in my life for a long time so I can relate. I think we are having some good times and more to come man. You're great to hang out with dude. I'll see you tomorrow and pumped!

10/31/2024 2:05 PM

Warski (Andywarski)

Yoyoyo

10/31/2024 2:05 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey I'm on discord

10/31/2024 11:42 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey man I had a great time today! Let me know when you plan on doing some Black Ops 6 MP and hopefully we can coordinate some, im doing the big grind to unlock everything currently. This is one of the best CODs in years IMO

11/2/2024 12:39 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so my viewers have been telling me about this game Liar's Bar and I finally looked into it, I think it's perfect for us for co-op gaming. It's 4 players so we need a 4th (maybe Josh Moon or Wings?) And it's either poker or liars dice from Red Dead Redemption. Someone is always a liar or cheat and you have to guess who, and it's brutal with people shooting each other or themselves like Russian Roulette. It went viral in October so I think it could really work sometime in November!

11/2/2024 1:16 AM

  Warski   (Andywarski)

Yooo dude. Yes I agree. I'm down for more Black Ops 6. My friends and I have been unlocking stuff and it's been so good man.

11/2/2024 1:17 AM

  Warski   (Andywarski)

That sounds awesome the Liars Bars thing yes! There is also a death note style game like that coming out soon. I am totally down for that.

11/2/2024 1:49 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Sweet! Andy, I'm down for collabs. I know my schedule is a bit annoying but we can make it work and our audiences both like our gameplay together. Let me know more about the death note thing and let's make it work. I'm more flexible for sure in November so let me know what ideas you guys have

11/6/2024 1:08 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so I'm going to start doing a once-a-week Kick exclusive late stream about politics. Just announced it today on my podcast. However I do NOT want it to take place at the same time as your show and split our audiences in any way. So I wanted to run it by you, and ask if you know which days in the coming week you guys will be streaming? Fyl I'm sending this same message to both of you so you both know!

11/8/2024 3:20 PM

  Warski   (Andywarski)

yo dude, one of your detractors was being retarded and said he is me. I blocked him and block every detractor. they are legit the most retarded bunch ever

11/8/2024 3:20 PM

  Warski   (Andywarski)

and sorry i was relaxing the last 2 days. its been wild

11/8/2024 3:20 PM

  Warski   (Andywarski)

lets plan something soon, hope you're well

11/8/2024 8:36 PM

  Warski   (Andywarski)

yo DSP I got big news for you later

11/8/2024 10:17 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

okay cool looking forward to it

11/8/2024 11:24 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

That guy wasn't a detractor I think, he is actually an account who is doing to my detractors the very same Stalker shit they did to me for years. And they can't take it and are breaking down,

it's hilarious. He was just tagging you to make a joke bc they keep saying that the account is really me, but it isn't, it's actually a friend of one of your supporters lol

11/9/2024 12:23 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey I'm setting my DSPolitics show for Thursday and I hope it doesn't step on your toes or hurt your viewership in any way

11/10/2024 2:28 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Looking forward to the news you hinted at when you get a chance, no rush lol

11/14/2024 12:35 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So Thursday at 7pm pst is my political show. No idea if you're streaming then but if you covered it, in some capacity, even if you rip it a new asshole it would be funny and help it out

11/20/2024 10:04 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey man hope all is well. Your trolls are now coming on my streams saying nasty shit about you and I shut it all down. I honestly don't believe them, why would I. But I just wanted to let you know I hope you're good if anything bad or crazy actually is going on.

11/20/2024 11:51 PM

  Warski   (Andywarski)

Yeah they are making fan fiction up to make us look bad

11/20/2024 11:51 PM

  Warski   (Andywarski)

Thanks for the message we are trying to just lay low so we aren't on the defense. It's so retarded how they can just make shit up

11/20/2024 11:53 PM

  Warski   (Andywarski)

Also I've been sober since Nov 10th 2023 and they are bringing up my past addictions to try and make you hate me

11/20/2024 11:58 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I believe you man. And shit even if you weren't sober it would be none of my business regardless, why would I care?? They are stupid as hell, just like my own detractors

11/21/2024 12:04 AM

  Warski   (Andywarski)

Yes exactly! If I wasn't and ran a good show wouldn't that be impressive if I was doing coke and putting on a good show lmfao

11/21/2024 12:04 AM

  Warski   (Andywarski)

But I'm not but yeah thanks man

11/21/2024 12:09 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

It's absolutely nobody's business. If they have evidence of crimes they should submit them to the authorities (like what happened with Rekieta lol), otherwise they should shut the fuck up. But you know the internet and how much it loves drama. I don't tolerate it on my streams though

11/21/2024 10:06 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

ugh now Keem is bringing it up. I'm not saying a damn word and I keep telling people to shut up about it on my streams

11/21/2024 10:09 PM

Warski (Andywarski)

Yeah I saw. I appreciate that man

11/21/2024 10:09 PM

Warski (Andywarski)

Means a lot to me man

11/21/2024 10:09 PM

Warski (Andywarski)

Don't worry. We're gonna be okay

11/21/2024 10:09 PM

Warski (Andywarski)

Thanks again

11/21/2024 10:15 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

np man I've got both of your backs

11/22/2024 12:36 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm going to briefly felt Rich on my podcast tomorrow. Let me know if there's anything I can do to help, I'm totally down for whatever will help you guys best

11/23/2024 4:10 AM

Warski (Andywarski)

Yo broski

11/23/2024 4:13 AM

Warski (Andywarski)

So your detractors and RTU are trying to say I'm a pedo in snorts new video. Ok here is the deal, at the end of RTUs accusing me he watches the video that exposes it was all bullshit but everyone is trying to sweep that. Mister Metokur made an entire video explaining how it was all bullshit

11/23/2024 4:14 AM

Warski (Andywarski)

Midway through the video is where they show that was all bullshit and in fact RTU went over that and then stopped talking about me

11/23/2024 4:14 AM

Warski (Andywarski)

Becausebhe knew he was felted but obviously snorts people are gonna just read the title and go oh look! It's real. This all happened 7 years ago. Just wanted to explain what was happenening

11/23/2024 4:28 AM

Warski (Andywarski)

Ill say this much about these guys... theu just don't fucking stop lmao

11/23/2024 2:16 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I retweeted your picture thumbnail of rtu lmfao

11/24/2024 12:31 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

My editor is great, he made that and didn't even tell me and put it on the video. I saw it this morning and spit out my coffee

11/24/2024 12:32 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm actually about to watch the vid you sent me in just a bit, I was busy today bc it was my day off. Nice day with my wife

11/24/2024 12:42 AM

Warski (Andywarski)

Hahahhaha so awesome dude

11/24/2024 12:42 AM

Warski (Andywarski)

I gotta show you my flight sim set up. It'd so kino

11/24/2024 12:47 AM

Warski (Andywarski)

By the way you don't need to defend me or anything publicly or make a spectacle. I want you to know as a person why I was attacked back in the day and how this is bullshit. I don't want you thinking I'm a creep

11/24/2024 12:48 AM

Warski (Andywarski)

I respect you hence why I want you to know anywaus, my girl and I are gonna hang out

11/24/2024 12:58 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

We are totally cool, you don't ever have to worry about me going snake or anything.

11/24/2024 1:00 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Also if you would like me on the show this week for any reason I'm down, if you think it would help you out to talk about my detractors or Rich going after you. Just not on Thursday which is Thanksgiving here lol

11/24/2024 1:03 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Have fun with your girl! Good times my friend

11/24/2024 1:28 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

LOL so much lore here. Ethan Ralph with you on the walk-out, it's obvious you used to be friends. And you had a big youtube channel, I didn't know that. This is all fascinating to me. I honestly have no idea what's going on, all i knew was that people were saying you relapsed and something about the Bellagio hotel. I don't really care to know more, it's not important to me, we are good

11/24/2024 5:19 AM

  Warski   (Andywarski)

I quit drugs and alcohol on Nov 10 2023

11/24/2024 5:19 AM

  Warski   (Andywarski)

Thay vehas trip was in Jun 2023

11/24/2024 5:19 AM

  Warski   (Andywarski)

11/24/2024 5:20 AM

  Warski   (Andywarski)

Lmfao

11/27/2024 12:17 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hope you are good man! Still ignoring all idiots talking about you and doing well on my end. Hope to see you back soon for what will likely be the best show ever

11/27/2024 2:35 AM

  Warski   (Andywarski)

Yo brother thank you so much!

11/27/2024 2:36 AM

  Warski   (Andywarski)

I am super excited to be back after all this bullshit drama lol. It's weird tho we been growing in subs and Kick followers so I'm not sure what they think is going to happen

11/27/2024 2:37 AM

  Warski   (Andywarski)

I really appreciate it oh and I was watching you play flight simulator yesterday whole I was playing man. I'm doing the full som mode with the sticks and career. Looks like you were having fun dude

11/27/2024 9:45 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah im definitely not into learning how to fly, I just love being a tourist and messing around

12/4/2024 2:28 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Good luck on your return! I'm off on the 4th but I'll try to get caught up, I'm sure you guys will do well

12/5/2024 12:14 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey just to confirm, you guys can roast me whenever you want and I don't care lol. That was a complete coincidence that I showed up while you were doing it and it's funny. You have to watch a supercut of me completely losing my shit during Street Fighter 6, it's great content for you

12/5/2024 12:22 AM

Warski (Andywarski)

Haahaaha okay based

12/5/2024 12:22 AM

Warski (Andywarski)

12/5/2024 12:55 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I will never get offended, you guys can roast me as much as you want for dumb shit i do on my streams. I laugh just as much as you guys do about how angry I get haha

12/10/2024 1:41 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey Andy, hope all is well! Not much to say, i know you guys can't really find a spot for me these days and I totally understand. If you ever want to game together I'm down, we're on the same wavelength there, just have to find a time that works and I know how it is. I'm playing like 7 games now lol.

12/12/2024 2:39 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol it's all good man. If either of us were less busy we'd do an epic co-op that we'd love, but like 100 people would care and we'd make nothing on it. That's life, it's why I can't just play whatever I'd like to anymore. If we ever figure something out that's smart business I'm totally down. I feel like something epic is coming at some point

12/25/2024 2:11 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Merry Christmas bro!

12/25/2024 12:42 PM

1/9/2025 12:40 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

It was literally all day during my marathon, my trolls kept coming on to my stream saying you guys hate me. They are just so retarded they believe it

1/17/2025 12:48 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey I hope you are good man! So if you have a chance I actually have a technical question about how you set up Discord and OBS for Kino Casino. Ash and I are thinking of doing commentary over a sim match in WWE2k for Smack Guys, but I'm a bit stumped on how to pull it off without having the audio echo. Currently the only way ai can get Audio from Discord to work through OBS is to add an audio track channel for Desktop, but that channel grabs everything and it would make the direct feed from my console capture device play audio twice. How do you capture audio from Discord with your setup? No rush on the answer, and thanks for reading lol

1/23/2025 1:38 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey man I hope you're good! Sorry for asking tech questions, tech gives me such a fucking headache

2/19/2025 1:23 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Andy, i want to apologize bc you were actually trying to be nice to me and talk about games but I blew you off with a shitty response. I feel bad about it now, I didn't play that game so I know nothing about it outside of what I read on social media and rpgs sadly don't work well with my audience. Tried one today, another on Friday and trying to get one to stick but it almost never works. I'm happy to hear you're enjoying it on your own
