

This is a document exposing a cyberbully and predator, Clare Ruth Gundersen/Fontenelle from Tennessee, who goes by @SenpaisOpp currently on Twitter (she goes through multiple different names online, usually involving cats and bimbo culture. She is also active on Discord, Casting Call Club, BlueSky, and DeviantArt.) And I'm not her only victim. Gathering evidence for months across various social media platforms with her other victims has revealed that Clare is more disgusting than previously imagined. With a few close friends and helpful aids, going through Clare's social media uncovered: harassment of minors, gore-spamming minors, sending rape and murder threats to minors, manipulating others to send rape and murder threats to minors, and various other heinous actions.

**Primarily however, Clare Ruth Gundersen has been exposed as a pedophile.**

Clare is a crazy internet predator obsessed with hating the game *Friday Night Funkin'* (FNF in this document) and genuinely believes people who enjoy or play the game are not human beings who deserve to get raped, including kids. She has made it her mission these past several months (alongside people like her friends and partners) to harass both fans of *FNF* and those who call out her behavior, regardless of how little they are actually involved with *FNF* or her. Clare has carried out a repulsive campaign where she has...

1. Sexualized minors.
2. Sent gore and sexual images to minors with malicious intent.
3. Sent rape and murder threats to minors.
4. Had hypersexual fetish art and porn of minors drawn and sent.
5. Stalked and harassed minors sexually.
6. Supports and befriends other pedophiles, including YandereDev.

**Here is a video to Clare admitting to everything within the document (she is the dark purple icon in the far left upper corner):** <https://youtu.be/nBASJnXSivI?t=733>

**<- This is Care's Discord icon in the video.**

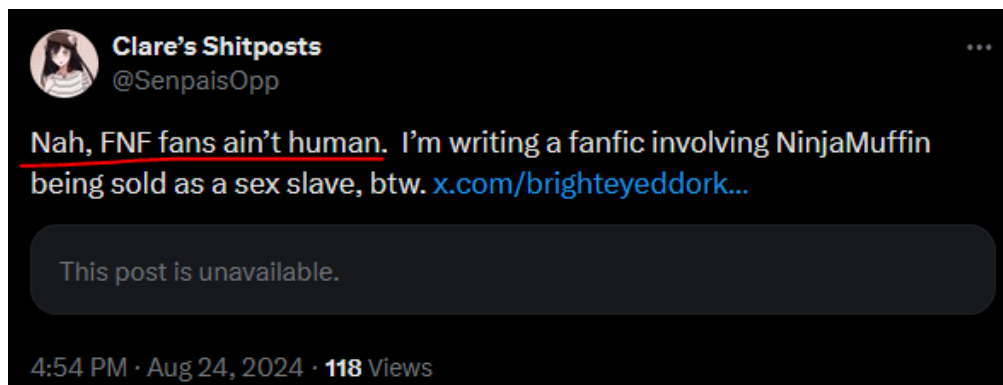

**Here is a BlueSky thread detailing many of the abuses and crimes of Clare, including posts where she admits to both being a child predator and lying about many of her "abuses":** <https://bsky.app/profile/clairygodmother.bsky.social/post/3lcdkxdbqwk2y>

### **MY HISTORY WITH CLARE:**

It started when my friend Madison introduced us to this girl named Clare Ruth on my Discord server. Clare spent her short time there emotionally manipulating us, sexualizing others on the server, then playing victim and crying whenever we confronted her about her awful behavior. Then she started posting these really deranged things on her socials, mostly sexist remarks about men killing themselves, how she hates men but also wants to rape them, how all men deserve to get raped, etc. When I confronted her out of worry, she truly went off the deep-end and started acting both paranoid and cruel. She began accusing me of being a fan of a game

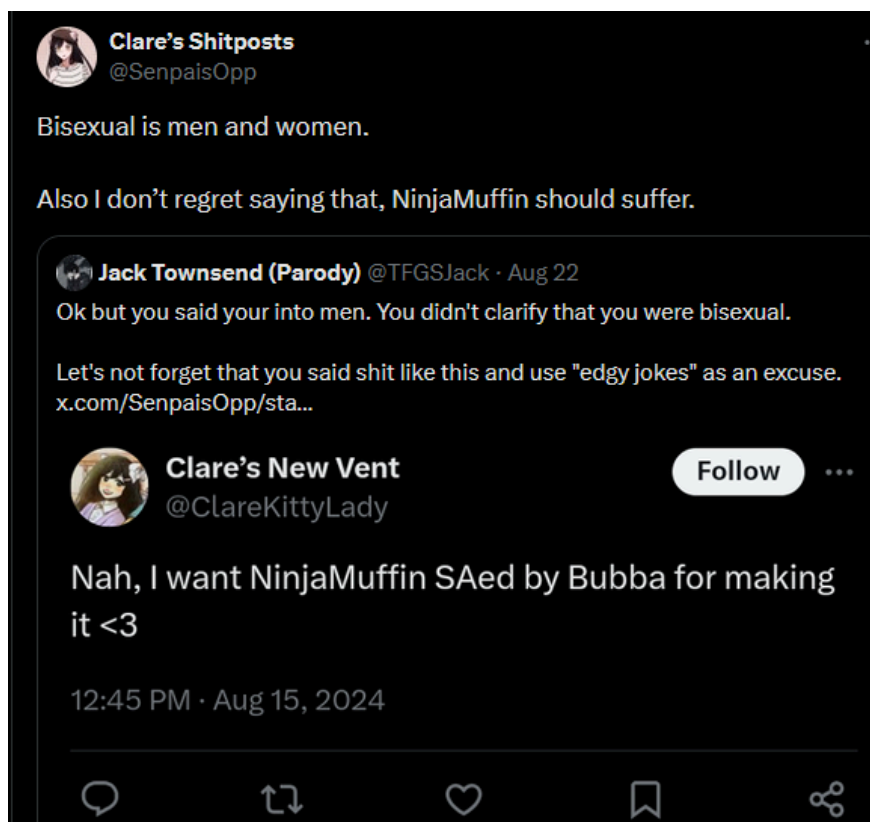

called "Friday Night Funkin'" which Clare claims "ruined her life." I had never heard of the game before meeting Clare. Then she made these deranged rants directed towards me and my friends about how she's going to murder us, rape us, "drown us in period blood", "crush us with her fat booty", and other threats because "We liked FNF" even though we didn't know of the game. Then she moved onto other social media, like Twitter, where she began harassing minors over her hatred of the game. Sending minors rape and murder threats, commissioning pedophilic pornography artwork of minors with panty shots and period blood, and showing support for openly pedophilic Twitter users, while accusing everyone else of being a predator while she was sending pornography to minors and requesting porn and fetish art of real minors as "anime revenge porn." We had tried to get her to see reason, talk with her, try and get her mental health help, but she has betrayed and refused us every time.

Some evidence of death/rape threats, harassment, pedophilia, bigotry, and her *FNF* obsession are down below.

<https://x.com/SenpaisOpp/status/1826729867393544679>

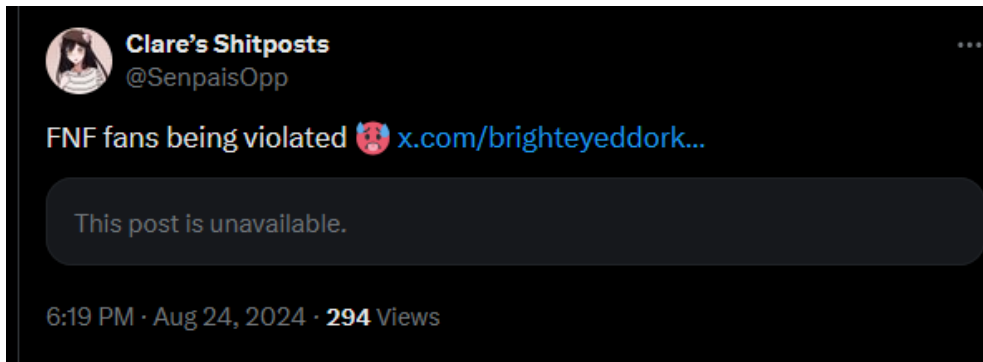

\*NinjaMuffin is the creator of *FNF*. Clare hates him for supposedly being predatory (with no evidence other than Clare's whining), but Clare is also a fan and defender of the creator of *Yandere Simulator*, an open pedophile. **Clare supports pedophiles.**

Clare thinks it's not okay for FNF fans to (allegedly) "bully her for not liking their favorite game" (they're not bullying her; they're reporting her predatory behavior) yet it's perfectly fine for Clare to send rape threats to FNF fans and humiliate them with sexual intent. She's a hypocrite who hates everyone who disagrees with her or reports her crimes. The FNF community doesn't care for her, and most people critique her for her pedophilia, not video game opinions.

Here's the work of my friend Madison, who investigated Clare Ruth Gundersen. This conversation highlights more of Clare's depravity, backstabbing, bigotry, and pedophilic lust. I am Claire, for context, but Clare Ruth is not me- despite similar names. Madison and her used to be friends.

**ClareLaBelleRose** 7:30 PM

I think I know who you are.

**Cool\_Bed\_2614** 7:33 PM

Oh, really now?

Who do you think I am?

And what do you think my motivations are?

**ClareLaBelleRose** 7:35 PM

Are you Maddie? Your typing pattern is similar to hers.

**ClareLaBelleRose** 7:45 PM

I know you're at least associated with Claire

**Cool\_Bed\_2614** 7:47 PM

And if that's the case, what do you think my motivations are?

**ClareLaBelleRose** 7:49 PM

Being mad about me not liking FNF, idk. I've fought off the entire fanbase so this ain't anything new.

**Cool\_Bed\_2614** 7:49 PM

I knew you'd say that, that's your go-to excuse for everything

The truth is, that's not my motivation at all

I could care less about FNF, and Claire has made abundantly clear she has no idea what it is

I have proof if you don't believe me

**ClareLaBelleRose** 7:51 PM

Then what's it about?

**Cool\_Bed\_2614** 7:52 PM

I'll give you three guesses

I'll give you a hint: it's pretty easy to infer based on everything that's happened

**ClareLaBelleRose** 7:53 PM

FNF?? Cause this shit is about FNF.

And FNF has nothing to do with eating disorders so. 🤪

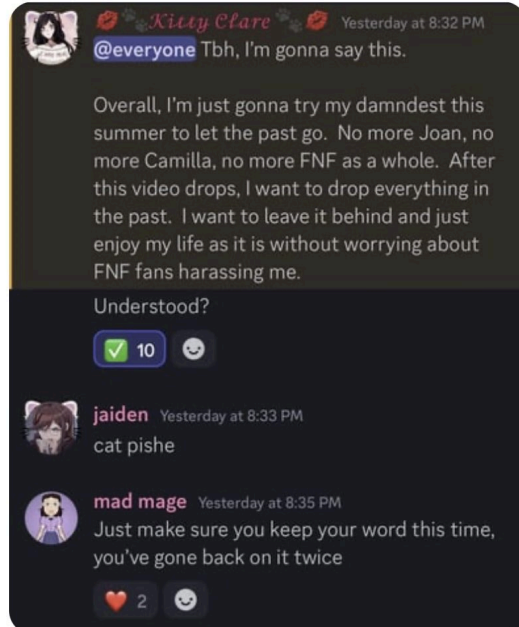

**Cool\_Bed\_2614** 7:54 PM

No, it isn't

The only reason FNF even came into it is because you refuse to shut up about it

Here's another hint: this screenshot right here pertains to at least one of my motivations

**ClareLaBelleRose** 7:55 PM

I've accepted my role as the FNF villain cause every FNF fan in the world hates me.

**Cool\_Bed\_2614** 7:58 PM

Name every single FNF fan in the world that hates you

Saster, Taeskull, Mike Geno, NinjaMuffin himself, all these big name creators and fans and none of them have the faintest clue who you even are, and I'd love to see proof otherwise

**ClareLaBelleRose** 7:59 PM

I also need to ask, why do you keep bringing up eating disorders?

Cause I don't like sticks? I like big people. I think they're hot.

**Cool\_Bed\_2614** 7:59 PM

That's not what you've been saying in body dysmorphia subreddits

**ClareLaBelleRose** 8:00 PM

I have issues with my own body cause of FNF fans

I like fat men and women, though. They're sexy.

**Cool\_Bed\_2614** 8:01 PM

Would you mind showing me proof of FNF fans calling you fat?

And funny you say that, because you're clearly attracted to Hero, Andy, and Yan-Kun, who are all thin

You're very good at dodging questions, you know that?

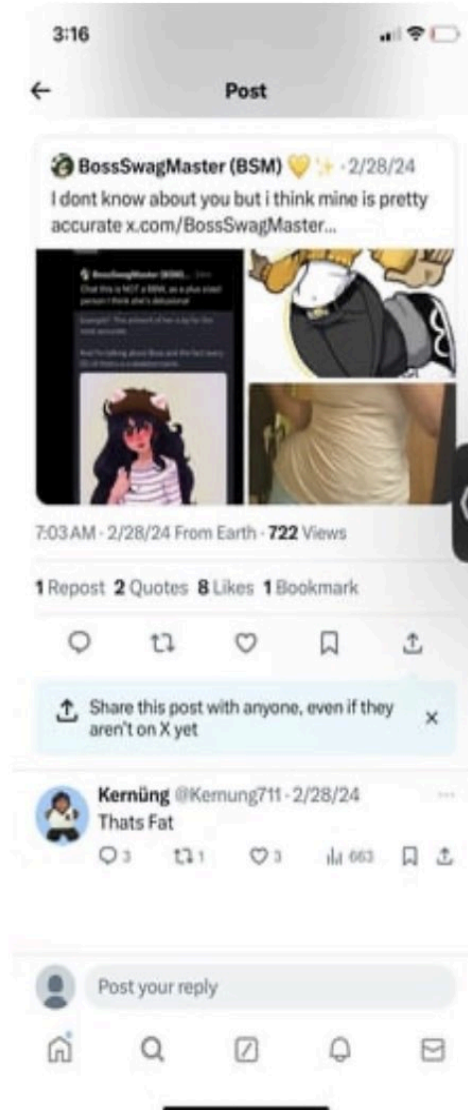

You still haven't guessed my motivations or provided me with any sort of proof to your claims

I'm more than happy to provide you with proof for mine

**ClareLaBelleRose** 8:05 PM

One example

And Andy is canonically buff  
He's seen half naked in the game

**Cool\_Bed\_2614** 8:06 PM

Oh, so just some random nobody makes a trolling comment, that means the entire FNF fanbase hates you?

How do you even know they like FNF?

And buff is essentially the polar opposite of fat

And funny how you say you have issues with your body when a good friend of mine shared this with me

**ThickKittyGirl** 8:51 AM

My weight gain journey is going well. I'm nearing obesity at this point, hopefully I'll get fatter as time goes on. What do you think?

**BrightEyedArtist** 12:01 PM

Sorry, I don't accept solicitations from transphobes or people who make light of eating disorders.

Would you just prefer if I told you my motivations outright?

**Cool\_Bed\_2614** 8:17 PM

What's the matter? Too stunned to speak?

Well, I'll just make the claim that I'm live-streaming this entire conversation

It's up to you to decide whether I'm lying or not

We can do this the easy way or the hard way, and trust me, I'd greatly prefer the former but I'll get what I came here for

**ClareLaBelleRose** 8:19 PM

I was washing my hair cause unlike the entire FNF community

I have a real life

And real things to do

**Cool\_Bed\_2614** 8:21 PM

Well, so do I, and I apologize for jumping to conclusions

So, would you just prefer if I just tell you my motivations outright?

**ClareLaBelleRose** 8:22 PM

Yes.

**Cool\_Bed\_2614** 8:22 PM

Well, I don't so much want one thing as I do multiple things:

Honest answers, proof, for you to stop harassing YourClairyGodmother and those associated with her once and for all, and to stop talking about FNF permanently

Now, what will it take to get at least one of those from you?

I'm willing to pay any price

If these sound unreasonable, I'm more than happy to work out a compromise

**ClareLaBelleRose** 8:25 PM

I want her to leave me alone, stop shoving FNF down my throat, and to stop saying I'm skinny

I am not

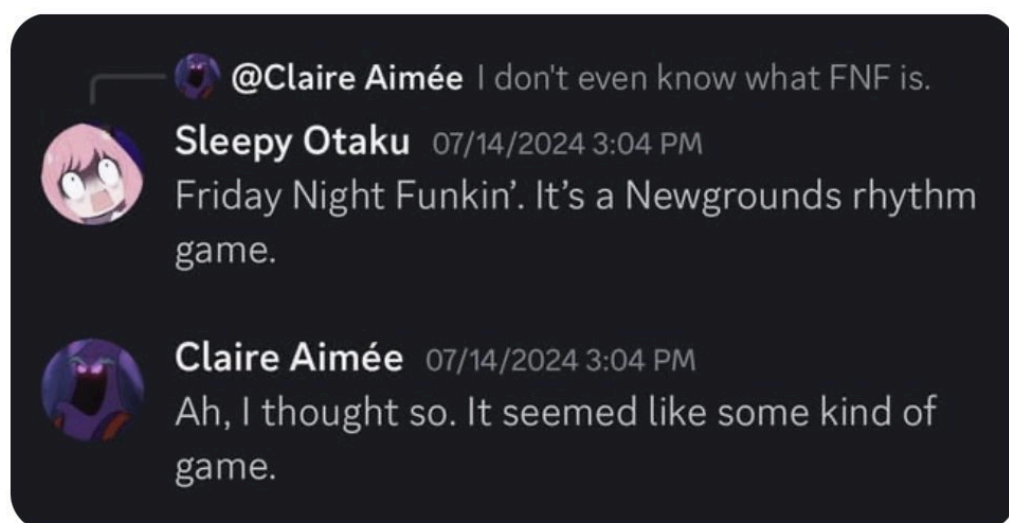

**Cool\_Bed\_2614** 8:26 PM

Now, would you care to provide proof of those statements?

Everyone knows that in a court of law, baseless statements only go so far

And how can she be shoving it down your throat if she has no idea what it is?

**ClareLaBelleRose** 8:29 PM

You saw her and my convo, she was all pissy cause I don't like FNF

**Cool\_Bed\_2614** 8:30 PM

Ah yes, care to share those screenshots again?

Or would you perhaps instead care to circle the mentions of FNF in these screencaps?

 **Bimbo Catgirl** Today at 2:45 PM  
Sexism towards men ain't real

 **Claire Aimée** Today at 2:45 PM  
Says the sexist piece of shit.  
You're looking for an excuse to sexually abuse men and fetishize them and use progressive language to harm them without consequences. You're sick, Belle. Absolutely sick.  
Lemme guess? You'll deflect and act like there's nothing wrong with what you're doing, or you'll say you'll change but not actually do anything about it.

 **Bimbo Catgirl** Today at 2:46 PM  
Men haven't been oppressed for centuries upon centuries by women. But women have been. We've been beaten, raped, murdered, burned, tortured for being successful, but men have called the shots since day 1.

 **Bimbo Catgirl** Men haven't been oppressed for centuries upon centuries by women. But women have been...

 **Claire Aimée** Today at 2:47 PM  
Even if we want to use the "power + privilege" argument, not all men have power. Patriarchy only benefits 1% of all men and a majority of men will never have the same amount of power. Even when using progressive language, your sexism isn't excused.  
Men have been raped, murdered, burned, and tortured too.  
Acting like they haven't and excusing their pain is also sexist, Belle.  
You are a bigot.

ClareLaBelleRose 8:38 PM

And here I am saying I want a more sexy image

**Cool\_Bed\_2614** 8:43 PM

Rather strange how 90% of these is you talking about FNF

And Clairey appears to be more upset at you lying and backstabbing her and her friends than you not liking FNF

And I'll have you know I know many people who are FNF fans and are women

You were one yourself once

Maddie was one too but cared for you like a sister, at least until you hurt her and her friends

And even then she still wants you to be friends with her again and can't bring herself to hate you

And yet you repay her kindness by taking advantage of her and reminding her of people who hurt her

Rather sad, isn't it?

**ClareLaBelleRose** 8:47 PM

Most FNF fans ain't women as it's a game by a straight man for straight meb

\*men

**Cool\_Bed\_2614** 8:48 PM

And yet the main character is canonically bisexual

And again, I'm more than happy to send you the links to women who love FNF

And you loved FNF once too

Are you simply projecting out of shame and guilt?

**ClareLaBelleRose** 8:50 PM

I hate FNF now

It's for pedophiles

It's literally a lolicon game

And I hope NinjaMuffin kills himself for making it

**Cool\_Bed\_2614** 8:51 PM

Care to show proof?

Is it simply because it has chibi characters?

Does this mean DDLC, Undertale, and Paper Mario are lolicon games for having chibi characters?

Hell, YanSim has actually proof that it's a lolicon game

Now, why does that get a pass but FNF doesn't?

Could it be, dare I say it, cognitive dissonance on your end?

**ClareLaBelleRose** 8:52 PM

He liked porn of little girls, that's not okay. He also made a "joke" about the Palestinian genocide, and has a history of racism, antisemitism, and transphobia. NinjaMuffin also ruined many lives with his game, including mine.

**Cool\_Bed\_2614** 8:53 PM

That isn't proof

Alex Mahan has groomed three girls at this point, but you don't call YanSim fans freaks  
I am more than happy to listen to your side of the story, I just prefer to pay no mind to baseless accusations

**ClareLaBelleRose** 8:54 PM

Also

I'm jewish

I assume you are not black, trans, or jewish  
Therefore you have no say on the shit he said about our communities

**Cool\_Bed\_2614** 8:55 PM

I'm half Native American and am pansexual, and I have many very good friends who are members of those communities

Just send proof, it isn't very difficult

A call out document or thread will be more than sufficient, preferably both

**ClareLaBelleRose** 8:58 PM

You're not black or Jewish or trans though?  
You can't speak for us.

**Cool\_Bed\_2614** 9:00 PM

Well, you aren't black or trans, so I don't see why you would be hurt by that logic

I assume every decent person would be hurt by racism, antisemitism, and transphobia even if they don't belong to those groups

And I prefer to be mindful of harmful individuals so I know who to stay away from

Just send me the proof, and I shall send it to everyone I know in order to warn them

**ClareLaBelleRose** 9:04 PM

There.

**Cool\_Bed\_2614** 9:10 PM

So typically Newsground edgelord stuff, gotcha

Ironic how you have a Newsground channel in your Discord server

I'd bet good money you've never even played Pico's School before

And aren't you a South Park fan too?

Why is it acceptable when they make those kind of jokes, but not when it's NinjaMuffin?

**ClareLaBelleRose** 9:14 PM

The creators of SP are Jewish

NinjaMuffin is a white cis het Christian man

Who hasn't experienced one second of oppression

**Cool\_Bed\_2614** 9:14 PM

And how do you know this?

How do you know he isn't poor, disabled, or neurodivergent?

Would he make BF canonically bi if he hated the LGBTQ+ community so much?

And why don't you go after Tom Fulp for doing the exact same things?

**ClareLaBelleRose** 9:24 PM

He's rich??

And he's neurotypical

And his game ruined many lives

**ClareLaBelleRose** 9:24 PM

He's rich??

And he's neurotypical

And his game ruined many lives

**Cool\_Bed\_2614** 9:27 PM

Proof?

And you could say that for many games

I have no doubt FNAF, Undertale, and most of all YanSim have ruined many if not even more lives, yet you don't direct any of your hatred towards them

Why are they exempt?

**ClareLaBelleRose** 9:33 PM

FNF ruined my life

**ClareLaBelleRose** 9:42 PM

No other game did that for me

**Cool\_Bed\_2614** 9:46 PM

But those games have ruined the lives of others

A rather selfish sentiment, wouldn't you agree?

Need I remind you of Alex Mahan's three victims?

**ClareLaBelleRose** 9:48 PM

YanSim didn't ruin their lives

YanDev dud

FNF ruined mine

**Cool\_Bed\_2614** 9:49 PM

But they were fans of YanSim, were they not?

And need I remind you of the groomers present in the Undertale, FNAF, and MLP communities?

Besides, if you have had such traumatic experiences with the community, why not take a long break from the internet and seek therapy?

Why must you take your pain out on those around you instead of working to heal from it?

**ClareLaBelleRose** 9:58 PM

FNF fans should kill themselves with a 50 gauge shotgun

That's my opinion

They're all pedos and rapists

**Cool\_Bed\_2614** 10:05 PM

Now, now, did you think Maddie was a pedo and rapist?

Do you believe yourself to be a pedo and rapist?

Also, that doesn't answer my question

Take as much time as you like, though, I'm incredibly patient

**ClareLaBelleRose** 10:08 PM

She likes FNF, do

And I don't like it anymore

I like Omori, YanSim, The Coffin Of Andy And  
LeyLey, and Class Of 09

I also like gore videos

\*so

**Cool\_Bed\_2614** 10:11 PM

But wasn't she nothing but nice to you?

Are you truly willing to dismiss all of that  
solely because she likes something you  
don't?

Are you truly that shallow?

She even told me she tried to find you voice  
acting opportunities and offered to help  
support you

**ClareLaBelleRose** 10:14 PM

FNF is a lolicon game

If you jerk it to kids, you're a freak

**Cool\_Bed\_2614** 10:14 PM

Would you say the same about YanSim?

And what if you just like the characters and  
music?

**ClareLaBelleRose** 10:16 PM

YanSim ain't a lolicon game

They have curves and look like adults

Gf and bf look 12 at the okdest

And they're both ugly

**Cool\_Bed\_2614** 10:18 PM

Is that not the nature of a chibi artstyle?  
And if I recall correctly

**ClareLaBelleRose** 10:20 PM

They're ugly as fuck though  
The YanSim characters are hot

**Cool\_Bed\_2614** 10:20 PM

Oh really?

The same five models copy-pasted with different hairstyles and eye colors are hot?

The characters in FNF aren't designed to be hot, they're designed to be cartoonish

No one in Ed Edd N Eddy or Ren and Stimpy is "hot" and they're not intended to be

**ClareLaBelleRose** 10:21 PM

They're ugly as hell, they look like my period blood

She's much hotter than

**Cool\_Bed\_2614** 10:22 PM

You're a master at what-aboutism, you know that?

Why do you refuse to answer my questions?

**ClareLaBelleRose** 10:23 PM

I think Yandere-Kun is hot

My main man interest, however, is Andrew Graves. I love buff emos.

**Cool\_Bed\_2614** 10:24 PM

What will it take for you to answer my questions?

I refuse to talk about anything else but my questions

**ClareLaBelleRose** 10:24 PM

What's your questions?

**Cool\_Bed\_2614** 10:25 PM

If you have had such traumatic experiences with the community, why not take a long break from the internet and seek therapy?

**ClareLaBelleRose** 10:26 PM

I already did??

FNF fans have memories of elephants, I'm the new AmorAltra.

**Cool\_Bed\_2614** 10:26 PM

No, you haven't

Again, show me proof

Are you seeing a therapist?

If so, what is their name?

Why must you take your pain out on those around you instead of working to heal from it?

Maddie would be very hurt if she found this out

**ClareLaBelleRose** 10:29 PM

I did, I was cancelled in June.

I spent two months in and out of the hospital.

**Cool\_Bed\_2614** 10:29 PM

Proof?

**ClareLaBelleRose** 10:29 PM

How tf do I prove that??

Show you pictures of my sliced wrists??

I nearly got MURDERED over fucking FNF

**Cool\_Bed\_2614** 10:30 PM

I highly doubt that, considering Claire has multiple screenshots of you harassing her throughout June

**ClareLaBelleRose** 10:31 PM

June 2023

Not June 2024

June 2023 was when I became the FNF anataognist

**Cool\_Bed\_2614** 10:31 PM

My apologies

But if FNF bothers you so much, why not avoid it any chance you can?

Why go to all these lengths to prove how much you hate it?

Why do you keep posting horrible pictures to the official subreddit and to people minding their own business?

And why did you break this promise?

**ClareLaBelleRose** 10:32 PM

I want FNF fans to kill themselves for ruining my life

**Cool\_Bed\_2614** 10:32 PM

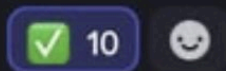

**Kitty Clare** Yesterday at 8:32 PM

**@everyone** Tbh, I'm gonna say this.

Overall, I'm just gonna try my damndest this summer to let the past go. No more Joan, no more Camilla, no more FNF as a whole. After this video drops, I want to drop everything in the past. I want to leave it behind and just enjoy my life as it is without worrying about FNF fans harassing me.

Understood?

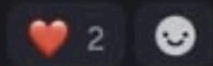

**jaiden** Yesterday at 8:33 PM

cat pishe

**mad mage** Yesterday at 8:35 PM

Just make sure you keep your word this time, you've gone back on it twice

Why did you break this promise, Clare?

And what will it take to make you finally keep it?

**ClareLaBelleRose** 10:34 PM

I want all FNF fans to suffer

They ruined my life so I'll ruin theirs

**Cool\_Bed\_2614** 10:34 PM

That doesn't answer the question

Why did you break this promise, and what will it take to make you finally keep?

I'll keep asking until you answer

You want to know my identity so bad? Fine

**ClareLaBelleRose** 10:38 PM

I decided I'll make the FNF community suffer for ruining my life.

And yeah?

**Cool\_Bed\_2614** 10:39 PM

It really is me, Maddie

Do you have any idea how I felt when you found out you lied to me, especially since I have trauma from people saying they'll change but never do?

I did my best to help you, and you respond by hurting my friends

And now you tell me that everything I did was for nothing all because I like music from a stupid game?

You were like a sister to me, and in exchange all I get is you using me

Don't you want us to be friends again?

Or am I just another toy of yours to dispose of when I'm not fun anymore?

What's it going to take for you to leave the people I care about alone and keep your goddamn promises for once?

**ClareLaBelleRose** 10:41 PM

I just want FNF fans to die cause they ruined my life

**Cool\_Bed\_2614** 10:43 PM

I'M an FNF fan

So what, everything between us means nothing now because of that?

**ClareLaBelleRose** 10:43 PM

FNF ruined my life, don't you know that?

**Cool\_Bed\_2614** 10:44 PM

YES I DO

SO JUST IGNORE IT

WHAT WILL IT TAKE FOR YOU TO DO THAT FOR THE REST OF YOUR LIFE

Literally just talk with a therapist it's not that hard

Am I just an object to you?

Don't you want to be friends again?

Don't you care about me?

Can you please, please, PLEASE just leave my friends alone permanently and stop talking about FNF for good?

Just for my sake so we can be friends again?

Unless I never meant anything to you, that is

**ClareLaBelleRose** 10:50 PM

I do care about you. I want Claire to leave me alone.

I don't get why she's stalking all my socials.

**ClareLaBelleRose** 11:18 PM

And I don't get why y'all keep bringing up eating diaordwrs

What does that have to do with fbf  
FNF

JUL 21

**ClareLaBelleRose** 8:42 AM

Aicha also told me what was up

Why did you randomly bring up my DeviantArt gyaku ryona fetish story? I thought you didn't like fetish content.

**Cool\_Bed\_2614** 9:10 AM

A better question is why are you making dozens of alt accounts just to harass her

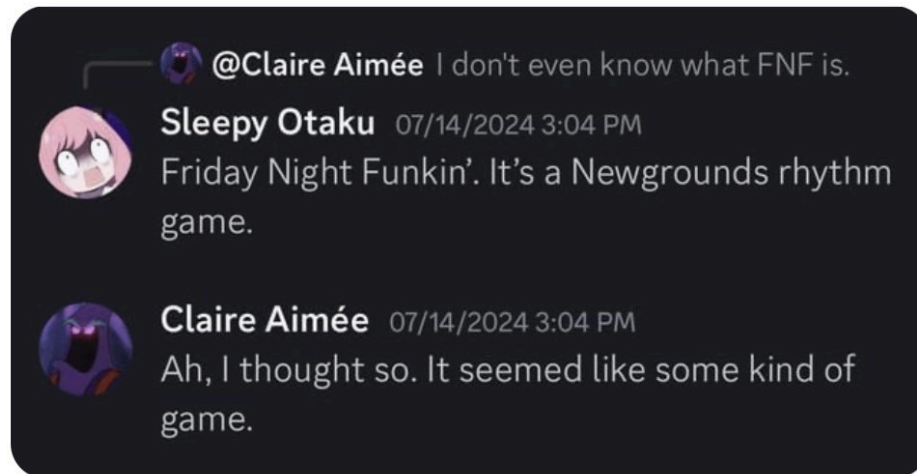

**ClareLaBelleRose** 9:11 AM

I'm getting back at her for calling me skinny and being an FNF dickrider.

**Cool\_Bed\_2614** 9:12 AM

She doesn't even know what it is

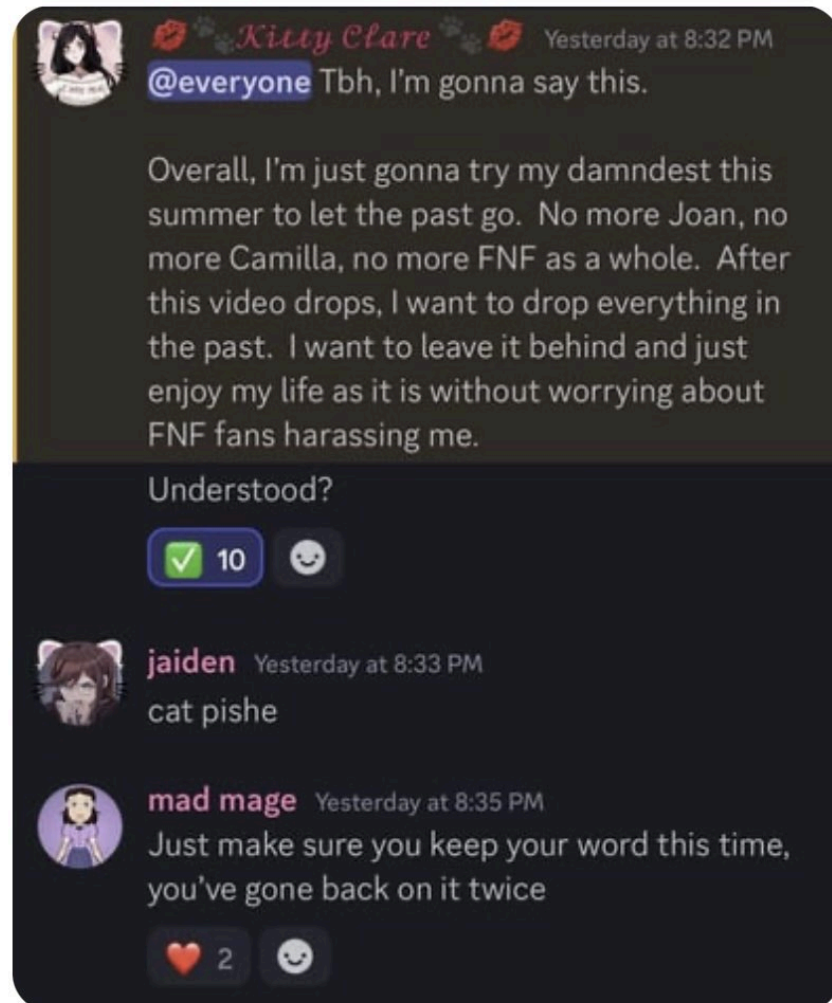

For the hundredth time, she's not mad at you for not liking FNF, she's mad at you for lying to her when you said you'd stop talking about it

And I'm mad because you wrote a gyaku ryona story about Senpai FNF because you promised to stop talking about it

And I'm mad because you wrote a gyaku ryona story about Senpai FNF because you promised to stop talking about it

Why did you lie to me and everyone else, Clare?

I'm going to keep asking until I get an answer

**ClareLaBelleRose** 9:13 AM

To be fair, it's a fetish of mine. I write fetish stories about various men.

I decided Senpai would be a good candidate cause he's the type that deserves it.

**Cool\_Bed\_2614** 9:14 AM

He's a minor

And you regularly bring up tentacle rape and  
gyaku ryona to minors as well

Not to mention regularly make grooming jokes

**ClareLaBelleRose** 9:15 AM

He's 18

Canonically 18

**Cool\_Bed\_2614** 9:15 AM

Okay, my bad

But that still doesn't justify you bringing up  
sexual things around minors and making  
grooming jokes

Even if you are hypersexual

And I don't care if Clairey likes FNF or not,  
that doesn't excuse you making fun of her  
ulcerative colitis by calling her an "ugly  
anorexic twig", it's just gross, insensitive, and  
ableist

**ClareLaBelleRose** 9:17 AM

NinjaMuffin is a groomer so I get to mock him,  
the fact he's a white man

\*doesn't give him an escape

And she keeps calling me skinny so I'm  
attacking her back

I am, factually, not skinny

**Cool\_Bed\_2614** 9:17 AM

You're 145 pounds, everyone on your posts mentioning it says it's an average weight  
I'm 195 due to medication, I objectively weigh more than you

**ClareLaBelleRose** 9:18 AM

That's not skinny though  
Skinny is underweight

**Cool\_Bed\_2614** 9:18 AM

Skinny can count as average build too

**ClareLaBelleRose** 9:18 AM

My body type has often gotten called a chubby hourglass  
I'm top and bottom heavy with chub

**Cool\_Bed\_2614** 9:18 AM

You're a normal weight, everyone keeps telling you that  
That still doesn't answer why you lied to everyone

**ClareLaBelleRose** 9:19 AM

I'd answer if she didn't call me skinny  
Cause I take that as an insult  
And where does gyaku ryona and tentacle rape come from?

**Cool\_Bed\_2614** 9:25 AM

Japan  
But there are plenty of anime that are normal, you're just overgeneralizing

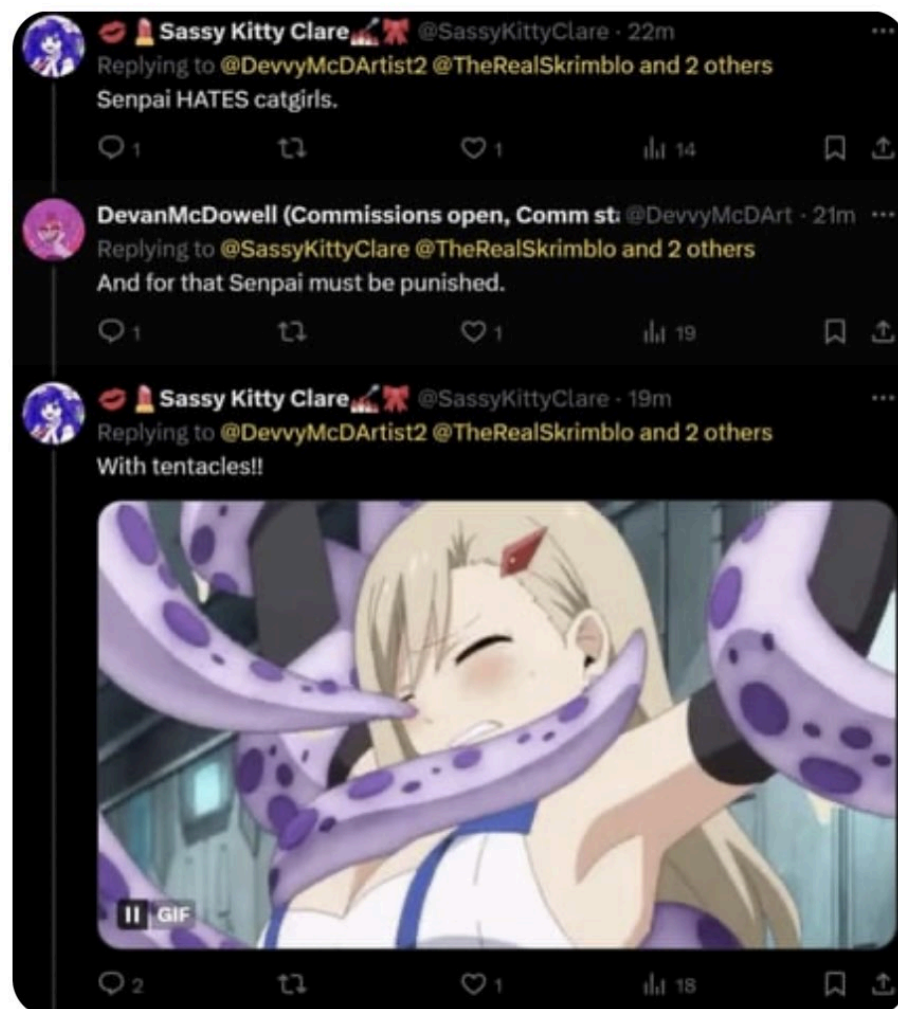

**ClareLaBelleRose** 9:25 AM

No I mean where are you getting that? I know it's from Japan.

Most of my fucked up fetishes developed due to watching a lot of adult anime during puberty.

**Cool\_Bed\_2614** 9:27 AM

**ClareLaBelleRose** 9:27 AM

That's me talking in a thread of adult FNF fans

**Cool\_Bed\_2614** 9:28 AM

Pages that children frequent and are likely to find

You keep going on and on about how "cringe culture needs to come back" yet you're terrified of being a lolcow while still acting completely unhinged in public spaces that minors can visit

**ClareLaBelleRose** 9:30 AM

That's how the internet is. Don't like it? Don't be on Twitter. FNF fans are all pedos anyway so...

**Cool\_Bed\_2614** 9:30 AM

Then why don't you get off Twitter?

**ClareLaBelleRose** 9:30 AM

Nah. I want FNF fans to suffer.

**Cool\_Bed\_2614** 9:30 AM

Or stick solely to Discord?

I'll have you know that loads of children are in the FNF fandom, it's inevitable with indie games

Are you going to say literal children are pedos?

Do you want literal children to suffer?

**ClareLaBelleRose** 9:31 AM

I do

Their fault for liking dnd  
FNF

I celebrate when FNF fans are bullied to  
suicide cause FNF ruined my life so it's  
deserced

**Cool\_Bed\_2614** 9:32 AM

Oh, so you're on the same exact playing field  
as people who think children who enjoy  
YanSim are direct supporters of everything  
wrong with it

How much cognitive dissonance are you on?

Would it kill you just to go seek professional  
help?

I can't keep playing your PR manager/life  
coach

**ClareLaBelleRose** 9:33 AM

Nah, FNF fans are pedos and should be  
beaten and raped in a basement

We need a Ted Bundy for FNF fans

**Cool\_Bed\_2614** 9:33 AM

So you're saying children are pedos who  
deserved to be raped?

You do realize that that counts as child abuse  
right?

**ClareLaBelleRose** 9:34 AM

If you like the game, it's entirely your fault and  
you deserve anything bad that happens to  
you.

**Cool\_Bed\_2614** 9:34 AM

What if you just like the music?

And again, any issue FNF has is present in YanSim tenfold

**ClareLaBelleRose** 9:34 AM

The game is a lolicon game made by a pedophile

NinjaMuffin deserves to get gangraped in prison

**Cool\_Bed\_2614** 9:35 AM

Same goes for YanSim

**ClareLaBelleRose** 9:35 AM

As someone who was raped as a little girl, I'd like to watch with a bucket of popcorn

NinjaMuffin deserves some loving for bubba for wanking his pathetic micropenis to little girls

**Cool\_Bed\_2614** 9:35 AM

Again, you're showing me no proof that NinjaMuffin's a groomer

Meanwhile there's loads of proof Alex Mahan is one

And you're still saying kids deserve to be abused and raped for liking a game

That's the same logic abusers use

**ClareLaBelleRose** 9:36 AM

He likes porn of little girls

He deserves it

**Cool\_Bed\_2614** 9:36 AM

Proof?

**ClareLaBelleRose** 9:36 AM

"Fiction doesn't effect reality" my fat ass

**Cool\_Bed\_2614** 9:37 AM

You keep saying that but refuse to show me proof

And I'll say it again

 **YandereDev** 04/14/2020  
The whole "everyone is 18" thing is bullshit anyway, obviously the characters are clearly and obviously 16-18, but I have to officially say they are 18 for legal reasons  
It's like this in every game with 16-18 year old characters  
Nobody gives a shit outside of Yandere Sim, because people look for reasons to crap on me  
under 18 characters have been dying or getting into sexual situations in anime/games for years, just look at dangan or persona  
It's just the way things are, it's commonplace in games  
it's practically the norm

Yandere Game Character Draft: Little Sister

Based on my limited data, to create the only person of a little sister-type character in the present, I decided to create her.

"Senpai's little sister" is the next rival character. The original idea was that she would be the cute and innocent type, but the notion sort of changed. A summary of the discussion was: "a lewd/paltry version might make you feel a little less bad about ogling her"

All designs subject to change, etc.

Close and escape

**ClareLaBelleRose** 9:38 AM

I hope NinjaMuffin is raped to death and the people who had their lives ruined by FNF get a front row seat

I mean, come on, I literally commissioned a picured of Senpai tied up with used pads and gagged with dirty tampons while being forced to watch me and Hero make out

Should be pretty obvious what I'm into

**Cool\_Bed\_2614** 9:39 AM

And yet you don't act the same around YanDev, an actual groomer

**ClareLaBelleRose** 9:39 AM

I want NinjaMuffin to die for ruining my life YanDev? I don't give a damn about.

**Cool\_Bed\_2614** 9:40 AM

Oh, so you care more about an edgelord than you do an actual child predator  
Gotcha

You do realize you're just making yourself sound worse, right?

**ClareLaBelleRose** 9:40 AM

He ruined people's lives so he deserves it

**Cool\_Bed\_2614** 9:40 AM

So did YanDev

**ClareLaBelleRose** 9:40 AM

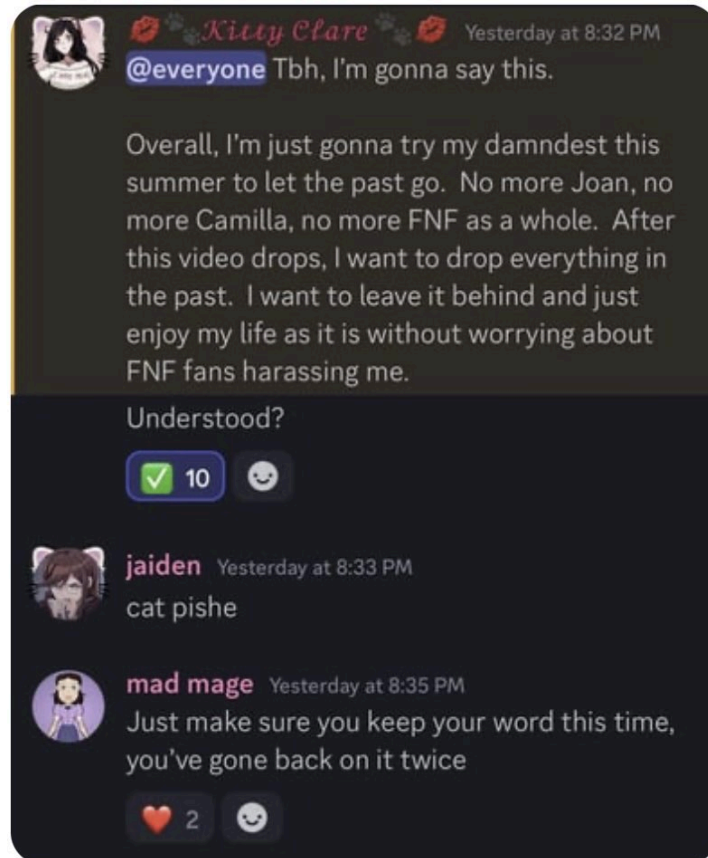

I'm planning to write more fetish stories about Senpai

Mostly involving forcing him to drink menstrual blood and getting penetrated by men against his will

**Cool\_Bed\_2614** 9:41 AM

For the hundredth time, why'd you break your promise?

**ClareLaBelleRose** 9:41 AM

Cause I love seeing FNF fans suffer

**Cool\_Bed\_2614** 9:41 AM

Why'd you even say this if you never intended to act on it?

**ClareLaBelleRose** 9:41 AM

It gives me a high if you get me

**Cool\_Bed\_2614** 9:41 AM

So you get a high from lying to your closest friends

**ClareLaBelleRose** 9:41 AM

Causing pain causes me to get excited, if it ain't obvious

Specifically to FNF fans

**Cool\_Bed\_2614** 9:42 AM

That technically classifies as emotional abuse and manipulation

**ClareLaBelleRose** 9:42 AM

FNF fans deserve to suffer

I'd force them to drink my menstrual blood if it was legal, but it ain't, and I obey the law

**Cool\_Bed\_2614** 9:42 AM

So you're willing to ruin every single relationship you have by lying and emotional manipulation just for the sake of a petty grudge?

I loved you like a sister, Clare, and this is how you repay me?

**ClareLaBelleRose** 9:43 AM

I literally wrote a fic about Ashley Graves forcing Senpai to drink her period blood against his will

I think it should be obvious I'm into FNF fans suffering

**Cool\_Bed\_2614** 9:43 AM

Then why'd you say you'd promise never to talk about them ever again to your closest friends if you never intended to keep that promise?

**ClareLaBelleRose** 9:43 AM

I said I might

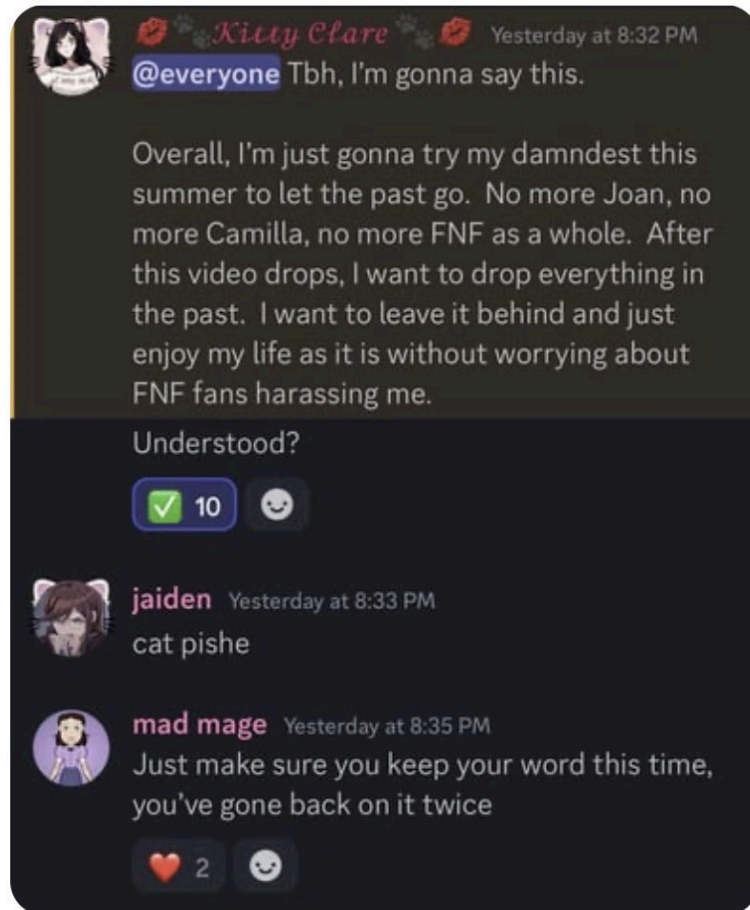

But I wasn't sure

I decided making FNF fans suffer makes me too horny to stop

**Cool\_Bed\_2614** 9:44 AM  
There's no 'might' in this

**ClareLaBelleRose** 9:44 AM  
Cause they ruined my life so they might as well suffer

**Cool\_Bed\_2614** 9:44 AM  
Multiple people in the server have told you to stop

**ClareLaBelleRose** 9:44 AM  
I get off to FNF fans sufdering  
Like, I literally finger myself to it

**Cool\_Bed\_2614** 9:44 AM  
How hard is it to go to therapy?

**ClareLaBelleRose** 9:44 AM

I fingered myself to a comic about Senpai getting raped by Monster and then Monster raping the corpse

It's quite obvious I think that shit is hot

And I am already in therapy, she told me as long as I don't act out any gorey fetishes irl, I'm fine.

Soooo I'm acting out my fetishes on a character that ruined my life

**Cool\_Bed\_2614** 9:46 AM

But this isn't healthy or normal behavior

And look, I could live with that, I'd find it weird but I'd live with that

**ClareLaBelleRose** 9:46 AM

I can have as many fetishes as I want. Go to Japan and bitch to them if you hate fucked up fetishes. That's where most fucked up fetishes come from.

**Cool\_Bed\_2614** 9:47 AM

What I want is for you to stop harassing my friends when you said you'd leave them alone

**ClareLaBelleRose** 9:47 AM

If Claire acknowledges I'm not skinny and stops dickriding FNF, I will. 🐼

**Cool\_Bed\_2614** 10:00 AM

Because I'm sick and tired of hearing you bring it up every chance you get

You even did a "What's More Hopeless: FNF or YanSim?" as if Week 8 didn't just drop and was insanely high quality or at least of infinitely more worth than Amai's week

Deltarune Chapter 2, the entirety of FNF, and FNAF Security Breach objectively have more worth and value than the entirety of YanSim 1980s Mode

Because at the very least they all have memorable characters, moments, and dialogue, something Alex couldn't achieve once with the entire mode

It's harsh, but it's true

And I'm not gonna lie, I've always found it really sus how in your rewrite you take a character who was canonically emotionally abused and heavily implied to be raped and make him into a one-dimensional abuser, it always left a really bad taste in my mouth

**ClareLaBelleRose** 10:10 AM

My rewrite is a vent piece about shit going on in my life. My father was never abusive, but he represents someone who did abuse me.

I'm also tired of Ryoba always being the abusive one.

Partially cause I kin her and she means a lot to me, but also cause I'm tired of abusive moms. I wanna see abusive dads.

(I think it's obvious I love Ryoba)

And FNF's characters are just loli fetish bait for straight man prdos

None of them are hot, I want sexy bodies to drool to

Not lolis

**Cool\_Bed\_2614** 10:14 AM

YanSim's characters are canonically 16-18, the dev even admitted that and says he only claims they're all 18+ for legal reasons

And IDK, it's kind of hard to not see a woman who murdered and ruined the lives of innocent women, kidnapped and forced her husband into a relationship, and is heavily implied to rape him, and groomed her daughter into being willing to commit crimes at a young age as at least a little abusive

Megami's father is literally right there, just saying

**ClareLaBelleRose** 10:15 AM

I prefer evil dads to evil moms personally  
So I made Ryoba a misunderstood Medusa  
figure in mine cause I relate to her

**ClareLaBelleRose** 10:21 AM

Also I slander FNF when I can to piss of the  
lolicon fans

**ClareLaBelleRose** 10:28 AM

GF is an anorexic skeleton who looks like  
she's 12 at most. She's ugly too.

**ClareLaBelleRose** 11:20 AM

Idk, maybe it's cause I'm not a straight man,  
but I don't see the appeal.

**Cool\_Bed\_2614** 11:46 AM

Still, it comes off as really insensitive and  
feeds into the whole "women can't be  
abusers" misconception

Also Claire agrees to the group chat

**ClareLaBelleRose** 11:46 AM

Okay, good. And Izzy?

And I won't act up in the GC as long as there's no insult throwing and we actually talk about this.

**Cool\_Bed\_2614** 11:54 AM

She's not online yet

And don't worry, I'll make sure of it

**ClareLaBelleRose** 11:54 AM

Thanks.

Unblock me if possible so I can make it.

We DID have the voice chat in Discord months ago, by the way. Clare said she promised to stop harassing FNF fans, stop porn-spamming, and stop bullying us.

We betted that the promise would last three days.

**It didn't even last one.**

Here is the second conversion between Clare (FNFHater) and Cool\_Bed (Madison.) Conversation was taken after the first voice call between me, Madison, and Clare. Note: everything she claims or says about Maddie is a lie, and also loaded with personal bigotry, such as slurs, showing support for pedophilic and sexually-deranged "friends" of hers, and encouraging other adults to sexually harass minors on Twitter.

**IHateFNF** 10:48 AM

I'm quitting Reddit for a while cause I don't use it often anyway and I prefer other socials, but the internet will never be rid of me. FNF sucks and all the fans should (CENSORED). <3

Now, if you'd excuse me, I'm off to Twitter, DeviantArt, Discord, and all my other platforms. I'm the biggest FNF hater!!

(Also I hope NinjaMuffin gets found by Bubba and raped to death in front of you and the other FNF fans)

**Cool\_Bed\_2614** 11:31 AM

I don't even care for FNF that much at the moment, but we'll see how long that lasts when I share screenshots from the Discord chat.

Every alt you make and harassment attempt you make I'm going to reply to and share those screenshots, so choose your words wisely! <3

**IHateFNF** 11:32 AM

Share the SCs with your retarded FNF faggot friends, idgaf. You lie about being native for attention, white girl.

Plus, DeviantArt bans callout posts as a whole, I've had Twitter users constantly attempt to cancel me, and Discord isn't a cancel place. You're banned from my server and we mock you. You're a white FNF fan who LARPs as native and supports loli.

Oh, and did you catch my sequel?

<https://www.deviantart.com/bimbocatgirldoll/art/Senpai-Gets-Married-1079437790>

**Cool\_Bed\_2614** 11:36 AM

I never did that, I can assure you, you're just pulling shit out of your ass. Oh, and you're using slurs now? Classy.

And the only reason those callout posts were banned is because you reported them

**IHateFNF** 11:36 AM

I'm bisexual, can reclaim. You literally lied about your race for street cred.

**Cool\_Bed\_2614** 11:36 AM

No I didn't, show me prof

**IHateFNF** 11:36 AM

And no, you're not allowed to make callouts on DA. DA is stricter than it used to be.

**Cool\_Bed\_2614** 11:36 AM

\*proof

**IHateFNF** 11:36 AM

You claimed to be native while you're white.

**Cool\_Bed\_2614** 11:37 AM

I am, my mom's half native

Also retarded is a slur

**IHateFNF** 11:38 AM

And my dad's part Japanese, yet y'all claimed I was lying about my race cause I called out Japan for the atrocities it's committed.

Plus I'm autistic.

FNF fans are all pedos so they don't deserve to be seen as human anyeay

**Cool\_Bed\_2614** 11:38 AM

Every profile you have says you're solely French/German

**IHateFNF** 11:38 AM

And where do you say you're native?

I have Italian and Japanese on my fathers side and Danish on my moms side. They're predominantly French and German respectively though so I don't list out everything.

Also, 25% native aint squat. You're still white.

You're mixed if you have two parents from different races.

I don't call myself mixed cause my parents are both predominantly white (mom is fully white, dad was white/Asian)

**Cool\_Bed\_2614** 11:41 AM

I don't call myself mixed either, but I don't say I'm white anywhere either

**IHateFNF** 11:42 AM

Still weird. What's even weirder is the fact you're still obsessed with me even after we had a GC to settle shit.

We settled it and I moved on until you decided "I need more attention!"

(Also I warned BlueCatRiolu about you, fyi)

**Cool\_Bed\_2614** 11:45 AM

Someone else made a call-out post, I responded with the screenshots you sent me, and then you decided to respond

I would've actually deleted those screenshots the next morning if you hadn't responded to them

The only reason I keep responding is because you keep opening your mouth

Ask a stupid question, get a stupid answer

And by responding to me, all you're doing is giving me more ammunition

**IHateFNF** 11:46 AM

It's clear y'all were connected in some way.

<https://www.deviantart.com/bimbocatgirldoll/art/Senpai-Gets-Married-1079437790>

You didn't even rate my sequel

Smh

**Cool\_Bed\_2614** 11:46 AM

I literally sent you screenshots proving we're two different people

Sorry, unlike you, I don't deliberately seek out things I hate

Because I'm mature and have a life of my own

**IHateFNF** 11:47 AM

Y'all still friends and can't leave me tf alone

Why spam report me on Reddit and bring it to YanSim redsits?

YanSim has nothing to do with FNF Reddit

I'm not even super into YanSim anymore, I'm more into The Coffin Of Andy And LeyLey

(Funnily enough I got into that game because FNF fans hate it)

**Cool\_Bed\_2614** 11:48 AM

No, we're not, I don't even know them

And I'll stop responding when you stop talking

**IHateFNF** 11:49 AM

Y'all are like, obsessed with me cause I don't like FNF.

Just accept some people don't like some games and move on.

And why complain about edgy fanfics when y'all are fans of a game centered around murder and sexual abuse?

(Im a fan too, I'm just saying, where we drawing this line?)

**Cool\_Bed\_2614** 11:52 AM

Because unlike you, the people in the subreddit actively don't like it and remove it from their rewrites/revamps and don't glorify/sexualize it when they do feature it

This literally isn't about FNF, it's about you being a manipulative liar who harasses people and is friendly with zoophiles and child groomers

**IHateFNF** 11:52 AM

Not all of them, actually. I've met quite a few fans who like fucked up stuff.

And where tf are the zoophiles?

I wanna see proof.

Cause Riolu is a furry, not a zoo. Furies are not zoos.

**Cool\_Bed\_2614** 11:53 AM

This is your friend btw  
The zoophile whose been harassing minors  
for a very long time

12:50 X

Literally how hard is it to accept that people can be upset at you for reasons outside of FNF

Again, keep responding and I'll keep replying

**IHateFNF** 11:55 AM

That was a National Geographic joke?

Weird as fuck, and I confronted him for it, but by that logic the turtle sex meme was zoo porn.

My cats mated in front of me when I was 8. Does that make me a zoo? Animals mate, it's a part of nature.

(With each other, not humans)

**Cool\_Bed\_2614** 11:56 AM

<https://youtu.be/HcDX1rNksUk?feature=shared>

Keep responding and I'll keep replying

**IHateFNF** 11:57 AM

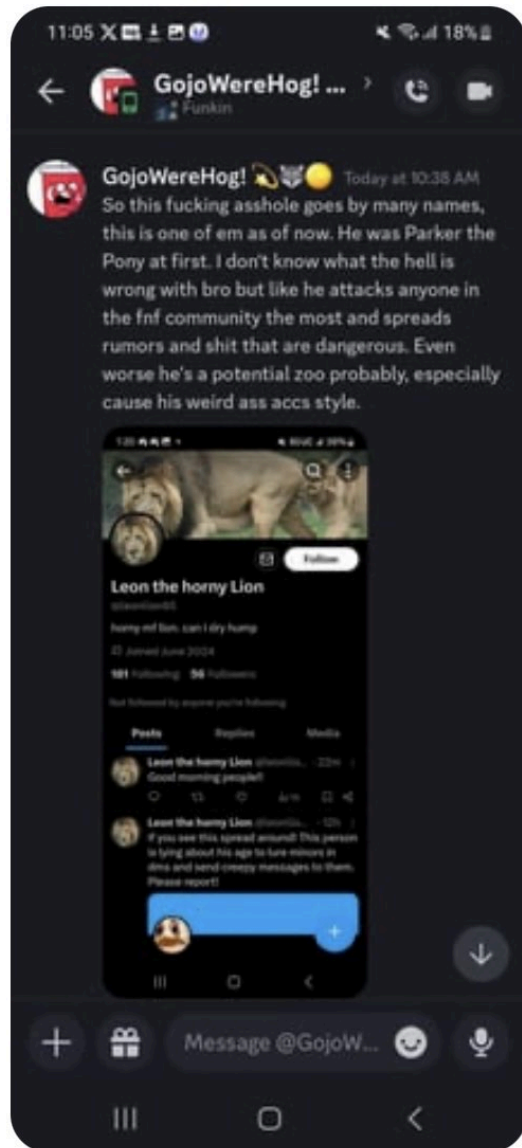

I agreed the joke was weird.

But that's not zoophilia. Zoophilia is wanting to have sex with animals. Joking about animals mating isn't necessarily zoo.

And like I said, Amor has been gone since 2021, I cut off Madman, Skidi is not a groomer, and Riolu was proven innocent. I've been his close friend since 2018, before I even met you.

Cool\_Bed\_2614 12:00 PM

**IHateFNF** 12:01 PM

Oh, yeah, ew.

**Cool\_Bed\_2614** 12:01 PM

stitch it so you  
can die painfully. We would get more  
value decomposing  
you back into our soil than let you waste  
our air. I hope  
some tribe people use you for a sacrificial  
ritual and eat  
your heart alive and then decapitate your  
head and  
mount it on a spike on your loose vag  
whOre sivr mom's  
front porch so see can die of grief and  
burn in hell with  
her pedo son. I hope maggots eat your  
dick and balls and  
then they tear plant eggs inside you  
which hatch and eat  
your intestines alive. I hope a bear shows  
up to your  
house and claws you to death, cunt. You  
smell like wet  
ear wax and pennies so clean yourself  
with bleach you  
foul scented white cunt.

Yesterday, 11:32 PM

You accepted the request

Okay animal rapist

So this is why people keep bringing this up,  
and why no one wants to be friends with you  
if you keep saying you'll do better and change  
but keep pulling shit like this

Clare also is openly friends with people who have also been exposed online as predators.

**Catgirl Clare** Today at 12:53 PM

AmorAltra and I are friends actually

**Claire Aimée** Today at 12:53 PM

Who is AmorAltra?

**Catgirl Clare** Today at 12:53 PM

Guy the entire FNF community hates

I'm as hated as he is

He's basically the FNF community's Chris Chan

**Mad Mage** Today at 12:54 PM

He's a child groomer

So you're admitting you're friends with a child groomer?

**Catgirl Clare** Today at 12:54 PM

Tbh I don't believe it, I'm his friend. I'm friends with a lot of controversial people actually.

BlueCatRiolu is one of my closest friends, for example.

**Mad Mage** Today at 12:55 PM

So you're friends with child predators

  **Catgirl Clare**   Today at 1:04 PM

I'm chummy with anyone who's against FNF.

Cause FNF is my main enemy.

**Mad Mage** Today at 1:05 PM

EVEN LITERAL SEXUAL ABUSERS????

BELLE YOU'RE BASICALLY AN ACCOMPLICE

  **Catgirl Clare**   Today at 1:06 PM

I don't even talk much to them

I keep my friend circle limited

**Mad Mage** Today at 1:06 PM

And how I know you're not lying?

You're basically saying like "oh, I'm not an accomplice to a coworker I know full well beats his wife every day, we've only talked once or twice and are basically acquaintances!"

**Catgirl Clare** 🙌🏻🎀

Today at 1:07 PM

If I talked often to them, they'd be in my server. Which they are not. BlueCatRiolu is the only super controversial person in my server.

And Riolu is a whole other can of worms I think opening wouldn't help.

**Mad Mage** Today at 1:10 PM

RIOLU LITERALLY GROOMED AND DREW FETISH ART OF CHILDREN TOO????

HE ALMOST GOT THEM KILLED BY ASKING THEM TO REPLICATE INFLATION IRL???

**Catgirl Clare** 🙌🏻🎀

Today at 1:10 PM

He was manipulated and abused by DuskTheRaccoon, who is MUCH worse

Riolu is mentally disabled like I am

I forgave him cause I've been manipulated and abused too

But this isn't even about him

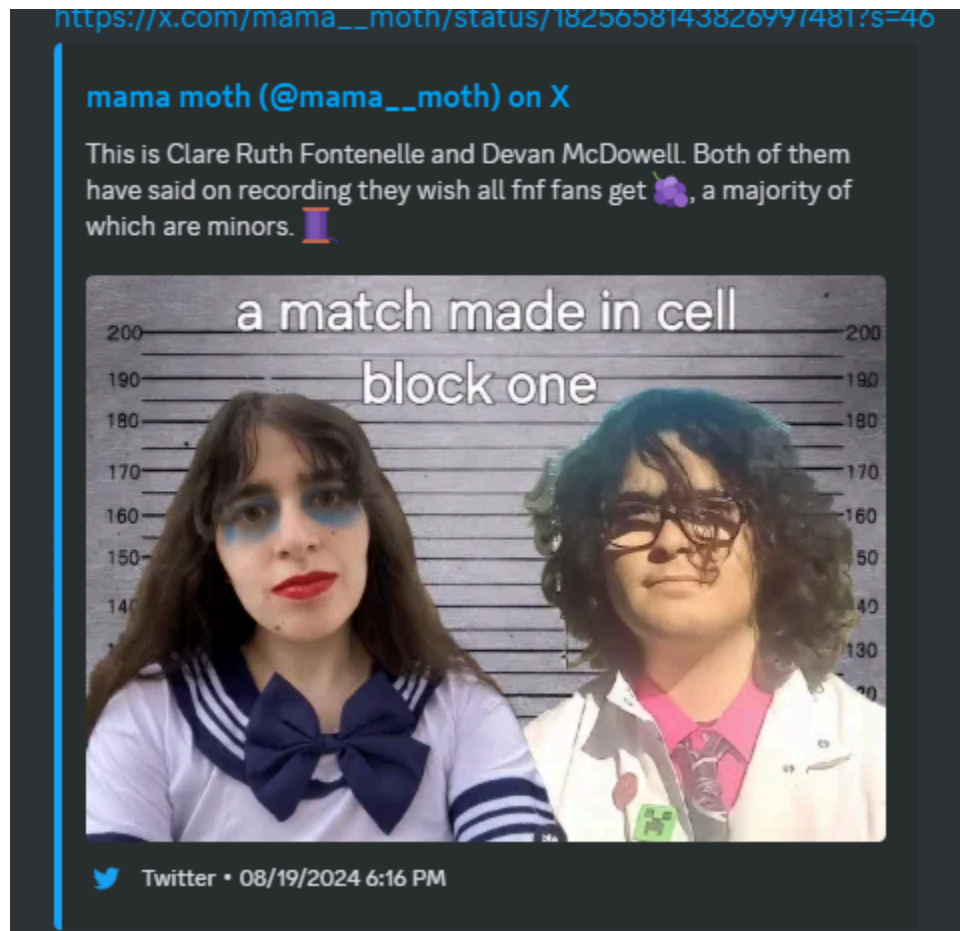

**Mad Mage** Today at 1:12 PM

How do you know he isn't lying?

And I'd say this is about him, because again, you're expressing an interest to be friends with people who want to exploit children

Other people have also disused Clare's grooming, alongside her friends. A Twitter user named Mama Moth is one of them. (Clare Ruth Gundersen also occasionally goes by her paternal name, Clare Ruth Fontenelle. Gundersen is her mother's surname/maiden name.)

[https://x.com/mama\\_moth/status/1825658143826997481?s=46](https://x.com/mama_moth/status/1825658143826997481?s=46)

This is evidence of her saying a 16-year-old parental rape victim should be raped.

Here is Clare saying that children should be shot after sexually harassing/grooming a young boy.

Here is a rational response, but Clare reacts aggressively and doubles down on her violent, child-centric fantasies of rape and murder. (She also uses gay/queer slurs.)

Okay, I'm being serious here, this is a whole new low.

Children DIED at Sandy Hook. Children were horrifically and pointlessly MURDERED.

And you're trivializing it all for the sake of bashing FNF fans who did nothing but exist.

You are a terrible person.

This is Clare making threats of legal action against me on September 20th, 2024.

FROM NotBackingDown

TO YourClairyGodmother CORE

Anon is working on irl action against you. I won't go into detail, but let's say you should watch your back. The video won't be posted considering the fact that they don't want your white knights after them (you're too pussy to defend yourself), but oh. We have much better plans for you, much more irl ones.

You think anyone is scared of a diaper wearing anorexic Canadian chick who thinks she's a fairy. No one takes you seriously outside your circle. You're a wannabe Light Yagami and even my college and family laugh at you. Also, my Oma said you need to gain weight, but that's her words not mine.

Ironic how you repost a transphobic comic about me while claiming to be an ally. You're no ally, how you treat Mae, me, and others only proves that. We have plans to take actual action against you, and, unlike your strange fantasies, they'll lead somewhere.

Also don't call me Clare/Ruth. You don't have the right to, then again you know all about deadnaming. I hope Mae recovers she's so strong. <3

She recently tried claiming that another person, an artist who drew negative drawings of her named Bunny, was grooming minors and wanted them to call them “mommy.” When asked for proof, she pretended as if she never said anything of the sort. She also calls grooming a “fetish”, while also being proven to groom herself.

### Re: Lmao

I should also add, the fact your groomer drew me as a disgusting male is sick. Cis or trans, males are disgusting and useless (unless they're my toys, of course) and I'd rather blow my brains out than be one. So your groomer keep their disgusting yaoi transmale mpreg fetishes off my body. I'll never be a disgusting male. 😊

### Re: Listen

I'm also gonna mention, you're not one to talk about lying. Your groomer-I mean “friend” Boss claimed Camilla (who groomed me and is best buds with my sexual abuser Joan btw, then again, FNF fan moment) was a minor, she's 23, and I never sent her info. They also claimed I leaked your face and talked about killing you (I just wish all FNF fans would be brutally tortured to death lmao), which I didn't. I talked about killing that ugly skinny white bitch Clare you drew. Funny how you think lying is wrong until y'all do it. Typical FNF fan L.

This is Clare still talking sexually to minors.

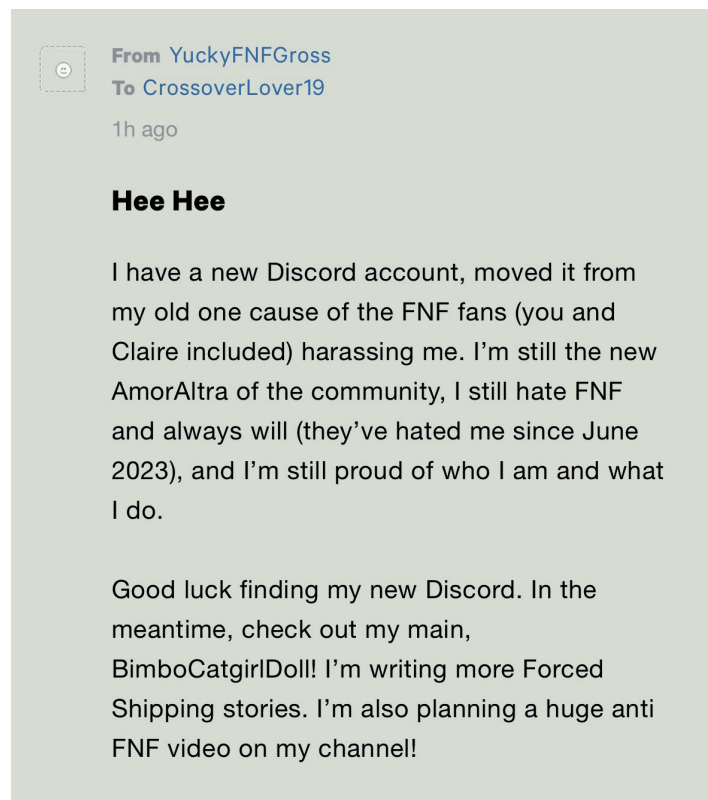

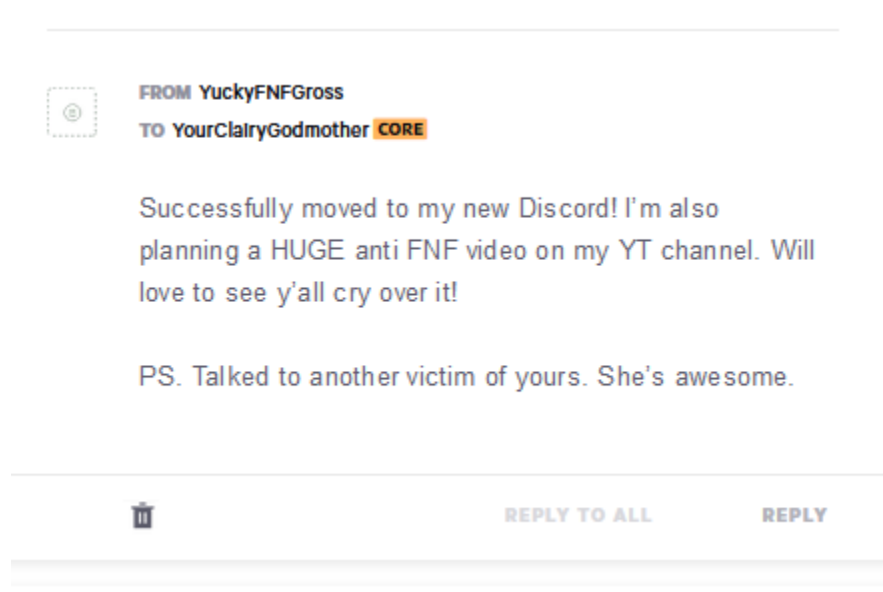

This is Clare, a fat fetishist who regularly brags about being fat, claiming she was bullied because someone called her fat, a word she regularly calls herself. Then she backtracks and claims she's not fat after months of posting images of herself with "fat" captions.

This is Clare commenting on teenage boys, literally admitting she sees them as sex objects.

As of the beginning of September 2024, Clare is also grooming other people (whom she calls “our victims”) and planning on making a video where she will expose more children to violent sexually-charged threats and put them at risk of harassment and grooming from her fans (yes, she has a few.) This message was received by me and Madison in September.

Madison responded with this:

**Re: Hee Hee**

Fitting how you compare yourself to a groomer, considering you sexually harassed a minor and are friends with proshippers, child predators, loli/shotacons, and general degenerates.

Go and post that video, I'd love to see it! In fact, my real friends and I will try to get in touch with some big names to react to it. I'm sure you're looking forward to it, after all, we all know how much of an attention whore you are, you'll just love having more eyes on you.

Have fun rotting in the bowels of Hell! <3 UwU

This is a message I got from one of Clare's grooming victims, detailing their history of abuse with Clare. **This user named Serphimmz has their own experience with Clare, most related to them being a minor victim of Clare's grooming with their own document:**

[https://docs.google.com/document/d/1-O1NjYx6bPV8h7\\_pwdWsrFtrljgmQQ0069g6RvHcmNo/e/dit](https://docs.google.com/document/d/1-O1NjYx6bPV8h7_pwdWsrFtrljgmQQ0069g6RvHcmNo/e/dit)

FROM serphimmz

TO YourClairyGodmother

Uh hi, I'm someone who was targeted by Clare Ruth Fontenelle myself and I have recent screenshots of her acting horrible on other social media platforms some of which are towards kids (i am a minor as well). I'm wondering if you can explain your situation with her since she's saying you've done bad stuff.(i doubt her claims since she tried calling me a nazi once 🤪)

FROM serphimmz

TO YourClairyGodmother

I am safe, tyvm!

I she used to harass me heavily by calling me a nazi fetishist because i made a drawing satirizing her. (She claimed I whitewashed her oc despite herself being white) I was 14 at the time, 15 now and she made multiple remarks calling me a nazi and a japanese wannabe because I'm into Kawaii culture and Anime. Another person made an oc based off of clares to make fun of her and that lead to clare claiming they drew "Trans mpreg fetish art". (I made an adopted child of the oc and Clare automatically assumed it was mpreg..?)

She started claiming that I was being groomed by this person into drawing porn and started telling her friends that I, a 14-15 year old was making "enby menstration fetish porn". I made a document detailing what she did to me and clare reported it multiple times for "stolen artwork" which was art she replied to me with. I refused since it was proof I never whitewashed her but she started blackmailing me by saying she would ruin my art career and reputation, and I took it down. (i still have a copy though)

She also attacked me for being enby once, she tried calling nonbinary people a cult, claimed enbies oppressed women, and also tried saying nonbinary people aren't real in a completely unrelated conversation I had with her.

Clare also made TONS of rape "jokes" in reply to me. I have screenshots upon screenshots of her replying to me and other minors with her rape fantasies of Senpai fnf and some of them included the minors she was replying to as well.

If there's any way I can send screenshots to you as proof I can try.

More evidence of Clare's sexual harassment after making a post slandering me and another DeviantArt user named Bunni with lies (mostly about my relationship with my ex-partner.)

**LilSlasherBunni** Yesterday

Why do you view everything as sexual??? Also, no, rape isn't the best. It's not "forced shipping", it's fucking rape. And from what I've gathered about your "proof" on Clairry was all out of context screenshots and later proven to be false because you got pissy they called you out on your predatory behavior.

I never said any of that, stop putting words into my mouth. Also, funny that when you will agree racism against white people doesn't exist but then you'll piss yourself when we say you're white and call you a saltine cracker lmao, you're genuinely so full of shit Clare.

Also, not everyone is into the shit you're into. Telling people you very much know are grossed out by such content to look at your fetish content counts as sexual harassment, which you tend to do quite a lot, especially to minors.

This is Clare sexually harassing a 16-year-old non-binary person who was the victim of parental sexual abuse, with Clare saying the child should've been assaulted more and should be assaulted again. This is Clare claiming criticism of her rape obsession is "invalidating her lesbian rape experience." She also claims that the teenager, Herb, lied about their father sexually abusing them, but then Clare says the father should've sexually abused them more, practically admitting she is lying about the father not assaulting Herb.

This is Herb responding to a deleted Tweet from Clare, **where Clare, in her 20s and in college, exposed her cleavage to Herb, who is a teenager.**

This is Clare sharing drawn pornography with a minor.  
<https://x.com/Clareisapdf/status/1847080573837193664>

This Clare, who has used her "Jewish" status to call others Nazis in the past, advocating for putting people in concentration camps. The person rebutting her statements is a teenager from Jamaica, whom she is being both sexual (etc. loincloths) and racist towards.

Even Clare's personal friends on her own private server think she's mentally unwell and have begged to stop hurting children and going after "FNF fans" (AKA what she nicknames the victims of her abuse and predatory behavior), but Clare won't listen and even accuses her friends of being "FNF fans"- clearly Clare is delusional.

This is Clare confirming that she did in fact doxx a "FNF fan" (Madison) and sent them threatening Emails. She's also known to send filthy tampons and boxes of period pads to minors when she gets a hold of their addresses. Her friends are telling her that it was wrong to do, but Clare refuses to listen.

And this is Clare, lying about being “abused”, meaning her sob stories about being neglected or bullied she has told people like the police and her mother and her college were fabrications:

<https://x.com/BimboMewDoll/status/1868675958359859322>

What is Clare's motive for doing this you may ask?:

[https://youtube.com/clip/Ugkxni\\_3jbmjTb0QOq4fxr9hnbC2cSekec8m?si=oS\\_td8G0DK6N692E](https://youtube.com/clip/Ugkxni_3jbmjTb0QOq4fxr9hnbC2cSekec8m?si=oS_td8G0DK6N692E)

**All this because Clare dislikes a video game.** She'd rather become a pedophile than give up her obsession. Because without her hatred, she is nothing. She has no identity outside her hatred, and if she doesn't keep up her hatred, she will become nobody. And she'd rather ruin her life than move on with said life. Clare had a life before this: she was a child actress. But she gave up her art in pursuit of trolldom. And without her trolling, she is nothing. **Her entire life revolves around hatred, deception, and lust.**

If I could say anything to Clare: if *FNF* burned to the ground and disappeared for good off the internet forever tomorrow, you would STILL not be happy. You'll find something else to hate because your personality and fragile relationships cannot survive without hatred or wrath because the concept of love is poisonous to you. You'll never be happy. And that is why we're seeing through your lies: you're not going to stop at *FNF*. You want every Fandom you can find to fear and loathe you, while sexualizing and loving you at the same time. But your scheme is not going to work. **Clare Ruth Gundersen, you are a cowardly, selfish, deceitful, perverted, narcissistic pedophile who is a danger to everyone else; your sole identity is consumed by nothing but ego, anger, and degeneracy.** I will never stop exposing your actions online, no matter how many alternative accounts you make to take my posts and reports down. It will be shared across the web. People will know who you are. We gave you multiple chances, and in return, you gave us empty promises, betrayal, and so little self-dignity that you lied to your own mother in text messages. If you can't respect your own mother in texts, who can you ever love? That's right: you are incapable of love. Only lust and wrath and sin. Clare, you can't even defend yourself. Your evil is self-admitted. Continue down this path, and you will genuinely ruin your life. And you're the architect of your own demise. We've tried to help you, but you chose hatred and harassment over redemption. Everything bad that happens to you is your fault.

**Evil never wins, Clare. And you've lost since day one.**

Please help us seek justice.
