The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey is this the real host of Kino Casino? Trying to find a way to talk to the guys but can't find anything official.

**7/26/2024 12:45 PM**

PPP (PoweroftheTruth)

This actually is the real host. The fat one you've got ahold of. You are a legend and a king! Surreal to have you dm!

**7/26/2024 12:52 PM**

PPP (PoweroftheTruth)

If there's anything we can do for you just let me know.

**7/26/2024 4:32 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh cool, so I guessed correctly! So I saw your vid about ReviewTech threatening Joon the King and today I gave my take on it on my podcast. Slammed Rich pretty bad which I usually don't do, but he's way out of line on this and you guys had a pretty dead-on take about it. The podcast is just starting to upload now but I can link it later if you guys are interested in watching back the segment, I will let you know the timestamp. FYI I know you guys don't like me, but at the same time you have been pretty fair admitting that the vast majority of "lolcows" out there are far worse than anything that I've ever done, and I actually appreciate that. Most people just see me as some kind of heinous villain instead of looking at things in a real perspective.

**7/26/2024 4:43 PM**

PPP (PoweroftheTruth)

We are definitely watching your podcast back on the show today. We were right on top of that. In terms of liking or not liking you we make fun of pretty much everybody including ourselves. I don't personally understand why people hate you as it seems to me you just play video games and make money which everyone does online these days. If you started 5 years ago I don't think you would get hate for having made money. Its a relic of an old era. How you spend your money is your own business tbh. It doesn't make much sense to me.

**7/26/2024 10:25 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

well its nice of you guys to understand that. it's just become SUCH a thing to shit on me that people just mindlessly do it. Like I don't mind people saying my content sucks, but to endlessly repeat insane theories and hate, harass my family and viewers etc. is just incredibly unreasonable. And now this Rich situation, man, you couldn't find a bigger hypocrite on YouTube at this point

**7/26/2024 10:25 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

ill see if i can find your show if it gets archived tonight and give it a watch

**7/27/2024 1:16 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey it's really me on your kick stream right now

**7/27/2024 1:35 AM**

PPP (PoweroftheTruth)

unreal

**7/27/2024 2:01 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Good stuff man. Would love to talk more and thanks for sending viewers Mt way. Literally nobody else would ever do that

**7/27/2024 2:01 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

You will love this idea

**7/27/2024 2:04 AM**

PPP (PoweroftheTruth)

I'm sure we will! Talk to you soon!

**7/27/2024 2:08 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey what are your guys names? So I know what to call you

**7/27/2024 2:09 AM**

PPP (PoweroftheTruth)

I'm ashton (PPP) the guy with glasses and the other host is andy warski

**7/27/2024 2:32 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Ashton and Andy, sounds good. Nice to meet and talk with you guys

**7/27/2024 11:50 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey fyi lots of your audience came to my marathon today and many of them were respectful and contributed. I really appreciate that so be sure to let them know. I just got pretty sick so I can't stream until Monday at the earliest, but I'll check to see if you guys are streaming on Sunday

**7/28/2024 4:02 AM**

PPP (PoweroftheTruth)

I was really happy to see so much support and positivity for you! It was a great stream you did... too bad you got sick! Rest up and feel better!

**7/28/2024 4:13 AM**

PPP (PoweroftheTruth)

I'll say though it could have been a better turnout though if we had more time to promote it and get the word out. There seems to be alot of excitement about a crossover...

**7/28/2024 8:34 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

i may stop by your streams in chat from time to time if i can. depends on when you stream and how im feeling etc. Once I'm mended up I'd be happy to talk further but now I have to play catch-up this week because I missed a day. As I'm sure it is with you guys too, a day you don't stream is a day you don't make money and the money has to pay the bills so... back to the grind tomorrow

**7/28/2024 8:35 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

id also be happy to make fun of myself, like that feasting with phil vid i just put out. i heard im hideous when eating LOL

**7/29/2024 12:01 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

When are you guys usually streaming?

**7/29/2024 1:08 AM**

PPP (PoweroftheTruth)

We usually stream at 8:30 PM EST on kick 3 days of the week and then we do bonus content behind our paywall on gumroad the other days. I absolutely understand how busy you are and that its not easy for you to find time but when you do find it we'd love to bring you on for an hour or two to play games and hang out.

**7/29/2024 6:46 AM**

PPP (PoweroftheTruth)

Also just curious... you said in chat you had a special idea? What were you thinking?

**7/30/2024 1:08 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'd enjoy hanging out, but I'm sick now getting over this stupid cold and behind on my own stuff. I'd like to hang out in chat and talk to help add to your content for a bit to get a feel for

it. So let me know the next day you're streaming and I'll try to be there, we can make fun of my feasting vid together or other stuff if you see fit. I'm not opposed to being a guest on your show but I don't think fighting Andy in Tekken is a good idea, I'm going to just destroy him. I was one level away from the highest tier and I got their in 1 month, gave up bc I lime Steet fighter more. I think I have more to add on Commentary than beating him up lol

**7/30/2024 1:11 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Also I wish we knew when the documentary on rtu was coming out but we don't. I kind of need that react badly for my own channel bc my react stuff has suffered greatly in the last year and everyone wants to see me do it. So I know you guys want me to join you for it but I don't know how it could realistically happen. It's not even about money, it's about getting people back to watch my react channel so I need the content

**7/30/2024 6:47 AM**

PPP (PoweroftheTruth)

Ok so a few things. We're streaming tonight at 8:30 pm est tearing into rich about his reaction to your reaction. He was absolutely pathetic last night and had to get high to cope with how badly you destroyed him. Should be fun. Second when it comes to Tekken you destroying andy and whoever else on our stream is the point. I want people to understand how absolutely phenomenal you are at fighting games and that the narrative you're terrible is bullshit. Thirdly when it comes to the RTU react we will drop everything the day it comes out and we would be willing to go on your stream for it if you'd have us. All I would ask is that we could have our editor clip parts of it for our clip channel if thats ok with you. We would link to your channel and promote and give you exclusivity on it for a few days too. So far as you appearing on our show you can take all the time you need to rest up and get a feel for it. I want you to know that we really just want to support your stream and being totally transparent make both rich and keemstar cry. We would love to have you on to commentate on anything and ideally would like to have you as a reoccurring guest where you hop on ever so often to shoot the shit and you can promote your stuff.

**7/30/2024 6:51 AM**

PPP (PoweroftheTruth)

I no way btw do we want to make fun of you or hurt your business its been done to death quite frankly and is very boring to me. I would way sooner give you a softball interview about your favourite ice cream flavour and piss off the detractors then plan some sort of stupid ambush thats been done a million times. The detractors are entitled morons and think the world revolves around them and no one is allowed to have fun with you or associate with you in anyway and thats fucking bullshit. Anyway all the best to you and hope to see you in chat soon!

**7/30/2024 6:51 AM**

PPP (PoweroftheTruth)

In no way\*

**7/30/2024 9:44 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I will try to make it to your chat sometime tonight, depending on this stupid cold. I really appreciate all you just said because that's exactly how it's been. I'm literally not allowed to have fun with anyone bc of these insane stalkers.

**7/30/2024 9:46 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I guess a big thing is, if we do co-op Commentary on the rtu doc, how could it be done? What do you use to hVe guests on and is there a way to play a video through it so everyone sees the vid at once? Like an online movie room or something to that effect. I am way behind the times with this stuff bc, I can have guests etc bc of the harassment I get so I never bothered learning it

**7/30/2024 9:49 AM**

PPP (PoweroftheTruth)

We use discord because it has a built in video player to the call just like that and everybody can see at once. Discord seems a little daunting when you first start with it but it works really well. Andy handles the tech aspect of things so he could assist you more in that way but usually we do a call in discord and obs the different windows onto the overlay.

**7/30/2024 10:56 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

oh thats cool, I use discord for chat only so I didnt know you can all watch teh same vid together at the same time. okay perhaps that could work then. maybe ill try to schmooze more info out of Joon about when the doc is actually coming out lol

**7/30/2024 10:57 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

also as for tonight, i will try to make it to chat but it would be on the later side for sure. Kind of like last time, maybe around midnight my time. If that's too late its okay, i certainly dont want you guys waiting around all night for me

**7/30/2024 10:59 AM**

PPP (PoweroftheTruth)

I'll move the rich segment later into the show thats no problem

**7/30/2024 11:00 AM**

PPP (PoweroftheTruth)

if we end up missing you thats alright I know time is tight for everybody

**7/31/2024 1:45 AM**

PPP (PoweroftheTruth)

these detractors are INSANE holy fuck dude the mental illness

**7/31/2024 1:46 AM**

PPP (PoweroftheTruth)

oh well we'll never fold to that shit

**7/31/2024 2:10 AM**

PPP (PoweroftheTruth)

the more I think about it the more I HATE them and want to see them suffer through your success. Most people who do "lolcow" stuff aren't even like that... sure they're a bit nuts but ultimately they like to see content from their "cow" and are ultimately the biggest fans of the people they "hate" this is different its an actual visceral hatred for no good reason, When given a chance to explain they have no arguments an adult would take seriously. its very sad....

**7/31/2024 9:32 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

It's very much like a cult. They have formed entire online social relationships and friend groups around hating me. And so any reason to bring me down is justified. There's no reason or logic behind it. There was once many years ago with stuff like the "This is How You don't play" movement but I've improved so much from how I used to be as a gamer, content creator and person in the last decade that those criticisms don't hold much validity anymore. Now it's just "hurt Phil and his family as much as we can, revel in it, justify the hate with fake morality and repeat daily"

**8/1/2024 12:26 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay so I've got you guys the inside info. Joon the King is dropping the RTU doc on Sunday August 11th UNLESS there is a Youtube monetization issue or something else that prevents it going live. That's a challenge for all of us bc you guys don't stream ON Sunday's and I have a weekly react day for subs. But I'm pretty sure they'd understand my bumping it if it were for a collab react event

**8/1/2024 12:45 AM**

PPP (PoweroftheTruth)

Oh we can easily arrange to stream on august 11th at whatever time is going to work mutually don't worry

**8/1/2024 1:46 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Cool me too, just have to work out the technical stuff so maybe do a test stream beforehand

8/1/2024 10:22 AM

PPP (PoweroftheTruth)

yeah that makes sense

8/2/2024 2:00 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Would you like to do a test where I appear on your show for 1-2 hours during what would usually be my late night stream in the next week? I'd be willing to do that so we can prep for the Reviewtech doc and I would not need to stream or capture my end, I'll just tell my viewers to tune in to your show for that night. I'd just need to know the days you've set for your public shows in the next week so I can shift stuff around

8/2/2024 12:20 PM

PPP (PoweroftheTruth)

That would be really good. We could do Tuesday if that would work for you? If not we should be live Wednesday and Friday as well.

8/2/2024 6:52 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Either Tuesday or Wednesday night is fine for me. So my regular late streams run from around 7:15pm PDT (pacific time) to 9:30-ish. I'd be able to jump on the show for about that time period and join whatever you guys are into, unless you want to schedule specific stuff you think I could add to at that time. I know you do it through Discord, so I guess we have to figure out those details as I've never used it to do video at all before, just text and talk. Likely easy to set up I'd assume!

8/2/2024 7:42 PM

PPP (PoweroftheTruth)

Ok so lets pencil in tuesday night at that time then. Its really easy to set up on discord we'll show you, You can add me on discord I'm ppp7777535 and andy is andywarski on there. We're really looking forward to this!

8/3/2024 12:38 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay let me try, I always fuck up using discord bc I'm dumb and don't use it too often

8/3/2024 12:43 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay sent you both invites I think. Please don't give out my discord as it's how I communicate with the few chat mods I have and they really need their privacy bc of my insane detractors

8/3/2024 3:11 AM

PPP (PoweroftheTruth)

We never EVER would give it out. I just want to say we really appreciate you coming on and giving us this chance we know you are very selective with who you go on with and we don't want to abuse that trust. We're looking forward to a fun stream and building towards future collaboration hopefully our chemistry is all there and people like it. Fuck these detractors btw they just never stop I'm getting a dozen dms a day from them and its all disrespectful and pathetic. They need to grow up and let you live.

8/3/2024 3:16 AM

PPP (PoweroftheTruth)

I also personally want to apologize to you privately for any remarks we made that were offensive to you or your wife. On the show I do alot of performative cruelty because both myself and the audience find that funny. I rarely have any true feeling of malice behind the words and certainly didn't in your instance. I feel bad if it negatively impacted you or your wife. All the best and I appreciate in spite of that you giving us a chance.

8/4/2024 1:43 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Thanks for that. I also think if you actually knew me you wouldn't have said some stuff, you are coming from a place where you have only known me from my detractors. And now that you know my detractors personally you see how they are. They have not only messaged me nonstop but tried to derail my streams too. I don't care, I'm going on your show and we should have a good time for a couple of hours

8/4/2024 7:41 AM

PPP (PoweroftheTruth)

I think the tide is really turning against the detractors. We've been getting lots of positive feedback much more than negative and many people are expressing how unhinged the detractors are.

8/5/2024 12:25 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Looking forward to the show on Tuesday. Hoping there are no tech issues bc I've never used discord for video before

8/10/2024 10:45 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Can you guys maybe get on a call with Me at 5:30pm pdt so we can set up? I've never used discord before for this stuff and I don't want to fuck this all up for us. I understand how hype and important it is and I want to deliver. This would be offline before our stream goes live on my channel

8/10/2024 11:03 PM

PPP (PoweroftheTruth)

Yes absolutely

8/10/2024 11:17 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay great. I tried to do it myself tonight and it did not go well. The video was always choppy and disappeared when I paused it. I'm thinking we might just want Andy to control the call and I'll Screenshot and broadcast it for the stream if that's okay

8/10/2024 11:47 PM

PPP (PoweroftheTruth)

That will work

8/10/2024 11:48 PM

PPP (PoweroftheTruth)

He makes it magic I couldn't figure it out either lol

8/13/2024 2:07 PM

PPP (PoweroftheTruth)

well it was a valiant effort and maybe one day it will happen but for now we'll have to change our plans and try out different stuff.

8/13/2024 2:12 PM

PPP (PoweroftheTruth)

The first thought andy and I had was to do a co-op playthrough of chained together! Its been a long time since you did a co-op stream and its going to be very frustrating for us to play through which means very funny which should translate to high support and engagement. the game is very popular and supports up to 4 players so we have an extra slot and we would be trying to land someone with a good amount of fans to boost the stream to be even bigger. We currently have mutahar penciled in as an ideal 4th and will speak with him later if you approve. If you don't like this idea its totally ok and we can go back to the drawing board.

8/14/2024 1:06 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh cool I've heard a few people talking about this game. I could play it in my new gaming pc and I have a mic for it so we could even have discord going to voice communicate while we play ot together. Sounds fun actually, but how would we do it? We all broadcast our own perspectives live? I'd be down for that and with your awesome viewer base I bet we'd all make out. As for Mutahar, again just like Metokur the only way I know of him is from him shitting on me. I actually think us having a legit convo on your show about stuff (I supposedly banned

him ages ago on my channel and he was pissed about it but I had no idea who he was; he said many times over the years he hated me bc of my grift; and last year he offered me 5k for an interview and I said I'd do it for free but didn't want to talk about private info and drama... and he ghosted me lol!) Would actually be pretty interesting, clear the air and lead us into the game. I think it actually would be pretty awkward to just play the game without speaking first. And I think it may drum up similar hype to Metokur

**8/14/2024 3:33 PM**

PPP (PoweroftheTruth)

Ok so we have confirmed mutahar to do the chained together stream with us. I was unaware of any past drama with him we scheduled him simply because he has the biggest audience of anyone in our rolodex currently. I think it will go smoothly. I think we will all stream our own perspectives. We just need a time from you to tell mutahar and get everything Scheduled.

**8/15/2024 1:39 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh I'm totally okay with playing with Mutahar, I just think it will be a bit awkward to do a co-op Game with him before we've ever spoken outside of Twitter dms. Does he even know that I'll be there too? My viewers know how he blew me off last year so there are going to be lots of questions. To be frank I think I have more to ask him than he has issue with me for the stuff he has apparently said about me lol. I think it would be a golden opportunity to do an appearance on your show before we randomly play this game, but I will also trust your judgement

**8/15/2024 1:40 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Fuck it I'll dm him about it unless you saw to hold off

**8/15/2024 1:43 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Wtf he blocked me, I can't even message him LOL wow

**8/15/2024 1:56 AM**

PPP (PoweroftheTruth)

Yeah he knew you would be there. I will contact him and ask him about this blocking business I think its a holdover from past issues. I thought a game stream would be fun because it would give us something to do as a group other than drama and would provide a group goal that would build excitement in all the different audiences. Also its showcasing what you do more which is just pure gameplay rather than reacts all the time which is what we focus on. If you would rather do a straight up conversation with him I can easily facilitate that don't worry. If you would prefer to just do another stream with us thats perfectly ok or we can seek out another guest just let me know what you prefer.

**8/15/2024 1:58 AM**

PPP (PoweroftheTruth)

I don't really want a big silly confrontation I just wanted a big/interesting name that would boost the profile of a crossover event. We could do a feel out meeting before streaming with him or any other potential guest also

**8/15/2024 2:01 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Well I think the viewers like drama and i think an episode with him on your show would facilitate that similar to the metokur idea. Not saying at all that it would actually be drama, imagine if it's a nice show just like how ours went. That would drive everyone nuts yet again. But it is genuinely confusing to go from him offering me 5k for an interview, ghosting me, blocking me and then wanting to do a co-op playthrough with me lol

**8/15/2024 2:06 AM**

PPP (PoweroftheTruth)

this has all been rather surreal and making no sense from the beginning but somehow its really going over well. I want it to be a very positive outcomes like the last two shows so we can build together towards future collaborations I think a certain amount of friction between you is good for business but obviously certain lines in respect to your family and stuff can't be crossed and we would respect that and intervene during the stream if that happened. I will say though mutahar brings lots and lots of eyeballs to a show.

8/15/2024 2:08 AM

PPP (PoweroftheTruth)

I say we communicate with him a bit more tomorrow and see a bit more of his intentions and then make a decision but we should try and figure out a block of time that makes sense for the next stream we do

8/15/2024 2:10 AM

PPP (PoweroftheTruth)

I do have some other potential guests lined up too

8/15/2024 2:11 AM

PPP (PoweroftheTruth)

Kurt Metzger is available at some point

8/15/2024 2:13 AM

PPP (PoweroftheTruth)

he doesn't know anything about you but hes a popular standup comedian that goes on joe rogan frequently co0hosts jimmy dore and he LOVES our show and has been asking constantly to come on I think something like that could be an interesting opportunity

8/15/2024 2:16 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm agreeable to whatever you guys think is best, no worries that I'll run away or anything, I've been in this game for ages and I'm along for this wild ride along with you guys. I get the joke and want to make it work for both sides

8/15/2024 2:16 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

This is exactly how I got my first break in youtube, dumb luck lol

8/15/2024 2:19 AM

PPP (PoweroftheTruth)

Thanks for trusting us phil I know its not easy with how things are online. Ultimately all of us are so lucky we get to do this for a living even if we have to deal with lots of bullshit from crazy people. I think we're really gonna have a good run as long as we do it right.

8/15/2024 2:24 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I agree. Your glazing of me is really awkward for me bc I've gotten nothing but hate from all but my core fanbase for a decade. It is definitely getting it's intended result, that shock factor is working so I wonder how long we can keep that up. Especially with my own documentary only a week or two away apparently

8/15/2024 2:26 AM

PPP (PoweroftheTruth)

The documentary doesn't matter phil

8/15/2024 2:26 AM

PPP (PoweroftheTruth)

lol

8/15/2024 2:26 AM

PPP (PoweroftheTruth)

you are dsp theres been like twelve docs

8/15/2024 2:27 AM

PPP (PoweroftheTruth)

DSP is never ever going away ever and people need to come to grips with that reality

8/15/2024 2:28 AM

PPP (PoweroftheTruth)

I hope it doesn't worry you because it shouldn't

8/15/2024 2:29 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

This one is 4 hours and we just praised Joon to high heaven. This will have more eyes on it than Dickers. And everyone wants me to answer everything and I still can't. It's a completely fucked situation

8/15/2024 2:29 AM

PPP (PoweroftheTruth)

You don't need to give answers lol

8/15/2024 2:30 AM

PPP (PoweroftheTruth)

this is the millionth time and the answers will be the same

8/15/2024 2:31 AM

PPP (PoweroftheTruth)

no one actually cares and nothing is going to change from yet another phil documentary. trust me

8/15/2024 2:32 AM

PPP (PoweroftheTruth)

andy and I have both had nasty documentaries made against us sometimes by close friends and we always make it bigger in our minds than it ever can be

8/15/2024 2:34 AM

PPP (PoweroftheTruth)

its hard though

8/15/2024 2:42 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

If I can react to this thing fully and get through it and somehow not end up ruining everything bc I can't add anything new to this "finances saga" of the last 5 years, it will be a miracle. But if I do, I'm going to be a changed man bc this will actually finally be the end of it. I want to believe that it will happen but as I've said just this week on my podcast, I'm all tucked up from a year of pain and I'm ready for the worst. Whenever something good happens, it's usually taken away from me and that's why the worry won't go away. I know you guys aren't really my friends but your luck in stumbling into me and thus working like it has is the best thing I've had for my work in decade. I'm so lucky to have my wife Kat as well, but we both sit here wondering of things will ever change for the better. Once this doc is over with, if I survive it, then I think we can finally move to the next chapter. And also if Trump gets elected and interest rates drop and we can actually have money again LOL

8/15/2024 2:49 AM

PPP (PoweroftheTruth)

also I think he's sympathetic to you and you'll be surprised how many W's he gives you. You will be vindicated on SOK and the bank hacks at minimum and theres a possibility for you to be presented much more positively than in any past doc. I may not be a friend like in real life but I genuinely do want to see things change for the better for you and I do very much respect all the work you put in at the beginning when you had no production values and still made great content from nothing. You always survive phil even your biggest haters grant you that. You will always have people supporting you no matter what. Don't stress you have such good opportunities going forward you just haven't accepted it yet.

8/15/2024 2:53 AM

PPP (PoweroftheTruth)

also you know you don't actually have to react to it nobody can force you to do that or anything else. Do your fans even want you subjected to that? or is it just haters? I mean it'll be good content. But you're just gonna be repeating yourself from the last million times you addressed all this shit.

8/15/2024 9:49 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Nah it's got to be done. As I've already said, we all put ourselves out there and have our times in front of the firing line. I mean I never actually intended to do this for a living (which will likely be covered in the doc) but when you are a public figure you are subject to scrutiny. For

me to ignore it would be pretty petty after I just reacted to RTUs doc. So I will man up and do it and hope for the best

**8/15/2024 11:37 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so I just realized I never gave you times I'm available, sorry about that! So I can do either Tuesday or Wednesday night just like we did when I appeared on your show, 2.5 to 3 hours during the time I would usually do my late stream. HOWEVER, I just spoke with Joon today and he said he cannot make any promises but there actually is a chance my documentary will drop sometime next week. If that happens I cannot imagine anyone wanting anything but my reacting to it, so that could throw a monkey wrench into our plans. I'm down for either the gameplay or an appearance on your show, whichever works better for you

**8/16/2024 12:12 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Also after we do a bunch more content together, just an idea, but how about we actually do a special event where we go after my trolls? Doody, memeology, Kevin etc are the ones we're farming for seething now but the ultimate payoff would be felting them one by one down the road. No doxxing like Rich tried, but instead just exposing them all. I have literally not watched any of their content so I again would be a straight man with honest reactions to all of it just like with Rich

**8/16/2024 12:29 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Man I'm watching back your last show. We have to do a show where we all react to lol cow live bc I have so much to say that would burn the fuck out of them haha

**8/16/2024 1:20 AM**

PPP (PoweroftheTruth)

Yeah I like the idea of a detractor special somewhere down the line. I have never seen most of them either so I'll have to take a look and put some stuff together. A lolcow live react the next time they mess up (which is often) is a must. I think we will target Tuesday of next week in the night block if that makes sense for you to do this next appearance with us.

**8/16/2024 1:20 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh shit, I need to apologize. I guess I blocked mutahar at some point, I don't even remember doing that so this is 100% my fault and I'm really sorry for making it sound like he blocked me

**8/16/2024 1:21 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I just unblocked him and I'm actually going to apologize to him bc that's pretty messed up

**8/16/2024 1:22 AM**

PPP (PoweroftheTruth)

😞 oh well

**8/16/2024 1:23 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Tuesday is cool as long as Joon doesn't drop my documentary. I don't think he will that early, so close to RTU

**8/16/2024 1:23 AM**

PPP (PoweroftheTruth)

I think he'll wait till the weekend

**8/16/2024 1:23 AM**

PPP (PoweroftheTruth)

if he drops it we will just have to delay

**8/16/2024 1:25 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I can't believe this lolcow live shit. This is legit the first time I've seen their show. Boogie picking up trash in a totally staged segment. I want to roast them so fucking bad but that I'd exactly what they want me to do so it's like, do you do it just for your own content and benefit knowing well they also will benefit from it?

8/16/2024 1:29 AM

PPP (PoweroftheTruth)

Well I have the same problem covering them but I just desire to shit on them so badly that I do it alot of the time anyways

8/16/2024 1:32 AM

PPP (PoweroftheTruth)

The truth is they are doomed to fail no matter what because the business they run is self sabotaging and defeating so I don't feel bad giving them a bit of exposure

8/16/2024 1:34 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I admit I am seething hearing the viewer numbers they pull in. 20k live viewers monetized is a lot of cash on youtube and I can't understand it

8/16/2024 1:36 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Also I just apologized to Mutahar, I hope he accepts

8/16/2024 1:44 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh so how are you guys planning to cover my doc? Will.yku watch it raw or watch my reactions etc? I know you will be watching it one way or another. I plan on reacting to it nightly after it drops, so 2 hour or so chunks every day until I get through it. It's over 4 hours long so it may take me a week lol

8/16/2024 2:11 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Holy fuck he responded and this was not what I was expecting at all. Wtf is going on lol

8/16/2024 12:32 PM

PPP (PoweroftheTruth)

Im not going to react to your doc was the plan lol

8/16/2024 12:32 PM

PPP (PoweroftheTruth)

whats mutahar saying lol?

8/16/2024 12:34 PM

PPP (PoweroftheTruth)

If I was to react to it which is not the plan it would have to be with your added context but again I have zero desire to watch anything thats going to be negative on the show especially right now

8/16/2024 12:58 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

He was incredibly gracious and apologized TO ME. I just talked about it on my podcast. The most insanely out of left field thing I ever thought would happen

8/16/2024 1:05 PM

PPP (PoweroftheTruth)

AWESOME! what a great opportunity we have tuesday! I'm telling you the tides are changing and things are opening up again!

8/16/2024 6:24 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah I certainly never expected him to do a 180 on his attitude towards me, but here we are

8/17/2024 1:52 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Laughed my ass off at your segment abkut me tonight. Today I also talked about Mutahar in full which blows my mind, and you want to watch the end of my final stream today after putting up the soundproofing. I haven't clipped it yet but I again absolutely leaned into stuff and destroyed both rich and the detractors

I am now at 2:31:00 and I felt everyone. Yes you hVe rubbed off on me and I love it. I'm back and I'm not afraid to just be myself, although I can't say the shit i used to lol

8/17/2024 2:03 AM

PPP (PoweroftheTruth)

I've watched this video with you speaking about mutahar and its hard not to be emotionally moved by how happy you are regarding getting positivity for the first time in so long. Incredible optics to normal people you do absolutely come across as sympathetic and likeable. The goal really at this point is to get you in front of a more normal audience that will have less preconceived ideas. To that sort of audience you will win new fans and the number of them will be overwhelming compared to the small dying detractor community. They honestly are nothing compared to the broader web which is massive.

8/17/2024 2:05 AM

PPP (PoweroftheTruth)

99% of these people will have either not seen you before or only through a detractors clip they can see that its just harmless fun

8/17/2024 2:05 AM

PPP (PoweroftheTruth)

firsthand

8/17/2024 2:06 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I am down for this and along for the ride sir

8/17/2024 2:08 AM

PPP (PoweroftheTruth)

You're doing incredible from that time stamp phil you really are such a legend when you let yourself go wild and have fun. Its such a shame people have been such hyper analytical and demented for so long that it suppresses that. Its bullshit

8/17/2024 2:08 AM

PPP (PoweroftheTruth)

you make great content

8/17/2024 2:08 AM

PPP (PoweroftheTruth)

theres a reason you've been around so long

PPP (PoweroftheTruth)

and there was good support from that too!

8/17/2024 2:08 AM

PPP (PoweroftheTruth)

hitting the goals!

8/17/2024 2:10 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol you ate actually watching. I felted the fuck out of my detractors at the end. It's been a long time since I've had the ability to really do that with public opinion so against me

8/17/2024 2:12 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm excited for whatever we do on Tuesday man

8/17/2024 2:14 AM

PPP (PoweroftheTruth)

the detractors are so small they're just really rabid and because of that they seem bigger than they are. I'm really excited for tuesday too. I think its the biggest show we'll have ever really done and as long as mutahar stays respectful and we keep the stream light and fun we will have massive windfalls awaiting us all.

8/17/2024 2:18 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Will it be a normal Kino Casino or the game play we talked about?

8/17/2024 2:20 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Even if Mutahar gets nasty I'm not afraid of him man. It will not go well for him bc I'm not playing around anymore with people being unfair to me. But considering he literally apologized I don't think he'd snake me bc that would be horrible optics for him right now

8/17/2024 2:32 AM

PPP (PoweroftheTruth)

I think its gotta be the gameplay. It makes muta look bad if he wrecks a gaming session. A straight interview theres more of an expectation of blood. I think you can handle the situation as well and we can moderate very effectively.

8/17/2024 2:34 AM

PPP (PoweroftheTruth)

I think we use it to market what DSP does and I don't feel much pressure because just the 4 of us interacting will get people marking out

8/17/2024 2:38 AM

PPP (PoweroftheTruth)

also I just want to say I think everyones fondest gaming memories are from a social setting. A co-op setting with friends on the couch or in the arcade. There is a special power to that a really empathetic and human power that viewers can relate to. They can insert as one of the guys.

8/17/2024 2:42 AM

PPP (PoweroftheTruth)

if the gameplay isn't fun we just talk and I'll prep a series of traditional backup segements as a failsafe too

8/17/2024 9:34 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Sounds good to me. I can talk with my audience about the game and try to figure out logistics, for example if it has in-game chat or if we will need to hop on Discord to communicate etc. Hopefully its as funny as it looks

8/18/2024 8:21 PM

PPP (PoweroftheTruth)

These streams recently have been HUGE WINS

8/18/2024 8:21 PM

PPP (PoweroftheTruth)

you're killing it phil!

8/19/2024 12:38 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Thanks so much man. Never expected this but as you see I'm here for it fully!

8/19/2024 12:40 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

In regards to Tuesday, are we good for the chained together co-op? My fans have told me we'd need to set up a Discord voice call to communicate but that should be incredibly easy, my new PC is set up for it. The real annoyance is we will likely need to give each other our Steam friend codes so we can all invite each other and join our friends lists, so we can properly set up the lobby in the game. I will send you my friend code here tomorrow so we can hopefully prep a bit before the actual event. Or if I'll just be appearing on your show I'm good with that too

8/19/2024 1:06 AM

PPP (PoweroftheTruth)

we're still good to go for the co-op we will prep a bit with andy tomorrow and make sure it works. Do you have a time block where we could do it?

8/19/2024 1:15 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

My late stream block which is exactly the same times as my appearance on your show. Roughly 6:45pm pdt to around 9:45pm pdt give or take

8/19/2024 1:16 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Also who is our 4th?

8/19/2024 1:26 AM

PPP (PoweroftheTruth)

the 4th is mutahar

8/19/2024 1:26 AM

PPP (PoweroftheTruth)

ok that time will work

8/19/2024 1:28 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Nice it's gonna be very hype, I'll officially announce it on my podcast. Now hopefully the game is good

8/19/2024 11:09 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay my Steam friend code is 9357348 if you guys want to add me, just looked it up

8/19/2024 1:34 PM

Oh okay ill try to clear it out tonight, I think idiots spammed my inbox

8/19/2024 4:25 PM

I'll send you an invite as well

8/19/2024 9:08 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Fyi I just sent you an invite and everyone else should be able to as well, as I emptied the queue

8/19/2024 10:17 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

oh so I actually just tried Chained Together, a few things. first controllers dont work with it in menus, but do once you start the game. Don't freak out like I did haha. Also the game is password based, so I dont even think we need to be on each others friends lists. All we need to do is have one of us make a lobby, put a password on it, then drop that password in our discord (and dont share it publicly) and then we can all join and play

8/20/2024 12:53 AM

PPP (PoweroftheTruth)

Ah ok thanks for the advice I tested it with keyboard and mouse but definitely would prefer to use the controller! It's looking like we should have a fun session tomorrow!

8/20/2024 12:58 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

It should be, the game reminds me a ton of Getting Over It only it's full 3d and co-op and in Hell. We are going to fall every 10 seconds haha

8/20/2024 2:55 PM

PPP (PoweroftheTruth)

OK really bad news. Mutahar is unable to make it tonight. This leaves us with only a few options and none of them ideal. One We can try to reschedule with him but it'll have to be before the end of the month because of the joon doc and also we are going on vacation the first two weeks of september. Two we can go ahead with the stream with just us 3 tonight although that will have alot less hype. Three we can try and get another guest last minute but options are very limited at this point.

8/20/2024 2:55 PM

PPP (PoweroftheTruth)

I'm so sorry

8/20/2024 2:56 PM

PPP (PoweroftheTruth)

I'm just devastated

8/20/2024 3:02 PM

PPP (PoweroftheTruth)

good news is you smashed it in support again today!

8/20/2024 3:22 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Well my night is free to do whatever so if a 4th makes sense cool, if not then whatever is fine. We can play or just chill on your show, it's all good

8/20/2024 3:28 PM

PPP (PoweroftheTruth)

I apologize once again. I will try talk to andy and we'll figure out what is best.

8/20/2024 3:28 PM

PPP (PoweroftheTruth)

thanks for being so understanding

8/20/2024 3:29 PM

PPP (PoweroftheTruth)

it was such a big show for us

8/20/2024 3:31 PM

PPP (PoweroftheTruth)

I'm just devastated

8/20/2024 4:21 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay so I'm going to tell my audience that I am going to stream tonight no matter what. If you decided to still do the co-op great, if not I'll just fall back on more Black Myth Wukong which came out today and I'm sure nobody will complain. If that's the case we can reschedule for whatever we choose to do next so let me know!

8/20/2024 4:32 PM

PPP (PoweroftheTruth)

OK!

8/20/2024 4:32 PM

PPP (PoweroftheTruth)

I think we're still doing it just need to hear back from andy

8/20/2024 4:39 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

okay im down for that

8/20/2024 5:43 PM

PPP (PoweroftheTruth)

Are you ok just doing wukong? I feel really bad but I think we needed muta or a high profile guest to take it to the next level and I couldn't secure them. I'm so sorry.

8/20/2024 6:04 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

That's fine. Not a problem at all. I totally get it man.

8/20/2024 6:06 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm down to come on your show as a guest again soon if you'd like. Let me know

8/20/2024 11:22 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so I hope everything is okay and it's not anything that I've said or done that caused stuff to fall apart today. Undoubtedly people will be asking me if we are still cool and I'm totally good on my side. Also surprised you guys didn't stream today!

8/21/2024 4:38 AM

PPP (PoweroftheTruth)

It's certainly not your fault phil. We are obviously still cool and will work together in the future. I think honestly muta might be spooked by how unhinged the detractors are because they came after him incredibly aggressively. Not sure though he may just have had an issue with his family for real that he couldn't delay. We were just incredibly demoralized at losing such a big guest and letting you down. We really wanted that for you. Now it puts into question if we can deliver good guests for you. Just very disappointing. We are going to try to rebook it as soon as possible with muta and if he's actually too afraid there is the show with josh moon which is certainly the most surreal show imaginable. I talked to him for 3 hours yesterday once muta cancelled and he really doesn't like your detractors and feels they shit up his website. He is a very non-confrontational guy so you can probably steamroll him if you started arguing. Doing that show doesn't really give you the mainstream boost that muta does. But it does give you if you come across cool and you have fun on the stream a big boost with the people who can make the most difference against your detractors. If the detractors become persona

non grata in the eyes of kiwi farms they are dealt a massive blow. The seethe from them if you and josh get along could really lead to the deletion of the entire dsp subforum. Because they already piss josh off to no end and he views them as being jealous of you. So if they go after him for being nice to you it might be the last straw. Regardless muta remains our first choice and we've reached out to him again today to rebook. Sorry to let you down.

**8/21/2024 4:49 AM**

PPP (PoweroftheTruth)

I also want to say that as strange as this sounds Josh views himself as one of your biggest defenders.

**8/21/2024 9:09 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay thanks for the update. I would not be surprised at all if Muta backed out bc of fear of my detractors. I'm getting threats from them daily, of course all empty as he'll but they are definitely coming in and increasing in frequency. This is also not the first time I have lost out on a major collab opportunity because of them

**8/21/2024 9:11 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

As for Josh Moon I think it's not as everyone suspects. I don't want to destroy the guy like I've been doing my detractors in an argument. I want to make him see reason and at least admit some responsibility for things that have happened as a result of his website. It would be far more civil than people are thinking but if it resulted in the closing of my subforum it could make big news across the web as that would be the first time anything like that happened. So that's why I think there's big potential

**8/21/2024 11:15 AM**

PPP (PoweroftheTruth)

I think there is big potential to that. I have managed to schedule Josh to play chained together and talk for Saturday at 4PM EST if that could potentially work for you? If not I can present him a counter time that would work for you better? Mutahar has now gone radio silent with us in regards to scheduling which I think is very unprofessional but there might be a good reason for it. Anyways let me know what you think.

**8/21/2024 11:28 AM**

PPP (PoweroftheTruth)

It would be a two hour time commitment

**8/21/2024 1:22 PM**

PPP (PoweroftheTruth)

TEN STRAIGHT STREAMS

**8/22/2024 1:24 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so I was just talking with Andy about a bunch of stuff. Shit is just crazy man. Mutahar deleted his Twitter wtf

**8/22/2024 1:26 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

We should talk about Josh Moon. It's a bit more serious than us just jumping into a co-op together. That's why I want to have the real conversation with him first

**8/22/2024 1:28 AM**

PPP (PoweroftheTruth)

Do You think an interview publicly is appropriate or do you want to talk to him privately. I can answer any questions you have about the situation.

**8/22/2024 1:28 AM**

PPP (PoweroftheTruth)

Yeah muta deleted his Twitter

**8/22/2024 1:28 AM**

PPP (PoweroftheTruth)

i have no idea wtf is going on with him

8/22/2024 1:28 AM

PPP (PoweroftheTruth)

he must have something serious going on

8/22/2024 1:34 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I really hope it's something on his end and not my detractors. Can you imagine the blowback on us if someone doxxed his family and he ran away bc of it. But that's just paranoia talking bc I've already been through insane shit like that with them

8/22/2024 1:38 AM

PPP (PoweroftheTruth)

Its just so strange

8/22/2024 1:39 AM

PPP (PoweroftheTruth)

If the detractors did do that you wouldn't face blowback you would be vindicated

8/22/2024 1:40 AM

PPP (PoweroftheTruth)

because the detractors would have revealed what they are on the biggest stage possible

8/22/2024 1:44 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I guess that's true. And all bc we apologized to each other and we're going to do a collab. I still have his dms to prove the convo happened if needed

8/22/2024 1:47 AM

PPP (PoweroftheTruth)

I'm sure it doesn't actually have anything to do with us but its so suspicious

8/22/2024 1:47 AM

PPP (PoweroftheTruth)

the timing of everything

8/22/2024 1:48 AM

PPP (PoweroftheTruth)

He clearly wasn't telling us the full truth last night but it could be his own private business

8/22/2024 1:49 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

It's just very unfortunate for us to have to be asked a million times when we know nothing at all

8/22/2024 1:49 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

But now let's talk about Josh Moon since that's more pertinent

8/22/2024 1:51 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I don't think a private interview is even worth anything. It has to be in public bc otherwise it just becomes hearsay and anyone can make shit up. In public nobody can lie about what they said

8/22/2024 1:54 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I know you want to just jump into this co-op playthrough but I'm not comfortable with that. Not when myself, my wife, our family members, my neighbors, my viewers, my mods and more were all doxxed on his site. And that's not even the worst of it. He needs to answer and be held accountable. I'm not unhinged like Nick Rekieta, I just want to talk with the man about all this and see where it goes

8/22/2024 1:56 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I promise you this will not be a personal vendetta. I want to really get to the bottom of all of it from the mouth of the man who owns this website and keeps it going

8/22/2024 1:58 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

You can spin it however you want to build hype but I feel this is my only chance to actually let the world know how it feels to be in my shoes for the last decade. It's redemption for both myself and Josh in a way. And I will start it all off by asking him his favorite flavor of ice cream to piss everyone off again lol

8/22/2024 9:19 AM

PPP (PoweroftheTruth)

Ok we can absolutely do it that way

8/22/2024 9:19 AM

PPP (PoweroftheTruth)

it will be very exciting for the audience as well

8/22/2024 9:22 AM

PPP (PoweroftheTruth)

I've confronted him about this stuff too both publicly and privately and What he's going to say just to let you know is going to be something to the effect of "I run a website dedicated to freedom of speech I allow people to say whatever they want as long as its not illegal under section 238 I am not liable for anything they say"

8/22/2024 9:24 AM

PPP (PoweroftheTruth)

He's also going to say that he can't quit the site no matter what. He's told me years ago that he wishes he could stop but the people on the site basically hold him hostage to keep running it or they will destroy him and because he's known for running it he can never get a normal job. He's expressed many times how miserable he is to be running it but that he has no other option and that he hates many of the users. Specifically the wings of redemption and DSP users.

8/22/2024 9:25 AM

PPP (PoweroftheTruth)

he is also going to say that if the site closed someone else would just open an alternative that did the exact same thing

8/22/2024 9:25 AM

PPP (PoweroftheTruth)

so be prepared for those arguments

8/22/2024 9:29 AM

PPP (PoweroftheTruth)

Keep in mind also he started the website the day he turned 18 and he's now 31

8/22/2024 9:31 AM

PPP (PoweroftheTruth)

But yeah I think you are right that there needs to be some level of confrontation on it because its a big elephant in the room and that's really why he's the guest in the first place

8/22/2024 9:32 AM

PPP (PoweroftheTruth)

also my entire family is doxed on there as well as my old address and andys entire family and adresses as well

8/22/2024 9:59 AM

PPP (PoweroftheTruth)

Keem has apologized to you lol

8/22/2024 10:00 AM

PPP (PoweroftheTruth)

Its still pretty disingenuous but he knows he is taking big Ls with your success lately

8/22/2024 10:49 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

LOL I will watch this later today. It's my day off so I try to stay away from work stuff but this I have to see

8/22/2024 11:05 AM

PPP (PoweroftheTruth)

Congratulations on your many victories your majesty! Soon every knee will bend to the king!

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so how will we proceed with Josh Moon? Will I be on your show along with him on Saturday night for us to talk it out, or does that have to be rescheduled since it's no longer gameplay? Just wondering what to tell my viewers tomorrow

8/22/2024 5:18 PM

PPP (PoweroftheTruth)

Yeah it'll the same date and time

8/22/2024 5:18 PM

PPP (PoweroftheTruth)

be

8/22/2024 5:30 PM

PPP (PoweroftheTruth)

Josh needs to go earlier in the day because he's in europe so I proposed the 4pm slot

8/22/2024 7:07 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh crap I'm just now seeing the time

8/22/2024 7:10 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Sadly I don't think Saturday would work. But I could probably do that timeslot (which is 1pm for me so I could jump on after my podcast ends) either Monday, Tuesday or Wednesday of this week. Of course, if my doc drops from Joon then all this could be thrown for a loop. I haven't heard an update from him in a week

8/22/2024 7:19 PM

PPP (PoweroftheTruth)

is there a time on sturday that will work

8/22/2024 7:20 PM

PPP (PoweroftheTruth)

I can see the latest he can go

8/22/2024 7:23 PM

PPP (PoweroftheTruth)

he can do 6pm est

**8/22/2024 8:36 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

No I will be honest with you. I want to do it when my wife isn't home bc she has been treated incredibly awfully by Kiwifarms, I mean they actually contacted her family and extended family members who she disowned and has had nothing to do with in over a decade. One of which has tried to harass us time and again as a result. She's also had very messed up personal shit from her past brought up on there. It has literally been traumatizing to her (nobody knows this bc I do not talk about it publicly on my streams). She will not want to be here when I'm trying to have a reasonable conversation with Josh, and she's working daytime Monday through Thursday. Hence my day streams on those days (Noonish to 4pm pacific time) would work perfectly. I had forgotten that her work schedule changed this week, and she's going to be home all day Saturday and Sunday. Sorry for being difficult about this, I know this week has sucked and been stressful enough as it is with Muta canceling

**8/22/2024 10:34 PM**

PPP (PoweroftheTruth)

I absolutely understand. Its a big gesture on your part to even consider this stream! I have asked him to move the stream to Monday afternoon if possible. I think no matter what though we should do gameplay together Saturday Night in your evening slot just so that the fans who were excited for it end up getting SOMETHING at that time because having muta cancel was so disappointing already. I think if Josh wants to do monday we double up before the joon doc hits and then we're gonna be gone the first two weeks of September anyway so we'll be able to make the viewers miss us collaborating together a bit and then demand should be back towards Halloween season we could have a very profitable crossover!

**8/22/2024 10:53 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I fully understand that gaming with this guy would be profitable but I am not comfortable with it until we have the talk first. It would be incredibly hypocritical of me to play games for profit with Josh when I have been publicly, very verbally opposed to Kiwifarms for many years. My fans would be outright confused. With Mutahar we had just had a real convo and apologized to each other so it made sense. This really does not at least in this order. I mean it could turn out that we actually talk it out and have a meet-in-the-middle standpoint and then we can do the co-op before you guys go on your vacation

**8/22/2024 10:55 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

If you mean just us (you, Andy and me) playing on Saturday, I'm totally cool with that

**8/22/2024 11:10 PM**

PPP (PoweroftheTruth)

No with just us

**8/22/2024 11:11 PM**

PPP (PoweroftheTruth)

sorry that wasn't communicated

**8/22/2024 11:11 PM**

PPP (PoweroftheTruth)

It will go exactly as you laid out if the josh thing is to happen later

**8/22/2024 11:32 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay that's great then, the game looks like a lot of stupid fun lol. So you want to play Saturday? Could it be my late stream as we had originally planned with Mutahar? If so that would be perfect and I can hype it up tomorrow

**8/22/2024 11:36 PM**

PPP (PoweroftheTruth)

Yes thats what I attempted to communicate that we would do the late stream together on Saturday. Sorry my communication was unclear. I think it will be alot of fun and very chill although frustrating! We should get some good angry reactions! Good test of concept to see if people like our chemistry together for gameplay as well.

8/22/2024 11:49 PM

PPP (PoweroftheTruth)

its tough trying to communicate and arrange stuff with people through text man so much gets lost and ping ponged back and forth lmao

8/22/2024 11:50 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol no worries at all. I think by this point you can tell I'm a way more easygoing guy than I've been portrayed. I think the gameplay will work out well for both sides. You will also be streaming your perspective on Kick correct? If so I'll definitely cross promote so we may have people jumping back and forth

8/23/2024 12:16 AM

PPP (PoweroftheTruth)

Yep we'll both stream it and all we have to do is hop in a discord call

8/23/2024 12:26 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Then we are good to go. Let's start around 7pm my time, 10pm your time and play for like 2-2.5 hours but also we'll just chat about anything and have a good time. I am totally on board for this and now looking forward to it

8/23/2024 12:27 AM

PPP (PoweroftheTruth)

ok cool

8/23/2024 12:38 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

You guys are awesome. Not sure how much you realize this but my life may actually improve so much because you gave me a fair chance. That's good Karma man. Also I will agree to talk with you in the future about anything and we can work it out to benefit the both sides. You are the first guys with any level of intelligence I've dealt with in about a decade and boom, instant success right? Everyone else was just too stupid lol

8/23/2024 2:35 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

You should also definitely watch my podcast this morning. Some big stuff is about to happen lol

8/23/2024 4:45 AM

PPP (PoweroftheTruth)

Im really glad to hear things are going better! I hope things get much much better for you and all the detractors are humiliated utterly! Im tuning in for the podcast today it's absolutely appointment viewing! Keemstar kissing the kings ring!?! What will the king say?!?! The anticipation!

8/23/2024 4:45 AM

PPP (PoweroftheTruth)

Unfortunately alot of people online lack common sense on how to be respectful and do business

8/23/2024 4:46 AM

PPP (PoweroftheTruth)

I try to take this seriously because the \$ is serious in this business and its such a great opportunity

8/23/2024 4:47 AM

PPP (PoweroftheTruth)

Btw Phil, Josh has agreed to do Monday afternoon at either 1pm or 3pm your time. In the format you have requested.

8/23/2024 9:08 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

1pm is perfect, I can finish my podcast and then end my broadcast and jump onto your show for the afternoon

8/23/2024 9:12 AM

PPP (PoweroftheTruth)

perfect

8/23/2024 9:12 AM

PPP (PoweroftheTruth)

its booked

8/23/2024 9:26 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay, this is going to be an awesome week!

8/23/2024 4:18 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

hey FYI I do not take down any content anywhere. that is someone who impersonates me and sadly Twitter is dumb as shit and just blanket grants it. i dont even get notified about it and im not in the loop, its completely falsified info

8/23/2024 4:29 PM

PPP (PoweroftheTruth)

Yeah I figured as much from the beginning! I appreciate the confirmation though!

8/24/2024 2:26 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I am playing Keem so hard, wait until you see where this goes lol

8/24/2024 7:17 AM

PPP (PoweroftheTruth)

God bless you king!

8/24/2024 7:17 AM

PPP (PoweroftheTruth)

fuck keem man

8/24/2024 7:18 AM

PPP (PoweroftheTruth)

I honestly thought for just a little bit after his "apology" that maybe something fun could happen with him but he's truly just a piece of shit

8/24/2024 9:32 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah I saw your show from last night, I had zero idea he did a "drunk stream" and all that. And the Wings thing is just super sad. It looks like he legitimately wants to come on my show to just have a civil conversation. Can you imagine him "lowering himself" to level 1 to get to talk to me LOL. I'm likely going to do it to make him think we're cool but we know how he is, it will never last. So this is the first step towards a long game for sure. Of course please don't tell the public about this

8/24/2024 9:32 AM

PPP (PoweroftheTruth)

oh 100%

8/24/2024 1:18 PM

PPP (PoweroftheTruth)

phil just to confirm again we scheduled the josh thing for monday at 1pm your rime right? Because I heard you on the podcast announce it as tuesday?

8/24/2024 1:20 PM

PPP (PoweroftheTruth)

time\*

**8/24/2024 2:04 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

No it's Monday, maybe I misspoke. Monday at 1pm pacific time, I'll end my podcast and jump on your show

**8/24/2024 2:08 PM**

PPP (PoweroftheTruth)

ok awesome

**8/24/2024 9:27 PM**

PPP (PoweroftheTruth)

that was really fun! hope you enjoyed it and I hope support was good!

**8/25/2024 12:28 AM**

PPP (PoweroftheTruth)

I'm sorry the support wasn't that strong.

**8/25/2024 12:50 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

LOL.what, it was great man

**8/25/2024 12:51 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm doing like 40 things at once, you have no idea how chaotic my life is now so apologies I didn't respond to you sooner man

**8/25/2024 12:51 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Loved the stream and gameplay and everything, this is all still so nuts for me and you guys are awesome as always

**8/25/2024 12:54 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm literally still working, my wife is asleep next to me and I'm watching and titling vids and posting. It's the life I live haha, no worries at all about tonight it went incredibly well. Already have 3 funny as hell clips lined up from the stream (all of which I just made myself) and I'll be praising the crap out of it. Onward and upward for both of us!

**8/25/2024 12:59 AM**

PPP (PoweroftheTruth)

I just wish we could have got you between \$500 and \$1000 in tips but it was short and it was gameplay. Drama and reacts sadly pay more. But it was really fun and we can't wait to do more with you!

**8/25/2024 1:22 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol dude did you guys even come close to that? I'm not expecting anything like that ever. My biggest time in my entire 16 years was like \$2000, I am not a big earner and I don't get sad or disappointed if I don't make huge bank. I am a long term thinker and we are building something that is going to benefit all of us. I'm doing very well right now compared to how I used to do so you don't have to worry man, as long as I keep this "kings streak" up this is going to be a great ride. And even if it the streak ends, you've made a friend in me, this isn't just about money

**8/25/2024 1:25 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

We are also going to do more drama and reacting together, I think that's a given, we just need to space it out so it's not always kiss that. I think my streak will actually end on Monday bc I'm just doing my usual podcast before my appearance on your show with Josh so it's very unlikely I'd hit it. If the Josh shows goes well, I actually expect it to blow up more afterward with a reset and THEN I have Keem in a very unfamiliar environment on Wenesday. This week is nuts

8/25/2024 1:33 AM

PPP (PoweroftheTruth)

Well we've been regularly doing between 300-500 gifted subs at \$5 each show we've been live for the last 5 months plus superchats and adsense plus our subscription paywall. You're right though we have to do a variety and space them out too. There no way the streak can end monday and it won't. I'm already thinking about Halloween though and all sorts of horror co-ops we could do! I think the josh and keem things will be really good for drawing interest and potential new viewers. I think you setup real good to go on a nice long streak.

8/25/2024 1:33 AM

PPP (PoweroftheTruth)

you're setup

8/25/2024 1:33 AM

PPP (PoweroftheTruth)

\*

8/25/2024 1:38 AM

PPP (PoweroftheTruth)

I gotta say we really appreciate you working with us too you are alot of fun!

8/25/2024 2:20 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

This is all super fun for me too. I just hope I can keep up as doing everything myself.on my end is a lot of work. My streak will end on Monday during my podcast bit I think after the Josh Moon show I will be pretty strong, and after Keem who knows lol

8/26/2024 10:12 AM

PPP (PoweroftheTruth)

Keemstar is debating doody live and just FELTING him!

8/26/2024 10:13 AM

PPP (PoweroftheTruth)

Doody is in violation of the partner program!!!!

8/26/2024 10:14 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

oh shit

8/26/2024 10:16 AM

PPP (PoweroftheTruth)

keem is getting youtube to do a full review of his channel

8/26/2024 10:16 AM

PPP (PoweroftheTruth)

LMAO

8/26/2024 10:39 AM

PPP (PoweroftheTruth)

them banning you and refusing to acknowledge what you said because it btfos doody is BEYOND

8/26/2024 10:42 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah im perm timed out or something f

8/26/2024 10:48 AM

PPP (PoweroftheTruth)

its very sad

8/26/2024 10:48 AM

PPP (PoweroftheTruth)

its a HUGE doody L

8/26/2024 4:36 PM

PPP (PoweroftheTruth)

I think that went about as well as it could have gone realistically. I think you made some really good points about kiwi farms and josh but unfortunately he just wasn't having it but maybe he'll reflect on what you said. When it comes to derich we had no choice. I saw the evidence yesterday and it was bad. I appreciate you making the right call on this and I think it will pay dividends. Hopefully all the wwe champions stuff can be moved on from too because its retarded.

8/26/2024 4:36 PM

PPP (PoweroftheTruth)

Hope to work with you again once we get off break! Love you man!

8/26/2024 5:05 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I banned Derich live on my stream. It's sad man. I don't want to believe this stuff but I do believe you and it had to be done

8/26/2024 5:07 PM

PPP (PoweroftheTruth)

It was really the only thing I thought the detractors had right. Other than that they can pound fucking sand. But of course as you said the goal post shifting had already begun. They can never give you proper credit for anything. But thats to be expected.

8/26/2024 5:08 PM

PPP (PoweroftheTruth)

I really think its the right move though

8/26/2024 5:17 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh I'm absolutely sure they are going to move on to something else now

8/26/2024 9:15 PM

PPP (PoweroftheTruth)

Im really sorry if in anyway you felt disrespected or that there was anything unfair we did. Its hard balancing a conversation like that with all the different interests yours me and andys josh and the audience all want to get different things out of it and its hard to please everyone. I just am trying to do what I hope is best for everybody. I think you're gonna have such a avalanche of support and people are seriously going to reevaluate you. To normal people tonight I think you come off really sympathetic in the points you made to josh. Only hardened internet trolls can have much sympathy with his points at the end of the day.

8/26/2024 10:21 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

oh i think it went great. i really find it hard to believe anything in that interview will hurt me

8/26/2024 10:21 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

you asked good questions without attacking and accepted the answers. and i assume tomorrow you're not doing a special show to accept over \$3k in donos from my detractors like the Sidescrollers did lol

8/27/2024 1:32 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh for the record. I would love to be back on your show even on your big return show and watch your travel vlogs together or whatever. I bet people would love that. But I'm not imposing or whatever, let me know when you'd like to have me back and I'm cool with it. Maybe even make it a surprise

8/27/2024 10:37 PM

PPP (PoweroftheTruth)

We will definitely get you back on! Im sorry I haven't had much time to message you I just don't have much time as Im preparing to move and redesign my office at the new house plus Im going on a trip once I finish moving. I think you are going in the right direction all the wwe champions stuff and streaming it I think definitely takes the bite out of the detractors attacks about it. I think also the keemstar thing should go smoothly as he is desperate to impress you.

That should give you a good bump as well. Honestly the documentary isn't going to do shit because you have corrected/owned up to everything that it could criticize honestly. I think it really should have an extra chapter that lays out this resurgence you've had but thats just me.

8/28/2024 6:00 AM

PPP (PoweroftheTruth)

Tough news for doody btw phil

8/28/2024 6:00 AM

PPP (PoweroftheTruth)

he lost his monetization!

8/28/2024 6:00 AM

PPP (PoweroftheTruth)

lmao

8/28/2024 6:09 AM

PPP (PoweroftheTruth)

Keemstar dmd me to let me know

8/28/2024 6:09 AM

PPP (PoweroftheTruth)

I wouldn't say anything publicly until either doody or keem do

8/28/2024 6:13 AM

PPP (PoweroftheTruth)

It looks like doody already has

8/28/2024 5:01 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

What a day lol

8/28/2024 6:44 PM

PPP (PoweroftheTruth)

HUGE day!!! BIG W!

8/28/2024 10:00 PM

PPP (PoweroftheTruth)

Phil that was the best stream you have done in years maybe ever. You were so high energy and so happy and there is real drama and suspense to it and its funny too. You have a real winner on your hands now and you have all the momentum. The detractors are genuinely in shambles they have lost completely.

8/28/2024 10:31 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

this is quite nuts isn't it LOL

8/28/2024 10:32 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

and tomorow ill actually do fun stuff, tonight was pretty boring IMO because nothing was unlocked

8/28/2024 10:34 PM

PPP (PoweroftheTruth)

Yeah we need the level 5 unlock to get the good loot!

8/28/2024 10:35 PM

PPP (PoweroftheTruth)

watching you do the pulls is high level entertainment theres a real tangible stakes to it

**8/28/2024 11:27 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Wait until thr weekends. Weekend loot is legit the only good loot and you can pull the best new guys in the game. Weekend events are when 99% of players play

**8/29/2024 7:57 AM**

PPP (PoweroftheTruth)

Lets go weekend bonus pulls!!! Its just a shame its gonna take so long to get to the real high end shit!

**8/29/2024 7:58 AM**

PPP (PoweroftheTruth)

I think you should try getting irate gamer chris bores on the podcast. He was the online villain and everyone hated him for so long plus he has the gamer connection and he does ghost hunting now.

**8/29/2024 7:59 AM**

PPP (PoweroftheTruth)

I hope you get maximillion

**8/30/2024 5:38 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm trying to get a lot of people right now. No idea if any of it will pan out but I am trying

**8/31/2024 1:25 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I've got Craig this week. I'm trying to get a lot of people but they are like slippery fish. They talk to me and then disappear before I can grab them lol

**9/1/2024 5:53 AM**

PPP (PoweroftheTruth)

Craig is definitely going to be an interesting appearance. LTG would be a dream crossover if it could happen. You just got to keep persistent and also be flexible with people and make room in the schedule for them. I think you keep doing what you're doing right now it's working. I do see some hype amongst people for a return of cooking with the king those used to be alot of fun. You could do fan polls on what you cook. Obviously support would need to be there for them but it might be interesting to try. Also the election is approaching I wouldn't say right now but maybe in a month or so it wouldn't be a bad move to try your hand at politics when its white hot. Being openly republican would give you a dedicated die hard fanbase and regardless of who wins the election there's always something to either complain about or praise of course its also high risk in that it gives you a built in hater base but that cancel culture crowd would never support you anyway. Anyway I wish you luck with this joon reaction I think you'll nail it and move on well!

**9/1/2024 10:37 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

the best part is, looking at the timestamps, theres no DOXXING or horrendous shit. its just dumb frivolous stuff and its going to be a blast reacting to this all week

**9/4/2024 1:03 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey man I hope your vacation is going great. Fyi you are driving the detractors nuts with your x posts referencing Carrie and Palpatine. They referenced them both today in my chat and in their own videos and it's quite hilarious seeing them dance on the puppet strings. Dude I think we can string this shit along for years for great content, it's just too darn easy and we all make bank

**9/4/2024 4:21 AM**

PPP (PoweroftheTruth)

Oh yeah its just too fucking easy

**9/4/2024 4:27 AM**

PPP (PoweroftheTruth)

Im just getting drunk on the beach and posting the most retarded shit and it gets people going like crazy

**9/4/2024 10:39 PM**

PPP (PoweroftheTruth)

You've just won HUGE

**9/4/2024 10:39 PM**

PPP (PoweroftheTruth)

all thats left is to felt craig tomorrow

**9/4/2024 11:07 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

You think so? I foresee trouble. Losing longtime viewers and big youtubers saying I'm a POS for lying so long. It's hard for me to believe I had a way to win in this situation, it was always lose-lose

**9/4/2024 11:13 PM**

PPP (PoweroftheTruth)

Nobody is going to stop supporting you. Everyone knew the truth all along. Also youtubers always shit on you it means nothing. What matters is the core of financial support and thats not going away and when this is behind you there will be lots of room for expansion and collabs. Honestly if you get any shit and its true the best pr policy is always to own it and lean in. Fuck them for saying you scam it was based you scammed in the first place. Who actually gives a fuck.

**9/4/2024 11:18 PM**

PPP (PoweroftheTruth)

I know its hard to see the positives especially when there's so many people piling on and being pieces of shit but I think most people understand. People have flaws and its ridiculous to expect someone with 20 years online to have a totally perfect record

**9/4/2024 11:20 PM**

PPP (PoweroftheTruth)

The Detractors and and people in general have probably fucked up worse in their own personal lives the only difference is they aren't broadcasted to hundreds of thousands of people. Everyone has skeletons the reality is most people don't have every mistake immortalized they are allowed to move on and have a clean slate

**9/4/2024 11:36 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Totally true. I just hope I don't fuck this up now at the critical time that I am coming out of the period of misery. My wife and I are talking about doing stuff around the house with the extra money we've literally waited years to even consider. Like the dishwasher that's been broken for 2 years or our washer/dryer that have been wearing out but we just ignore it. And if this

keeps up it literally will change our lives for the better, so I gotta do my best and not make a stupid mistake

**9/4/2024 11:40 PM**

PPP (PoweroftheTruth)

There's genuinely no way you can possibly fuck this up. I wouldn't put so much stress or pressure on yourself. The publicity from this arc is going to bring in so many new eyeballs. With the wwe champions thing out in the open nobody can really say you're "scamming" anymore. Everyone knows now and is donating because they want you to have the money. Which they always were anyway. The steam is gonna come out of alot of detractors and some will hang it up for good after this "revelation"

**9/4/2024 11:59 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I wish to hell I didn't sell the account. If I'd deleted it or had been able to show it publicly tonight it would have been perfect. Now there will always be shitbags who say I made it up, not that it will matter. But it would have been the absolutely perfect ending

**9/5/2024 1:17 PM**

PPP (PoweroftheTruth)

Peak content with the craig interview awesome stuff

**9/5/2024 4:02 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

That was something else. I was not expecting it to go that way at all. I mean he completely did it to himself

**9/5/2024 4:29 PM**

PPP (PoweroftheTruth)

He's just a dumbass

**9/5/2024 5:02 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I guess so. Then instead of doing stuff with his family which he said he had to do, hence keeping the interview to 90 minutes, he instead went live and got contributions from my detractors for hours. Pretty insane

**9/5/2024 5:21 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

You know I'm really tired of the one sided bullshit. For over a year Craig repeatedly treated me like shit to get money from my detractors. I have him on the show, am totally respectful to him and point out how bad his treatment of me was. He responds by belittling it all and tells me to go fuck myself. So I gaslight him into thinking I want to be on his show, I tell him to fuck off and hang up. Now people are saying I'm the villain in comments lol. Did they miss the 1.5 years of him treating me like shut? These people are something else

**9/5/2024 10:00 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey man, sorry to keep pinging you during your vacation. Fyi someone came into my documentary reaction tonight claiming they are in your discord and you told everyone to outright stop supporting me for some reason. I see no evidence of this obviously, but just wanted to let you know this is now the narrative me detractors are apparently going with.

**9/5/2024 10:03 PM**

PPP (PoweroftheTruth)

I don't have a discord 🙄

**9/5/2024 10:03 PM**

PPP (PoweroftheTruth)

like a server or anything

**9/5/2024 10:11 PM**

PPP (PoweroftheTruth)

Whats retarded is people have a narrative that you must be wrong and craig must be right and no matter what happens they have to cling to that

9/5/2024 10:11 PM

PPP (PoweroftheTruth)

its just bullshit but let the detractors think they won at the end of the day you're the one cashing paycheques and they have jackshit

9/6/2024 1:07 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Joon the King is coming on my show and we are calling it... Friday the Felteenth! LOL you guys will not have to work for months, at this point I am a factory of content haha

9/7/2024 12:44 PM

PPP (PoweroftheTruth)

Its gonna be hype

9/7/2024 12:44 PM

PPP (PoweroftheTruth)

as to the metokur thing...

9/7/2024 12:44 PM

PPP (PoweroftheTruth)

fuck these detractors

9/7/2024 12:45 PM

PPP (PoweroftheTruth)

everyone with any sense knows what you meant

9/7/2024 12:45 PM

PPP (PoweroftheTruth)

its almost like these idiots don't want any content Ive never seen any group of trolls like this ever its just retardation

9/7/2024 12:46 PM

PPP (PoweroftheTruth)

but don't worry I will do whatever possible to make that meeting happen probably the first week of October its likely and it might be his last appearance ever

9/8/2024 1:26 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah at this point I'm so numb to them but I sadly had to address it today as the Kino Casino viewers likely came over and were like, wtf is this shit. The detractors employed their endless army of bots, again, to farm my content. Insane amounts of downvotes and negative comments in my day off, when they knew I wouldn't be looking. I still had a great day regardless but I feel the momentum is dying bc nothing crazy hype is on the horizon yet besides the Joon the King interview

9/9/2024 12:32 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

For the record, 41 straight streams with amazing support! The views have dropped off a bit likely bc the hype has died down, no collabs with you guys and my doc is old news already. I'm trying to get some guests and collabs to mixed results but it's definitely not dried up

9/9/2024 9:17 AM

PPP (PoweroftheTruth)

41 in a row!

9/9/2024 6:47 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

welp i jinxed it, the streak ended today bc this Black Myth Wukong game fell off so hard halfway through, people straight up left bc it was so boring lol

9/9/2024 6:50 PM

PPP (PoweroftheTruth)

FUCK

**9/10/2024 12:13 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I got it back on the SF6 stream. Looks like a roller coaster is coming lol

**9/11/2024 12:13 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so how do you guys celebrate Halloween? I've heard both you and your editor reference Kinoween a bit. I do a marathon on Halloween where I dress up in costume all day, playing games that I let my viewers choose, usually a lot of horror-themed stuff and this year since I'm on pc I bet there are a ton more things eligible. I bet if we did something of a collab around that or even on that day it would do great, but I'm certainly not wanting to be pushy as I have no idea what you guys usually do.

**9/11/2024 9:52 AM**

PPP (PoweroftheTruth)

So we do that but basically every day in October. We aim every day to do streams in different costumes and we do normal drama but also horror games and reacts to Halloween stuff like are you afraid of the dark? So really we could bring you on any day. Part of why I'm on vacation right now is to prepare the show for those days.

**9/12/2024 1:32 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Wow that's awesome and I'm down for that for sure. Everyone is eagerly awaiting your return, your fans are chomping at the bit as they say and I'm doing my best to maintain. I'm going to even poke the bear with Ethan Ralph a bit this week for some drama but I don't want to fully engage him until you guys are back, bc I think that would be the perfect subject to cover if I come on your show again

**9/13/2024 12:54 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Dude. Have I got an idea for October. But I won't impose at all, you guys have got your shit together and you certainly don't need me. Let me know if you're interested, it hit me live during my podcast today

**9/13/2024 9:45 AM**

PPP (PoweroftheTruth)

Well I think a ralph show would be fun for sure. Let me know what you're thinking.

**9/13/2024 4:14 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

oooh yes haha. ill tell you all about it later tonight, i think your audience would really enjoy it

**9/14/2024 1:45 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay. So for some unknown reason Ralph is all over my ass and I'm mostly ignoring him. It's driving him nuts. I know you guys shit on him constantly but this is kind of a unique situation. Yesterday I just read Twitter comments on him and I called it "reading early PKE readings on Ralph"

**9/14/2024 1:49 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I hope you like Ghostbusters bc we can go in on this shit. Like I will slowly talk about him a bit more and then when you guys come back, we can do a full show where you expose him to me. Like I'm just a dope and you guys are all scientific and know all about him so this is my education. And we can call it Guntbusters and even ham it up. I have a full ghostbusters outfit from almost a decade ago that I wore for Halloween and can put on again. Shit we can get an AI song made for it. If we go all out as part of Kinoween I think this could make your fans go crazy. Just my saying his name on my Twitter made people and HIM go nuts lol

**9/14/2024 1:52 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Make him look like Slimer and we're busting his ass, I can make ghostbusters jokes and references all day and it totally feeds into your halloween theme. But I can also see it being a bit corny so that's why I'm not going to talk about it or proceed to talk about him without your buy-in. I also thought the briefcase idea for the Rich react was corny but it obviously worked out well

9/14/2024 1:55 PM

PPP (PoweroftheTruth)

Yeah its a great idea! We'll put that together as soon as we get back!

9/15/2024 1:41 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hope you guys have had a great vacation, well deserved and I think you can see I've maintained as best I could without your crazy hype train lol. You guys are just nuts with it, I'm like 1 tenth of what you guys are in that regard. When are you guys coming back? I will not say this to the public, just wondering bc I know I'll be bombarded with messages about it when it happens lol

9/15/2024 11:38 PM

PPP (PoweroftheTruth)

Should be back fully october 1st maybe a few days before

9/15/2024 11:59 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay cool

9/15/2024 11:59 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Why are my calves such a big deal? This is hilarious

9/16/2024 12:31 AM

PPP (PoweroftheTruth)

You're like calzfilla! The calf king! They are just jelly of your mad gains! If you say stuff like that and emphasize how jacked your calves are and how superhuman your calves are they will lose it! 😁

9/16/2024 12:33 AM

PPP (PoweroftheTruth)

You should lean all the way in and do a rick rude gimmick for your calves every show "what the ladies want to see and the men want to be its the king's calves!"

9/16/2024 12:35 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

LOL

9/16/2024 12:36 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

that's funny as fuck

9/16/2024 12:37 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I know it's a joke but what is up with all these autistic fucks obsessing over the smallest minutia, I guess I have to lean onto every little thing. Now I have a topic for tomorrow's podcast lol

9/19/2024 12:41 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So people keep telling me you guys are back by this weekend, not sure where that info is from but I won't tell them about your real return. Also I got an awesome prop for the Ralph/Ghostbusters idea and I'm dying to use it on stream but I don't want to unless you guys are 100% sure you want to run with it, so let me know when you get a chance. Enjoy the end of your vacation!

9/22/2024 1:16 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Your fans are the best. Made \$700 playing wwe champions again tonight doing some pulls. We got jack shit of course but it was fun as hell as usual

9/22/2024 3:38 PM

PPP (PoweroftheTruth)

LETS GOOOO!!!! BIG W!

9/24/2024 12:42 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Some of your trolls started to gravitate into my chat today, the expected bullshit about one of your viewers being a pedo. Banned on sight and I'll never give that shit any attention

9/25/2024 2:01 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Fuck these idiots trying to associate pedophilia with the Casino. You guys JUST CONVINCED ME to get rid of Derich. That's exactly the evidence you need to erase this nonsense. We wouldn't event be talking now if I hadn't listened to reason and I'm very grateful for that. Nobody who makes content can be held accountable for the actions of their viewers, you disowned the freak and that's more than enoug. I've got your back on this, not that it means much bc I'm a nobody but I won't let these shitbags have their way if I can help it

9/25/2024 2:07 AM

PPP (PoweroftheTruth)

I appreciate that phil. I don't think anything will come of it in the end we banned the guy and disavowed him and had no idea he existed until 5 minutes ago. Its just bullshit we have to deal with all the time because people have to come up with narratives against us. Nobody thinks pewdiepie is responsible for the christchurch shooting and I think the same principle applies here.

9/25/2024 2:19 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm sad that people are using this as ammo bc of the Derich thing. I really hope our brief and fun association didn't hurt you in any way and I understand if you want to distance yourself from me. But I don't get it bc you CONCINCED ME to get rid of the pedophile so how the fuck is that a bad thing? It's honestly evidence that you are wise and on top of this kind of shit. Seems like people were planning this kind of thing all along especially for when you were on break so you couldn't defend yourselves properly. It does seem like pretty convenient timing

9/26/2024 2:19 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I just read kiwifarms LOL. They think im upset you guys are ghosting me and you haven't talked to me at all in the last month. We are going to crush their tiny nuts when you guys are back. Ralph is supposed to do some BIG show about me in the next few days and this is going to be perfect for the idea I had, if you guys are still down for it. Way bigger than Rich I think, bc this one is a long time coming and your Kinoween theme is just the right time for this Guntbusters collab lol

9/26/2024 4:12 AM

PPP (PoweroftheTruth)

They write the craziest fan fiction sometimes! Its gonna be a big show!

9/28/2024 12:42 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Andy just asked me about the Ghostbusters idea so I told him. If you guys don't run with it, it's all good but I do actually think it will top our RTU react if we do it well

9/30/2024 1:24 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Are you guys back on October 1st? I'd like to try to make it to your chat for a few minutes just to say hi at the end of the show

10/1/2024 12:46 AM

PPP (PoweroftheTruth)

I appreciated you coming out for a bit tonight. I feel bad about saying what I did about wwe champions you came as far as you could on that probably. I just feel in my heart you probably do still spend a lot on it and I wish you could just be open about it fully and the thought popped into my head and I said it. It really doesn't matter that you do and I support you doing so. I just wish that there was no more ammunition on that at all because they just hound you about it.

**10/1/2024 12:58 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey man! So i tried to make the tail end of your show but it was too late. Wicked ass costumes and setup! Where did you get that GIANT ASS digital screen, I want that, I got the biggest one Divoom had so you must know something I don't lol

**10/1/2024 12:59 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I have no idea what you said about me tonight, I have to get caught up. But I'm SURE my detractors will cover it and say you hate my guts and we had a falling out and it's the end for DSP as usual

**10/1/2024 1:00 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I don't give a fuck, im pulling for zombies on my late stream tomorrow and you guys should totally watch it live so we can fuck them hard haha

**10/1/2024 1:01 AM**

PPP (PoweroftheTruth)

so I bought from a company called twinkly they have packs of 3 digital squares and I have 9 of them total but I think you can string together an infinite amount they have a community that makes custom tiles and uploads them so I downloaded a bunch of halloween ones and set them on a playlist

**10/1/2024 1:01 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

That's dope, I'm going to look into it

**10/1/2024 1:02 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

You have some of the same animations I saw for my frame but by total chance we didn't overlap once

**10/1/2024 1:04 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Found them already nice

**10/1/2024 1:05 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Dude your costumes were so good I jumped when you came on camera

**10/1/2024 1:05 AM**

PPP (PoweroftheTruth)

man I got the real good body paint this year... I spent over \$1200 on costumes this time so we each have new ones every day

**10/1/2024 1:06 AM**

PPP (PoweroftheTruth)

its kind of silly but people love that shit

**10/1/2024 1:06 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah it didn't even look embarrassing like the shitty Ss body paint people wear to sports games, it legit was disturbing and shocking and funny as fuck

**10/1/2024 1:07 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

And this was just day 1 lol

**10/1/2024 1:08 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

What did you actually say about me? Just so I know how to handle it tomorrow, unless you know the timestamp. I promise you I'm not going to be offended, this last month has been pretty crazy and there's nothing that can hurt me. I'm ready for whatever

10/1/2024 1:10 AM

PPP (PoweroftheTruth)

I was telling rekeita that the truth would set him free and that going halfway towards the truth would only make it worse and I said its very hard to tell the full truth when you lied to begin with and it makes you look bad and I said I think phil only went part way on the truth with wwe champions and he still owns downfromtherafters and it hurt him to only go part way

10/1/2024 1:11 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol that's so not a big deal

10/1/2024 1:12 AM

PPP (PoweroftheTruth)

yeah but I feel bad because they clipped it immediately and started being retarded

10/1/2024 1:12 AM

PPP (PoweroftheTruth)

it wasn't necessary to say

10/1/2024 1:14 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

We are cool man, you guys are the only reason I got any kind of a chance or a boost and you helped me out tons. I'm shocked I even maintained as much as I did when I was gone. You get hyped and say shit, so do I. Like times FUCKING TEN, compared to that, I have said stuff that I regret. You are speaking with the person who is not going to take offense bc you did a crazy return show and said something that you think could hurt me. It will not, in fact I want to respond to it on my podcast tomorrow to shit on my detractors but I wonder if I'll even find it lol

10/1/2024 1:18 AM

PPP (PoweroftheTruth)

theres still lots of good business to do. we may have to go a bit outside the box again and do some riskier stuff thats drama/confrontation heavy but it pays the best and gets the most eyeballs

10/1/2024 1:19 AM

PPP (PoweroftheTruth)

but theres probably some decent horror games we could try multiplayer of too at some point

10/1/2024 1:19 AM

PPP (PoweroftheTruth)

I have to do a bit of catchup this week and cover alot of the back stuff from september and this vice presidential debate tomorrow but I have ideas and offers from people we can book

10/1/2024 1:24 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I will no longer have tech issues with appearances bc I moved everything over to my new PC, so going on your show or even having you guys on mine will be smooth. And I'm of course interested in gameplay, horror games this month is what everyone wants. Man did you hear what happened to Metokur, I don't think he's going to do any more appearances, I feel so bad for not knowing and now it's too late

10/1/2024 1:25 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

And dude, we have ralph and now this moron Cog and more. I'm down, let do this, we can definitely fit stuff into my schedule, it worked well in August and I will find the balance between gameplay and you guys

10/1/2024 1:30 AM

PPP (PoweroftheTruth)

Metokur will be alive for a awhile yet I think. I think we still have a good chance to get him. He loves Halloween.

10/1/2024 1:32 AM

PPP (PoweroftheTruth)

Ralph and Cog are always easy. Ralph has helped build our show through his antics over the years alot.

10/1/2024 1:37 AM

PPP (PoweroftheTruth)

I'm not sure we do this immediately because its riskier but I have itsagundam lined up for an interview on the show if you want it. Its a potential MEGASHOW with the size of his audience and the hype thats built for years around that meeting. Warski has known him for years and we can probably control it well enough. However he is a detractor through and through and will be trying to score points for them. I think he has very little charisma or ability in a live format especially in a 3 vs 1 scenario. I think its very easy to paint him as a sperg and a miserable alcoholic who hates his life and is pissing it away. Its a big limelight though and its a live scenario. We have him agreed already though its an easy booking.

10/1/2024 1:41 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

He was so fucking desperate to come at me, he was the only lone detractor to record a question for the sidescrollers interview and it was so bad that even Craig shrugged of off. I am not afraid of that man, in fact I welcome him to try anything bc to my knowledge he hasn't and it's a bit odd that he lined this up with you guys but it's not publicly known yet?

10/1/2024 1:43 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

He sounds like Yukko the Clown from the Howard Stern show. I genuinely thought it was the same person for a while. That's not a complement lol

10/1/2024 1:46 AM

PPP (PoweroftheTruth)

He's been in andys dms from day 1 begging for your blood

10/1/2024 1:46 AM

PPP (PoweroftheTruth)

we told him to fuck off about 3 times

10/1/2024 1:46 AM

PPP (PoweroftheTruth)

but he keeps asking

10/1/2024 1:47 AM

PPP (PoweroftheTruth)

He tried to talk us out of doing shows with you from the beginning

10/1/2024 1:48 AM

PPP (PoweroftheTruth)

don't reveal that but its true

10/1/2024 1:51 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Let's do it when were ready. I'm okay with a long term thing, and you guys will be very busy this month. Gameplay and felting Ralph (if you like my ghostbusters idea) and now maybe Cog will be fun. And we do not want to overload your audience with me, they were actually complaining with your clips channel that I was on there too much. So a slow easing in with one specific topic or appearance will work best I think. And no worries on our talking here, these dms are sacred and I will not talk about them publicly

10/1/2024 1:53 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

How do you think we should go at it first? I really like the Guntbusters idea with Ralph but it seems he won't engage, he's terrified of you guys lol

10/1/2024 1:56 AM

PPP (PoweroftheTruth)

Phil I'll be honest I had no hope you would actually agree to face gundam. That is 100% the show to make and as soon as possible. That will have over 10k watching live guaranteed. It may be even more than that if promoted for a few days. It will be the biggest show any of us have ever done. Im not kidding.

10/1/2024 1:57 AM

PPP (PoweroftheTruth)

It will have a million views on YouTube I believe it

10/1/2024 1:57 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Why would I care about Gundam? Why is that even a big deal lol

10/1/2024 1:57 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

He is a fucking clown and sounds like one

10/1/2024 1:57 AM

PPP (PoweroftheTruth)

Trust me its an easy money maker and an easy win.

10/1/2024 1:58 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Is it just and interview on your show?

10/1/2024 1:58 AM

PPP (PoweroftheTruth)

Yeah

10/1/2024 1:58 AM

PPP (PoweroftheTruth)

slot out a couple hours and he'll jump at the chance he is desperate and obsessed

10/1/2024 2:02 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Are you serious about this being as a big of a deal as you're making it and an easy win for us? Bc man I'm so outside of the sector and all this shit, im ignorant. If you sell me on this right now and how to do it, ill probably do it. I do not like him, how does a guy that sound like a fucking clown get to dump on me except that, you know, I'm DSP and everyone has hated me for 10 years

10/1/2024 2:04 AM

PPP (PoweroftheTruth)

Our audience loves more than anything else on earth a live confrontation between two people. Regardless of how it goes they will love you forever for doing a hostile interview like that. I am telling you this one is a layup. He is going to sperg at you a bunch of terminally online nonsense that nobody in our audience or a broader audience will know and he just has to be framed as autistic and obsessive.

10/1/2024 2:04 AM

PPP (PoweroftheTruth)

I am not kidding about the size if anything I am undervaluing it

10/1/2024 2:06 AM

PPP (PoweroftheTruth)

This show will be the biggest thing we have ever promoted much bigger than any other event and it will have so much speculation and hype as to what could happen.

10/1/2024 2:07 AM

PPP (PoweroftheTruth)

He will be way to overconfident and underestimate you and im not gonna let him get away with outright online sperg bullshit

10/1/2024 2:08 AM

PPP (PoweroftheTruth)

If you insult him about his drinking and hiring prostitutes I think he will spiral.

10/1/2024 2:10 AM

PPP (PoweroftheTruth)

But honestly for him to win he needs to make adult arguments as to why you are the devil and I don't think he can do that

10/1/2024 2:10 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Well I think that's where I need to be ready I know nothing at all about this guy, he knows everything about me. He obsesses on me and makes money shitting on me

10/1/2024 2:11 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

He just sounds like a clown. I bet if I spent the entire interview laughing at his voice saying that it sounds like he sucks helium he's break. But I mean, we can crush him a bit more than this haha

10/1/2024 2:13 AM

PPP (PoweroftheTruth)

maybe the correct play is just to let him do his spiel because I think it exposes itself. I think what needs to happen is to not treat him seriously at all and let him tantrum about how you aren't taking his super serious internet lore seriously. I can do some more research on him because I know very little also but he seems easy pickings.

10/1/2024 2:14 AM

PPP (PoweroftheTruth)

I think the expectations for him are so high as well that he will never be able to satisfy the detractors and they will turn on him and burn him bad

10/1/2024 2:14 AM

PPP (PoweroftheTruth)

He is their golden child

10/1/2024 2:15 AM

PPP (PoweroftheTruth)

If he struggles they will punish him

10/1/2024 2:16 AM

PPP (PoweroftheTruth)

From what I have heard he is very soft mentally and very emotional he can't handle the heat of a backlash from those people a spiral could be likely. Worst case we scrape a time limit draw just filibustering and the detractors still get let down

10/1/2024 2:18 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I am okay with it as long as we go in with a game plan. You guys benefit no matter who wins, but if I get felted (lol) then I'm back to the trenches and just my core fanbase. Fyi, with you guys gone I've lost about 80% of the extra support I got from your audience. And please know I am NOT complaining, at all, bc I am still doing way better now than I was before you guys came along and gave me a chance. This is a big risk and trust thing for me, and I am willing to do it. I am not afraid of him, but his fucking voice may give me a headache. Maybe we can Crack him and make him stop using the stupid voice

10/1/2024 2:25 AM

PPP (PoweroftheTruth)

Phil if you get felted (which you won't) our guys will still come to see you again. The reason they left is because they like drama and interviews and not gaming so much. We tried to do gaming but its just so hard for us to get traction with it. We built on drama and have to go with what brought us to the dance. Im telling you though if you sprinkle in more stuff against cog and ralph and the extended rouges gallery they will go hard during your podcast. I know that no matter the result you will be much bigger and have more attention and if you do

give the audience this spectacle they will love you and quite frankly I will make sure you get compensated very well.

**10/1/2024 2:27 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

LoI Triple P (which is what People should actually call you by) you are a marvelous salesman

**10/1/2024 2:27 AM**

PPP (PoweroftheTruth)

I used to do door to door sales 🗑️

**10/1/2024 2:28 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

If only we'd met sooner, no lie, I actually believe we would both be multi millionaires by now

**10/1/2024 2:28 AM**

PPP (PoweroftheTruth)

Me too

**10/1/2024 2:28 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Sadly we met now and we have to do internet shit in the trenches

**10/1/2024 2:28 AM**

PPP (PoweroftheTruth)

Its not so bad. There's alot of money in this.

**10/1/2024 2:32 AM**

PPP (PoweroftheTruth)

We'll get you some streams this month that are very lucrative. I think you are a huge draw financially you just need the right promotion. One or two new whales can change everything so quickly.

**10/1/2024 2:32 AM**

PPP (PoweroftheTruth)

I remember the day signalboot came to my stream and donated 20k in one night my whole life changed so fast. I knew I could make a good living then.

**10/1/2024 2:36 AM**

PPP (PoweroftheTruth)

One thing is I think you being nice guy phil and being wholesome and positive is genuinely the wrong approach. You being positive you get shit on even worse. If you embrace being the heel that you are you will get shit on just the same but you will get support from people who love drama and love characters. I genuinely view most of this through the lens of pro wrestling and apply those business principles and it seems to work. You are a great character. You can be apart of so many stories. You just aren't a very good babyface and neither are we tbh.

**10/1/2024 2:37 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah but im 16 years into it, and I had a taste of mainstream popularity in 2010. If I'd had the right people around me, shit. But it was just me and I fucked it all up. I think back to who I was and how I could have rocketed to the moon. But I'm a big boy and it's 2024 and this is reality. And you just came off your big return stream and you've chosen to message me out of all people and you apologized to me for something I didn't even know you'd done, and I don't give a shit about. I actually appreciate that and im still shocked you give a shit.

**10/1/2024 2:40 AM**

PPP (PoweroftheTruth)

Mainstream popularity doesn't mean shit. Its about how much money you can bring in period. None of us can be mainstream but we can all be rich.

**10/1/2024 2:43 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh I know, i don't ever want to be mainstream popular again. That's long in the past and I've actually avoided it on purpose, which many would say is very stupid

**10/1/2024 2:44 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Man so I'd like to tell you something but it's personal and it's the reason why I'm so guarded about the heel thing. But if you ever fucked me on this it would be the last time we spoke. But I think it would totally clear the air on why I'm apprehensive about stuff

**10/1/2024 2:45 AM**

PPP (PoweroftheTruth)

I can't fuck you on it. I think theres too much potential.

**10/1/2024 2:46 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

If you can't promise to keep it private that's fine and I'd appreciate your honesty over anything else, and know I'm still going to do business with you regardless

**10/1/2024 2:48 AM**

PPP (PoweroftheTruth)

I can promise right hand to god. Which actually means something to me. I was a preacher for my teenage years and early twenties. I won't tell anyone.

**10/1/2024 2:48 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay

**10/1/2024 2:52 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

So my wife is sick and has been all year. And she's not getting better. Not cancer but she has multiple things going on and this year has been hell for us. I've lied a lot to my audience about it bc it's nobodies business. We did some stuff on stream together earlier this year like q&a and co-op and we'd planned to do way more. Then things got way worse. She may need major surgery and we are pretty scared and hoping for the best. You are the only person I've told about this. And now let me tell you why I'm telling you this

**10/1/2024 2:56 AM**

PPP (PoweroftheTruth)

Phil I'm gonna back you to the bitter end now ok? I am going to do my very best. I feel so bad phil... I will pray for you and her. Fuck,,

**10/1/2024 2:56 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

She has found religion again this year as a result of all of this going on. It's really rough for me bc I used to be religious earlier in my life and then I changed. I'm supporting her through it all. And we are really hoping that there is a light at the end of the tunnel. I think there is. And then out of nowhere I'm doing stuff with you guys and things are going well and we're making extra money. We are going to see a different doctor on Wednesday of this week bc we can afford it. But I think you can kind of figure out why I cannot become the big heel of the internet right about now

**10/1/2024 2:58 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Right now we are just trying to figure out if I can take an extra day off like 2 times a month so we can do more stuff together. And it's actually looking good so I think we might do that starting in November

**10/1/2024 2:59 AM**

PPP (PoweroftheTruth)

its ok. Theres still a lot we can do.

10/1/2024 3:00 AM

PPP (PoweroftheTruth)

you should take the time off if you can 6 days is too much. People cant miss you if you never go away.

10/1/2024 3:02 AM

PPP (PoweroftheTruth)

you do alot of hours and just saying kick does pay hourly if you get partner and they just tripled the rates

10/1/2024 3:06 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I know man. I told her that if things kept going as well as it did in August when I got that huge boost, we could do more stuff and spend more time together. and at first she actually got angry with me! Bc she was like, don't get our hopes over something that will never happen. And now over September stuff definitely dropped a bunch without you guys to do collabs with, but I did somehow manage to maintain above where I was on my own. If we keep working together then the sky is the limit, but I cannot go all out and go full heel when my wife is going full religious bc of this awful stuff. Fyi this is not like terminal stuff. But we've been trying everything and so far it has not been positive results so yeah, we are stuck

10/1/2024 3:08 AM

PPP (PoweroftheTruth)

we'll do lots of crossovers this month we need to find the right game because I want to pump in a bunch of hours due to these new incentives we don't need as many tips and can push those more to you.

10/1/2024 3:13 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Nah dude, please listen to me now. I am a happy man and have a happy life. It's not perfect but it's a good one. I'm not asking for anything from you and I think this could backfire if you guys push too hard or it gets suspect. Let's chill a bit and make it go naturally. Like tomorrow night I'll be streaming wwe champions when you guys will be live, and it's the big annual zombies event. You guys love that already so maybe just watch me pull or something lol. Then maybe over the next week mention me a few times. But while that's going on, let's plan the Gundam thing and maybe some gameplay if it works for you guys.

10/1/2024 3:14 AM

PPP (PoweroftheTruth)

ok. but I'm not gonna lie what you has told me changed my perspective on the situation significantly.

10/1/2024 3:15 AM

PPP (PoweroftheTruth)

have\*

10/1/2024 3:16 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Man well I didn't really want it to do that. I just wanted you to understand why I can't be a complete villain on the internet right now. My wife needs me to be a good person and I want to be that for her

10/1/2024 3:17 AM

PPP (PoweroftheTruth)

Would you be able to clear out the evening slot on either friday or saturday (these are traditionally our best nights) so I can pitch and close this deal with gundam? If you want we could do a horror game with you before on that days afternoon to make sure you get a decent payday.

10/1/2024 3:19 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

This week correct?

10/1/2024 3:20 AM

PPP (PoweroftheTruth)

yep

10/1/2024 3:21 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I can clear my Friday. Not a big deal at all really

10/1/2024 3:22 AM

PPP (PoweroftheTruth)

ok awesome I'll put that in motion

10/1/2024 3:25 AM

PPP (PoweroftheTruth)

i'll talk with andy about what game? do you have any suggestions?

10/1/2024 3:25 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

No need for your entire day to be me though, I can join your show at my night streams time if you want to do the Gundam thing. But I'm open to doing stuff earlier if you want to do horror gamss thing, it will have to be during my normal day stream slot

10/1/2024 3:26 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hmm

10/1/2024 3:26 AM

PPP (PoweroftheTruth)

oh yeah it would be that day slot for sure

10/1/2024 3:27 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I tried doing this horror game last year but it failed bc it's supposed to be done co-op. Phasmophobia i think? But I think a few more have come out over the last year too

10/1/2024 3:28 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lethal company is a current popular one i tbink

10/1/2024 3:29 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

And yeah that escape from the backrooms too

10/1/2024 3:30 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Also i will use Discord on my gaming pc so you should see me on Webcam this time on your side, I will just record and stream the gameplay on my side on my stream which should be fine. In fact it will be a throwback for my audience lol

10/1/2024 3:31 AM

PPP (PoweroftheTruth)

ok we'll talk about it throughout the week probably make a decision tomorrow on the game. Should be really good stuff. I better go to bed time flies.

10/1/2024 3:32 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah man you are nuts you have a stream tomorrow. Wait so do I LOL

10/1/2024 3:34 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Goodnight sir, good luck with your stuff for day 2, you are a beast

10/1/2024 3:35 AM

PPP (PoweroftheTruth)

thanks! have a good night!

10/1/2024 3:07 PM

PPP (PoweroftheTruth)

Get this... after all of gundams tough scrappy doo talk of let me at em let me at em! He bitched out of the interview! I think he was legitimately scared once it became real 😬

10/1/2024 3:13 PM

PPP (PoweroftheTruth)

He said that he hadn't followed you and your stuff in 4 years (lie) that he wouldn't be able to properly engage. Very sad stuff!

10/1/2024 3:14 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Wtf for real?!? I'm honestly shocked but maybe he realized it wasn't going to go his way after all with your viewers mostly having my back

10/1/2024 3:16 PM

PPP (PoweroftheTruth)

He told us some stuff privately that I can't share also where he knew he would lose

10/1/2024 3:16 PM

PPP (PoweroftheTruth)

I feel bad for him tbh probably best to move on from him he has bigger problems

10/1/2024 3:17 PM

PPP (PoweroftheTruth)

so back to the drawing board im gonna try with metokur again. And ill prepare that guntbusters show

10/1/2024 3:21 PM

PPP (PoweroftheTruth)

Its probably better to do something next week anyway give our audience a chance to settle in.

10/1/2024 4:18 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

im totally cool with that

10/2/2024 1:01 AM

PPP (PoweroftheTruth)

How did wwe champions go this time? Did you get zombies?

10/2/2024 1:21 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I did, not the newest ones but I got a few good ones that will let me make more content this month. The newest ones as always require dumping tons of cash and I'm not making \$700 a stream anymore lol. How did your stream go today? I haven't even had a chance to look yet

10/2/2024 1:28 AM

PPP (PoweroftheTruth)

Oh man kick had issues today and us viewers couldn't get on so we only had about 2500 people at peak and lost 1000 from yesterday. People liked the debate because the republican ended up crushing it in the end and we did pretty decent on donos. Tech issues limited us a bit though.

10/2/2024 1:28 AM

PPP (PoweroftheTruth)

U.S

**10/2/2024 1:30 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Shit sorry to hear that. Tech issues you can't control are the worst especially during a hype time when people are hungry for your return

**10/2/2024 1:31 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Let me check out your costumes quick lol

**10/2/2024 1:33 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Dude kick logged me out and now I have to figure out my stuff, this must be what happened to everyone today

**10/2/2024 1:43 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh its King Tut and Caasar nice! That took way too long to log in and see. So yeah it was a pain in the ass and that really sucks, sorry you lost views on bullshit

**10/4/2024 12:33 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey man, having a lot of fun with your return. Actually about to get caught up on your show from today bc I heard you finally talked about my Ralph and COD stuff. I hope I don't come off as annoying when I stop by in chat. Of course my detractors obsessively track my actions, and are now counting the amount of times I talk when I am there and now are tracking the few gifted subs I dropped

**10/4/2024 12:44 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh you didn't, people lied to me lol. As in talking about me and Ralph and Cog

**10/4/2024 4:46 PM**

PPP (PoweroftheTruth)

Today we are definitely getting to it

**10/4/2024 4:47 PM**

PPP (PoweroftheTruth)

we just had that massive arrest saga push everything back

**10/4/2024 5:32 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol it's a lot to take in being an outsider, I understand

**10/5/2024 1:43 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Loved the Rich segment tonight, have some info to share with you on that which you will love lol

**10/5/2024 12:39 PM**

PPP (PoweroftheTruth)

NICE

**10/5/2024 10:54 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

So FYI Rich finally responded to me and he MAY be on my podcast in Mid-October. I made a highlight clip that goes live overnight about it that I can link you after it goes live if you're interested in it for the show

**10/5/2024 10:54 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I demanded he be sober LOL

10/5/2024 11:56 PM

PPP (PoweroftheTruth)

Yeah lets see how it goes. Honestly you would be doing him a favour it may be best to keep dangling that interaction over his head because getting to talk to you will validate his whole pathetic life. He wants it so desperately! 🤔

10/5/2024 11:58 PM

PPP (PoweroftheTruth)

He is slowly dying on the vine.

10/6/2024 12:21 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I also have Boogie on deck and someone from the fighting game community who is very controversial so I have a bit going on this month, which is good. Not sure how to handle Boogie yet but I don't want the entire interview to be rehashing the same shit everyone else did

10/6/2024 12:28 AM

PPP (PoweroftheTruth)

Boogie should be really good

10/6/2024 12:40 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I know. I have people outright telling me not to have him on and people screaming for him to be on. That's why I want to make it interesting and not just dumping on him constantly, but at the same time how do you not dump on him.

10/6/2024 12:57 AM

PPP (PoweroftheTruth)

Honestly you just dump on him there's nothing else to do

10/6/2024 12:59 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol but I you forget I'm an outsider. I actually don't know much about him. I only watched a single doc on him years ago. I am like the ultimate straight man. I do have some interesting questions about his punish fetish though haha

10/6/2024 1:01 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Im going to watch some of your show from today before I go to bed and I heard you finally talked about me vs Ralph to set up our next collab?

10/6/2024 1:07 AM

PPP (PoweroftheTruth)

Yeah people were really excited to have you on about ralph! They loved the guntbusters idea!

10/6/2024 1:08 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Dude Lethal Company is the big viral horror game this year for co-op. Everyone did it but I didn't if you're interested. Also Silent Hill 2 is not dei at all, they just changed the models around a bit but the game is a big mindfuck and fans of the original love it so don't skip it bc some dummies in your chat said It sucks. It's huge and I'm playing it a TON this week and everyone is excited for it

**10/6/2024 1:09 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

My playthrough starts tomorrow and it's the only game people have even been hyped for over a long time

**10/6/2024 1:10 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Or if you want to shit your pants and haven't played it yet, play Visage. I don't get into horror games I just laugh at them, but I played it a few years back and I got spooked

**10/6/2024 1:14 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh dustborn is a bit of a trap

**10/6/2024 1:14 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

That game was played by everyone bc it was supposed to be a trap. So it sold incredibly well bc people played it on stream. It's kind of like Joker 2 if you get what I mean

**10/6/2024 1:27 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Actually no bc Joker 2 is flopping but Dustborn oversold bc they made it to be controversial and it worked, if that makes sense

**10/6/2024 3:19 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

If you don't think Ralph is enough to carry our Ghostbusters special, why not have Cog on as a and apparition and maybe a final surprise i don't even know about as the boss ghost like Gozer! I have no idea how big of an event you guys want to do but I'm down for whatever lol. And now I'm off to bed, fyi maybe watch some of my reactions to you guys watching RTU that I highlighted today

PPP (PoweroftheTruth)

lmao

**10/7/2024 10:55 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey Ashton, a bit of a serious question. I'm considering doing sine streams on Kick and I think the best thing to start with is WWE Chsmptions for obvious reasons. But what is the policy to get partnered and start monetizing? Bc the reason the Champions streams work now is that i raise enough to spend on a mega-pull during the stream. I don't want people to stop watching bc I can't do those pulls as I wait for my brand new channel to qualify via views or subs or whatever to actually be able to make money. So how does it work? Thanks man.

**10/9/2024 10:36 AM**

PPP (PoweroftheTruth)

Ok so in order to be eligible for money over there you need to get to 75 followers and have streamed for 5 hours. The checkmark and the hourly incentive program are each a bit higher than that first benchmark. However if you start streaming or dual streaming to kick and you email kick and let them know that you are DSP and you want to switch to being on kick they will probably at minimum give you the checkmark verification like they did for warski and they might give you a special/immediate path to hourly pay. They are very good that way.

**10/9/2024 10:36 AM**

PPP (PoweroftheTruth)

We can help you get the followers easy and you will probably get them just by telling people to go follow

**10/9/2024 10:37 AM**

PPP (PoweroftheTruth)

inside the creator dashboard it tracks what you need in real time

**10/9/2024 10:57 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

i just looked and i already have over 100 followers LOL

**10/9/2024 11:01 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

okay i see it all, thanks. i was trying to figure it out from my phone last night but you can't even see your dashboard from there i dont think, so i was super confused

**10/9/2024 11:18 PM**

PPP (PoweroftheTruth)

That was a really fun stream!

**10/9/2024 11:51 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Thanks, having you there made it even more hype for everyone

**10/10/2024 12:32 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh Ash, if you were actually serious about a wrestling commentary show, I'd actually be down for it. We'd just have to figure out how to make it work bc I used to kill myself watching a ton of shows a week. I think we have good chemistry and I would totally work with you on figuring it out. Mine was called Smark Guys on youtube and you can probably find it if you search around

**10/10/2024 12:58 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Also someone suggested i just run a stream of clips for 5 hours 9n Kick when I'm not even there. Is that allowed? If so I'll do it on my day off on Friday and get the t hours and be able to get subs on Saturday lol

**10/10/2024 4:43 AM**

PPP (PoweroftheTruth)

Im serious about doing the wrestling show for real. I think it would be alot of fun!

**10/10/2024 4:48 AM**

PPP (PoweroftheTruth)

You can probably get away with the slideshow but its kinda frowned upon. It would be an easy way to get the hours and you aren't in hourly program so it should be fine.

**10/10/2024 5:23 AM**

PPP (PoweroftheTruth)

The main question is if we do it for wwe or aew. More people in your audience seem to like wwe. The problem is wwe is more hours so we would have to pick one weekly show and do the monthly ppv. AEW is less hours and easier to make fun of as its in a full death spiral. But would the wwe fans watch that review show because its making fun of aew or would they prefer a show just talking about wwe?

**10/10/2024 3:01 PM**

PPP (PoweroftheTruth)

Be sure to turn on followers only chat on kick

**10/10/2024 3:01 PM**

PPP (PoweroftheTruth)

you could even go subscribers only temporarily until these idiots fuck off

**10/10/2024 3:01 PM**

PPP (PoweroftheTruth)

I would ban every single person who even tries being retarded for now

**10/10/2024 4:22 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

yeah its bad, exactly as i expected it to be

**10/10/2024 5:39 PM**

PPP (PoweroftheTruth)

There has to be a way to lock it down. We did it successfully.

10/10/2024 5:41 PM

PPP (PoweroftheTruth)

I tried reasoning with some of these detractors about the reporting and flagging but most of them are beyond retarded sadly. I got through to darksydeflow atleast though and he withdrew support for flagging your channel. Honestly most reports to kick go straight into the trash can but we need to get you the checkmark asap so they can't do anything.

10/10/2024 6:14 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Should I just have chat set to sub only tomorrow so nobody can talk? I'm not going to be home to micromanage the chat, the whole idea was for me to gain the streaming hours while it's my day off. Once I'm doing an active stream I can actually mod it myself

10/10/2024 6:15 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

It doesn't look like the AI modding does much lol

10/10/2024 9:10 PM

PPP (PoweroftheTruth)

Yeah just set it to sub only

10/10/2024 10:28 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

hopefully ill be good. i turned on a lot of the AI Bot moderation, i have 3 mods that will be stopping by from time to time, and I'll also be checking in on the phone app when i can. i did a 20 minute demo stream tonight and it looked GREAT

10/11/2024 12:26 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh let's talk about the wrestling show idea! So I'm interested but the major hindrance is the availability of the shows here in the USA. When WWE Network existed I could watch a lot of the stuff on the cheap, and I had cable so I recorded a lot of the regular shows. I ditched cable ages ago and the network is defunct lol. So we have to figure out how I can even get access to the shows and ppvs without spending a ton of money. I have literally never watched aew but heard a bit about it when it started and over the first couple of years, but nothing since cm punk left. An idea could be that we do shows twice a month and one is to cover wwe and the other aew so they could be long depending on what level of detail we want to go into. I can watch stuff if I can find it

10/11/2024 2:51 AM

PPP (PoweroftheTruth)

Ok so we need hulu to watch raw the next day and peacock now has smackdown the next day and the ppvs. Raw will be moving live to Netflix in January and that will probably be the show we do longterm. For now I say you get peacock and you watch smackdown on your day off if it's Saturday and then Sunday or Monday we review it and the ppv if there is one. Smackdown is the big show right now. But raw will be the big one in January. Lets just leave AEW out of it for now. If this show could actually make money maybe we worry about that but for now lets get the cheap peacock plan and just do it for fun and see if we can get some support which I bet we can

10/11/2024 11:22 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Is there any way to disable the stupid clips on Kick? They are now doxxing me, which isn't a big deal as I've been doxxed for a decade but it would be nice to not have that on my page constantly

10/11/2024 12:34 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

man i must be missing something. how can anyone use this website when anyone can clip whatever they want without restriction, and name it the most awful stuff. they are using slurs, stuff about my wife, doxxing etc and i can't stop it, so i have no idea what im supposed to do about it

10/11/2024 12:34 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

im also deleting the clips but they just make more since theres no limits

10/11/2024 8:42 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Well we did it! Just got monetization turned on for the Kick channel!!!

10/11/2024 8:46 PM

PPP (PoweroftheTruth)

Lets gooooo!!! BIG W!

10/11/2024 8:55 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Kick community is retweeting me lol

10/11/2024 8:56 PM

PPP (PoweroftheTruth)

Really?!? Thats great!

10/11/2024 8:56 PM

PPP (PoweroftheTruth)

they might fast track you to verification

10/11/2024 8:56 PM

10/11/2024 9:01 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Just wish I could figure out the clips, it's F'ing awful and impossible to clean up. Is there someone to talk to about this stuff?

10/11/2024 9:02 PM

PPP (PoweroftheTruth)

You can email support and chances are they might actually get back to you but im not sure if they can fix that

10/11/2024 9:29 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Ill try that tomorrow. Also I'm going to more seriously looking into Restream to see about dual streaming

10/11/2024 9:33 PM

PPP (PoweroftheTruth)

Cool

10/11/2024 9:38 PM

PPP (PoweroftheTruth)

The badges you can give people on kick are great

10/11/2024 9:38 PM

PPP (PoweroftheTruth)

and you can sell the crowns and og badges for 20 subs or more a pop

10/11/2024 9:38 PM

PPP (PoweroftheTruth)

we sold crowns for 20 and oga for 50 and sold all of them

10/11/2024 9:38 PM

PPP (PoweroftheTruth)

use fomo to sell founder badges

10/11/2024 9:39 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh i didn't know about any of that stuff, ill have to check it all out tomorrow. Sounds interesting

10/11/2024 9:39 PM

PPP (PoweroftheTruth)

You can have a different custom badge for each month and year they have been subbed

10/11/2024 9:40 PM

PPP (PoweroftheTruth)

we have poker chips

10/11/2024 9:41 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah your chips are nice. I might just use my ccrowns that I've always used since I have so many set up already

10/11/2024 9:41 PM

PPP (PoweroftheTruth)

At the end of the day if you get KCIP you get paid hourly get 95% on subs and you get a weekly payout every Monday instead of youtube holding for an entire month

10/11/2024 9:42 PM

PPP (PoweroftheTruth)

People are more willing in my experience to throw gifted subs because the number is low 5=\$25 but they think 5 and don't think 25

10/11/2024 9:46 PM

PPP (PoweroftheTruth)

They add up quickly too even the singles. And every \$100 you keep an extra \$25 over youtube. 30% is outrageous.

10/11/2024 9:47 PM

PPP (PoweroftheTruth)

It may not end up being the right fit for you but going to kick increased our revenue five times over

10/11/2024 10:23 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah KCIP would be ideal, so that's why I think the restreaming is the best way to go to get to qualify for it. Otherwise I'd never be streaming enough days to qualify

10/12/2024 12:24 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh sorry I didn't mean to dodge you today on the wrestling show idea, I was busy with my day off and this kick stuff. So I can watch smackdown with peacock? What about the ppvs? My old show smark guys ran like 90 minutes to 2 hours and always covered raw, smackdown and impact but would focus on ppvs when they happened

10/12/2024 10:03 AM

PPP (PoweroftheTruth)

Yeah all the ppvs are on peacock and smackdown is on peacock but raw is on hulu and Netflix in January

10/12/2024 4:21 PM

PPP (PoweroftheTruth)

Btw don't worry about the krabby patty thing we had SpongeBob and Patrick for the costumes tonight and I thought it was a fun way to tie it all in. The detractors really are so easy to

control just yesterday they were calling me a pedophile and now today they praise me and suck my dick just because I said phil bad. Very pathetic stuff!

10/12/2024 4:32 PM

PPP (PoweroftheTruth)

You should have got it though and doubled up with the Wednesday meal!!! Just saying!

10/12/2024 5:24 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

lol I don't care, no worries

10/12/2024 5:24 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

none of my fans care about it, they loved the Addams Family meal and it was better stuff to try anyway

10/12/2024 11:50 PM

PPP (PoweroftheTruth)

HUGE W ON KICK TONIGHT

10/12/2024 11:50 PM

PPP (PoweroftheTruth)

10/12/2024 11:50 PM

PPP (PoweroftheTruth)

HOLY FUCK

10/13/2024 12:22 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

LOL it was fun as hell for sure

10/13/2024 12:46 AM

PPP (PoweroftheTruth)

I am telling you kick is the way!!

10/13/2024 12:46 AM

PPP (PoweroftheTruth)

once you get KCIP its over for the detractors

10/13/2024 12:49 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I will have it in 3 weeks

10/13/2024 12:50 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Just have to be streaming 20 days I think and I'm going to restream everything

10/13/2024 12:51 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

My Halloween marathon will be nuts. And when we do Guntbusters too, that will benefit us both huge I think

10/13/2024 12:54 AM

PPP (PoweroftheTruth)

Oh yeah guntbusters and the "racist" moments are gonna be huge

10/13/2024 12:55 AM

PPP (PoweroftheTruth)

we might get some dedicated support for a wrestling show too

**10/13/2024 1:07 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

They're all great ideas! I'm in no rush at all, but did you have a time frame in mind?

**10/13/2024 4:35 AM**

PPP (PoweroftheTruth)

has to be this week coming up I think

**10/13/2024 9:38 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay just let me know a few days ahead of time and I'll shuffle my schedule around, there aren't any major new games out until the 25th so I can adjust pretty much up to then

**10/15/2024 3:11 PM**

PPP (PoweroftheTruth)

can you do this friday?

**10/15/2024 3:31 PM**

PPP (PoweroftheTruth)

in the night slot?

**10/15/2024 4:04 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Sure i think so

**10/15/2024 4:04 PM**

PPP (PoweroftheTruth)

ok just let me know it should be a good one

**10/15/2024 4:18 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

should I get the racist moments clips ready for it? I can put them in a google drive folder and send him the link

**10/15/2024 4:19 PM**

PPP (PoweroftheTruth)

yep lets get it goin

**10/15/2024 4:57 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay ill upload them tonight

**10/16/2024 1:41 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so we are going full ghostbusters for Friday right? I'll have my costume on and the pke meter prop ready to go. If we watch my racist moments and project 7 first I'm not sure if we'll even have time for Guntbusters but im good with whatever, honestly I don't think Ralph is very funny so I'll let you guys judge what's best. I just want to have a good time with you guys

**10/16/2024 1:49 AM**

PPP (PoweroftheTruth)

Yeah we're doing ghostbusters for sure!!

**10/16/2024 1:49 AM**

PPP (PoweroftheTruth)

yeah lets just have fun

**10/16/2024 2:16 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I just watched the racist moments. Holy fuck lolol

**10/16/2024 2:16 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

14 years ago was wild

**10/16/2024 2:17 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

This will make bank but Andy may have to scrub it

**10/16/2024 2:22 AM**

PPP (PoweroftheTruth)

Yeah we will have to watch it and make sure its ok. Kick is pretty loose and lets slurs go most of the time but its technically against the TOS.

**10/16/2024 2:30 AM**

PPP (PoweroftheTruth)

is the gray whale the best gin? It looks cool. I want to get shittered tomorrow lol

**10/16/2024 2:34 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

It was decent but not worth the cost, not better than other stuff. I still think Tangeray is great bc you smell citrus and that's nice. But I'm a bum when it comes to liquor, I've never really tasted top shelf stuff bc I couldn't afford it so I don't know what the best gin would be

**10/16/2024 2:37 AM**

PPP (PoweroftheTruth)

im getting the gray whale then lol

**10/16/2024 3:36 PM**

PPP (PoweroftheTruth)

Rich is melting down bad

**10/16/2024 3:55 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

lol oh really

**10/16/2024 3:56 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

LOL i see the clip with the echo hahahahaha

**10/16/2024 10:54 PM**

PPP (PoweroftheTruth)

I will clip up this reviewtech stuff for Friday as well

**10/16/2024 10:57 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh cool, there's no way I'm watching his raw stream haha

**10/17/2024 12:10 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

How was the gin?? I thought it was just alright

**10/17/2024 12:40 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I had a heck of a day today

**10/17/2024 11:08 AM**

PPP (PoweroftheTruth)

I didn't end up getting the gin yet maybe Sunday I'll get it I just ended up slamming beers and went and saw terrifier 3

10/17/2024 2:36 PM

PPP (PoweroftheTruth)

How long can you give me tomorrow phil? We have so much material it's insane. This show could really cement you as a legend with the audience. The racist moments are so fucking funny! 😂

10/17/2024 5:37 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I know lol. I can try to jump on at 6:30pm pdt i can stay until a little after 10pm. I think the racist moments, Rich stuff and project 7 would be hilarious. I'm down for Ralph but since he won't engage anymore, not sure it will pan out to anything fun afterwards. When I thought up Guntbusters I had no idea he would puss out so badly

10/17/2024 5:40 PM

PPP (PoweroftheTruth)

Don't worry ralph will take the bait. He always does. We will still do some of the ralph stuff and it could be a reoccurring segment the guntbusters thing.

10/18/2024 12:11 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Are you guys streaming on actual Halloween? My Halloween marathon is one of my biggest events of the year and it will likely be more hype this year bc I caught COVID last year and had to cancel. My costume is great (I think) and by complete luck works with everything that has been going on this year with me

10/18/2024 2:18 AM

PPP (PoweroftheTruth)

We will be but we can probably pop on for co-op or something for a bit if you want

10/18/2024 2:27 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Wow i didn't expect you to offer that, that would definitely be cool. Maybe Call of Duty zombies as it comes out on the 25th and would likely be hilarious. And we should keep it under wraps to surprise everyone but say we have something special planned

10/18/2024 2:30 AM

PPP (PoweroftheTruth)

Yeah I'll have to talk with andy but zombies would be alot of fun

10/18/2024 2:32 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

It's addictive and just to warn you, every time I've played it people want me to play all the maps they release all year and this year is huge bc they fucked it all up last year, and are fixing it. So if it goes well and is funny people are going to keep bothering us for more lol

10/18/2024 4:08 PM

PPP (PoweroftheTruth)

WE WON PHIL

10/18/2024 4:08 PM

PPP (PoweroftheTruth)

DICKERS DESTROYED

10/19/2024 12:50 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey I hope you liked my appearance tonight. I was fighting both a bad stomach bc I had McDonald's for DSP Tries It and mt Ghostbusters costume is only a Medium size. It rides up my ass and it's was from 9 years ago so I forgot LOL. I tried to do my best but I think some people in your chat found me boring so I'm sorry for that.

10/19/2024 1:03 AM

PPP (PoweroftheTruth)

IT WAS AWESOME

10/19/2024 1:03 AM

PPP (PoweroftheTruth)

don't worry

10/19/2024 12:42 PM

PPP (PoweroftheTruth)

phil keem just added you to a group chat without me talking to you first despite that retarded bullshit

10/19/2024 12:42 PM

PPP (PoweroftheTruth)

I think we have an interesting opportunity here

10/19/2024 12:43 PM

PPP (PoweroftheTruth)

Jay is willing to blow the whistle on rich and reveal all sorts of receipts

10/19/2024 12:43 PM

PPP (PoweroftheTruth)

we could do a huge show

10/19/2024 12:49 PM

PPP (PoweroftheTruth)

we also have the girl who rich cheated on his wife with who wants to do a tell all

10/19/2024 12:50 PM

PPP (PoweroftheTruth)

the idea is we would all broadcast it together

10/19/2024 12:50 PM

PPP (PoweroftheTruth)

but it would be monday at 3:30 your time

10/19/2024 12:51 PM

PPP (PoweroftheTruth)

I'm not too happy with how fast keem tries to move things though the moment an idea is floated

10/19/2024 12:53 PM

PPP (PoweroftheTruth)

but it could be big for everyone

10/19/2024 12:56 PM

PPP (PoweroftheTruth)

honestly we should talk about this but maybe stall them say monday is too short notice and you need more time

10/19/2024 1:29 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Fyi it's my day off and I'm not even home right now so I can't even intelligently respond. But yeah Monday is bad for me, I just changed my schedule to have Saturdays off every week, so now my react days (which I'm obligated to do bc people pay to submit the vids) is Monday. Also id want to know the time commitment, bc to be honest my viewers are quite tired with RTU drama. I've talked about him a few times last week and I got little to no response, with my regulars asking me to move on. I'm questioning what positive impact this would have for me. I appeared on the Casino last night with you guys to get my drama content requirement in (lol) and I was looking forward to a drama-free week

10/19/2024 1:30 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm not saying I'm out, I'm just saying it has to make sense. He wants to do it at 3pm my time which means sacrificing an entire day of content. I get how this would benefit him and you guys but likely not me

10/19/2024 2:26 PM

PPP (PoweroftheTruth)

I get it. Just relax right now.

10/19/2024 3:27 PM

PPP (PoweroftheTruth)

I hate these fuckers

10/19/2024 3:44 PM

PPP (PoweroftheTruth)

Ultimately it just turned into keem making dictates and showing zero respect again

10/19/2024 8:48 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

That's how it always works with him. But I'm not Wings and Boogie and I don't let myself get pushed around lol

10/19/2024 9:05 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm sorry I don't mean to cost you guys any money or views but I don't really see how it could benefit me overall, I'd actually lose money not working to do it

10/21/2024 12:21 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey, so I'm legitimately interested in the wrestling commentary show idea. Committing to one of the 2 wwe shows a week and a ppv a month is no issue and since it's all on Peacock it's even easier. But I'm curious how we could make it work and make money? Streaming it on Kick makes sense but where do we upload the shows, and how do we make it profitable? Also do we just totally rip off my old show and call it Smark Guys or do we brainstorm a new name?

10/23/2024 12:57 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey man, so I have some confusing and bad news about Kick streaming id like to share with you before I talk with my audience about it tomorrow. I'm shocked to be honest

10/23/2024 1:10 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm talking with Andy now too and I know you're getting that crazy Shrek costume off lol

10/23/2024 1:10 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Kick just denied me verification but I exceeded all of their criteria. And they don't give an answer why, in fact their denial notice says they won't respond if you ask why but you can re-apply in 14 days. I have no idea what's going on but I'm very heated right now. I busted my ass figuring out the dual streaming thing and this is a complete insult. All of my viewers knew I was applying and now I have to tell them I got rejected, which is a fucking huge celebration for my detractors. So now i have no idea what to do

10/24/2024 12:29 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey Ashton I hope you are well. Sorry if I've spammed you with messages or annoyed you this week in some way, I didn't mean to. Things are all good here and I hope they are on your side too

10/24/2024 12:33 PM

PPP (PoweroftheTruth)

Everything is good ive just been working alot and falling asleep right after shows

10/24/2024 4:22 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

okay good to hear man, no problem at all. I just enjoy being friendly with you guys and want to make sure I don't do anything to mess that up.

**10/27/2024 12:46 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey Ash, so I know how busy you guys have been and now with Andy's tonsils and all this RTU stuff i bet you guys are super backed up. I'm still doing my Halloween marathon on Thursday, it's one long ongoing stream from like 11am to 8pm my time rather than broken up, and it's covering 5 horror games plus I'll be boozed up (going to try Scotch for the first time) and in costume. If you guys still want to do some kind of quick crossover I'm down for it, but I also understand if it's not possible and it's all good. It's always a big event for me and I'll be sure to send my viewers your way when I'm signing off regardless

**10/29/2024 12:44 AM**

PPP (PoweroftheTruth)

I really would like for us to line something up that day like coop zombies or something

**10/29/2024 12:45 AM**

PPP (PoweroftheTruth)

apparently ralph is planning on doxing and going after a bunch of our supporters on that day but I don't really think he has anything

**10/29/2024 12:46 AM**

PPP (PoweroftheTruth)

I think its most likely we could come on in the afternoon for a couple hours

**10/29/2024 12:48 AM**

PPP (PoweroftheTruth)

I'm gonna hop in the shower here just letting you know

**10/29/2024 10:37 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey that's great, I haven't done any zombies yet and people are asking me for it. I'd be available between 12-4pm pdt and then again after 5pm til like 8, I just have an hour to eat on stream in between. I assume this would be like Chained Together where we stream our perspectives?

**10/29/2024 12:46 PM**

PPP (PoweroftheTruth)

yep

**10/29/2024 12:46 PM**

PPP (PoweroftheTruth)

also metokur is back

**10/29/2024 12:59 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hes available to do stuff? Nice I'm down when he's ready

**10/29/2024 1:01 PM**

PPP (PoweroftheTruth)

he's streaming on halloween

**10/29/2024 4:11 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

nice glad to hear he's feeling up to it

**10/30/2024 1:22 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey man, let me know when you guys want to do zombies tomorrow

**10/30/2024 2:14 PM**

PPP (PoweroftheTruth)

What time will work for you phil

10/30/2024 2:14 PM

PPP (PoweroftheTruth)

I might not be able to get it playing because my internet is so shit

10/30/2024 2:15 PM

PPP (PoweroftheTruth)

But andy can play worst case and I can talk

10/30/2024 6:24 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

What time will you guys be live? Maybe right after I finish my meal at like 5pm pdt would work

10/30/2024 6:34 PM

PPP (PoweroftheTruth)

the problem is metokur is going live at that time and will steal all the viewers so we were thinking earlier in the afternoon

10/30/2024 6:35 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

okay what about 2pm PDT. that gives me time for the podcast and at least one game, then we can do zombies for 90 mins-2 hours and then i can eat.

10/30/2024 6:38 PM

PPP (PoweroftheTruth)

that should work

10/30/2024 6:42 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

okay sounds good, its a lock

10/30/2024 7:46 PM

PPP (PoweroftheTruth)

cool

10/30/2024 11:49 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so I again want to say thank you so much for everything you guys have done for me and my family by giving me a chance instead of treating me like dirt. Fyi today my wife was able to get a critical test and found out she doesn't have cancer, which is something we were incredibly afraid of all year. We were able to find that out bc we can now afford it. We are still incredibly frustrated bc she has medical issues that apparently cannot be explained yet, and we really thought this was the answer as BAD as it would be for that to have been the source. And now it's kind of back to the start, but we at least know that what she's going through isn't life threatening. And again, this is why I've laid off drama a lot in the last 2 months, she's incredibly stressed out and we are getting back to religion to help her through this pain. I know you and Andy did not intend to help us in this way but you have and I am so very grateful. In November I am taking more time off streams to be with her, and am also going to likely get a new streaming PC to further upgrade my setup. You guys have no idea how much your simple act of kindness has helped my family and I can never really repay you

10/31/2024 12:46 AM

PPP (PoweroftheTruth)

This is really good to hear! I'm glad you're going to be able to take some time off... you're killing yourself with this schedule! I'm really looking forward to tomorrow hopefully my internet can hold up for streaming and gaming a real game. Its kinda bad where im at... I hope we can get you some good bonus support but metokurs reappearance is going to hurt available money. He's going to easily clear \$8-10k tomorrow and some of it from our guys. Hopefully he gives us the interview before the end of the year because it will be massive for us!

10/31/2024 2:09 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm still totally good for the interview on your show if you guys can make it happen

**10/31/2024 3:01 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh also don't worry about bonus support. With the good news today for Kat I don't think there's a thing in the world that could make me unhappy, I am so grateful for everything.

**10/31/2024 9:53 PM**

PPP (PoweroftheTruth)

Im sorry we couldn't do more for you today. I was just feeling really tired. It was lots of fun though! Good gameplay I thought. Hope you had a good Halloween!

**10/31/2024 9:56 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

hey I had a great time and zombies is fun as hell! Would love to do more in the future too. No worries, like I said I'm just overall really grateful for how things are turning out. Made over \$400 today so that's good for me! thanks very much for doing it

**11/2/2024 12:39 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so my viewers have been telling me about this game Liar's Bar and I finally looked into it, I think it's perfect for us for co-op gaming. It's 4 players so we need a 4th (maybe Josh Moon or Wings?) And it's either poker or liars dice from Red Dead Redemption. Someone is always a liar or cheat and you have to guess who, and it's brutal with people shooting each other or themselves like Russian Roulette. It went viral in October so I think it could really work sometime in November!

**11/3/2024 5:45 AM**

PPP (PoweroftheTruth)

That should be fun for a couple weeks from now!

**11/3/2024 5:47 AM**

PPP (PoweroftheTruth)

we are doing an election special Tuesday and it would be big for us if you could do a brief call in for just 10-20 minutes anytime past 5pm pst

**11/3/2024 5:48 AM**

PPP (PoweroftheTruth)

Just give a prediction maybe go through a 270 to win map easy stuff

**11/3/2024 10:50 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

hmm okay, not sure how much I really have to add bc I'm not an outspoken political guy at THIS point in my career. That may change in the future. I could probably call in just before or after my late stream if its a short appearance. My late stream is 7pm PST and ends around 9:30pm PST

**11/3/2024 11:05 AM**

PPP (PoweroftheTruth)

That would work

**11/4/2024 1:27 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

So I think I will end my stream at 9:30pm pst sharp, then get set up and jump on your stream for a little bit. Will others be on too? No problem if so, I'm cool with it

**11/4/2024 10:53 AM**

PPP (PoweroftheTruth)

Yeah josh should be on and maybe a couple other people

**11/4/2024 11:05 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

okay cool should be fun

**11/6/2024 1:23 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay so I totally know what you were doing now. You wanted me to talk politics and now i did and now tbe beast is Unleashed LOL. I just needed Trump to win so I wouldn't get murdered by a mob. And shit man, the entire US government will now be Republican. This clean sweep means a lot, because I'm not on Twitch anymore lol. You guys gave me my confidence back and now this happened, it's like a perfect storm. Thank you, I know you pretty much were intending this. Now I need to figure out how to make it work without isolating and pissing off my longtime gaming fanbase

**11/6/2024 1:49 AM**

PPP (PoweroftheTruth)

ITS HUGE

**11/6/2024 2:01 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol you madman. I hope you guys made out big today with money. I got my usual take from my normal streams and I'm happy. BTW my wife is republican haha

**11/6/2024 1:08 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so I'm going to start doing a once-a-week Kick exclusive late stream about politics. Just announced it today on my podcast. However I do NOT want it to take place at the same time as your show and split our audiences in any way. So I wanted to run it by you, and ask if you know which days in the coming week you guys will be streaming? Fyl I'm sending this same message to both of you so you both know!

**11/9/2024 12:23 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey I'm setting my DSPolitics show for Thursday and I hope it doesn't step on your toes or hurt your viewership in any way

**11/9/2024 12:27 AM**

PPP (PoweroftheTruth)

That will work just fine

**11/9/2024 12:30 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Thanks Ash! I know you guys have tons going on and are rapidly growing and I am very happy to see it

**11/10/2024 2:30 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey I'm still interested in a wrestling show if you ever are, it seems like you guys are growing at such a pace there won't be time. And no worries if that's the case, im also busy but I was intrigued by the idea after having been away from watching for so long.

**11/11/2024 1:08 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Bro. I have such a good political show lined up for Thursday. So many people are going to hate me and I just don't care lol

**11/11/2024 4:52 AM**

PPP (PoweroftheTruth)

IM REALLY EXCITED FOR THE POLITICAL SHOW

**11/11/2024 4:52 AM**

PPP (PoweroftheTruth)

I really would like to do the wrestling show I think it would be alot of fun its just finding the time

**11/12/2024 12:24 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I understand. I'm also busy and my fans are pulling me in tons of directions. If we made it work it would be epic but also likely be tiring, I know from experience, I did a wrestling podcast for

almost 4 years and at first it was fun but it became a chore over time. You guys are on a very HUGE wave of popularity so ride it out and I'll be here if you ever want to do the wrestling show

**11/12/2024 7:24 AM**

PPP (PoweroftheTruth)

I think how we do the wrestling show is this. Once raw goes to netflix in the new year there will be alot of hype and the product is supposed to get more edgy and attitude era like so we start watching it on monday and reviewing it on the Tuesday sometime in the afternoon for like an hour. Honestly we could just do it on your show and you could keep all the money. I think it would just be fun to do.

**11/13/2024 1:02 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

But Ashton, how could we do that and possibly keep up my detractors narrative that you guys secretly hate me, and are only milking me for content???

**11/13/2024 1:06 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

The mystique would be gone. Of course I'm joking. I wish we could milk my detractors endlessly and if you actually think that could make us money, let's do it. If not, I'm down for the wrestling show in 2025. I just want to make content and have fun, and you are a lot of fun to hang out with so I think the show would work. I also really appreciate that you'd give me all the profits, I'd stream it only on Kick so hopefully there would be some crossover there

**11/14/2024 12:35 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

So Thursday at 7pm pst is my political show. No idea if you're streaming thethen but if you covered it, in some ccapacity, even if you rip it a new asshole it would be funny and help it out

**11/15/2024 2:21 AM**

PPP (PoweroftheTruth)

Phil it looks like it was a masterclass! You NAILED IT! HUGE VIEWERSHIP! I think you find your calling. You know you made it in politics when you make so many people mad! Its why people tune in. I think you will find massive success in this if you stick to it and play it smart.

**11/15/2024 10:58 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Thanks, it was a blast. Gotta find interesting topics every week, I'll obviously cover Trump but want to do some different stuff to keep up variety and people's interest. I actually had like 2.5k viewers but 1.5k went to the restreaming thieves. Hopefully more will come over to the real show and contribute

**11/22/2024 1:24 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey I hope you guys are doing okay. No idea what's really going on, I'm talking with Andy so I know nothing that your detractors are saying is true. I'm here to help you guys in any way I can, I'm shutting down your trolls on my streams and I'm ignoring Keemstar, who of course is drooling for drama content. Just let me know if I can help in any way

**11/22/2024 1:24 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Im going to felt Rich tomorrow bc he can't keep his mouth shut

**11/24/2024 8:12 AM**

PPP (PoweroftheTruth)

Everything is good just to let you know phil

**11/24/2024 9:30 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay good to hear man!

**11/27/2024 12:20 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hope you are well Ash! I'm good and ignoring all bullshit, your detractors are tryhards just like mine. Nobody cares especially me lol

**11/27/2024 12:22 AM**

PPP (PoweroftheTruth)

I appreciate that phil. im looking forward to doing the wrestling podcast with you been thinking about it alot and how to make it viable.

**11/27/2024 12:33 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Wow nice, it's an exciting idea for me bc I have no idea what is going on in pro wrestling so it's going to be a weird shock just like the 1st time I was on your show and saw the rogues gallery of drama

**11/29/2024 1:11 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hear you had a great return show, congrats!!

**11/29/2024 1:13 AM**

PPP (PoweroftheTruth)

Thanks phil! It went really really well!

**11/30/2024 1:21 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey Ashton, have you guys made any progress with Metokur? I assume it's another Mutahar situation where they said for years they wanted to talk to me only to back out and avoid the situation in the present. I'm going to react to Joons documentary on him in December so it would be the perfect time, I actually am starting to think that all these people who shat on me over the years are fakes and were only doing it for clout. It's a Gundam too who I'd almost forgot about

**12/1/2024 1:06 AM**

PPP (PoweroftheTruth)

It seems he is avoiding engaging with it in a way. It might be the sickness but he did do a Halloween show. Maybe its our involvement that might be holding it up. Maybe you should invite him directly to level 1 and see if he comes.

12/1/2024 1:06 AM

PPP (PoweroftheTruth)

its been very disappointing to me

12/1/2024 1:07 AM

PPP (PoweroftheTruth)

it would be a massive show but whether it happens on our show or level one it would bring alot of eyes and \$\$\$

12/1/2024 1:09 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I have no idea how to talk to him. When I tried everyone called me an asshole lol

12/1/2024 1:09 AM

PPP (PoweroftheTruth)

Maybe sell it as "he should give a christmas gift to the internet by coming on the level one podcast next tuesday"

12/1/2024 1:09 AM

PPP (PoweroftheTruth)

They are retarded

12/1/2024 1:09 AM

PPP (PoweroftheTruth)

trying to cuck content

12/1/2024 1:09 AM

PPP (PoweroftheTruth)

The only way to talk to metokur is public appeals because his dms are closed

12/1/2024 1:10 AM

PPP (PoweroftheTruth)

I think of you offer a specific date a week or two from now it might put on enough public pressure

12/1/2024 1:10 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I just want to talk to the guy, I actually know zero of him and that's why reacting to his doc will be fascinating. Other Youtubers seem to want it, Justin Whang liked my tweet about the doc

12/1/2024 1:11 AM

PPP (PoweroftheTruth)

I also think he wants as much control as he can have over this situation to go the way he wants and so if its just you and him its more possible

12/1/2024 1:11 AM

PPP (PoweroftheTruth)

its a big dream crossover I would like it to happen just to say it did

12/1/2024 1:13 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I am 100% for it, I literally do not care if he just shits on me the entire time. I want to give people what they want, I just di t know how to do it

12/1/2024 1:14 AM

PPP (PoweroftheTruth)

I wanted it to happen on the casino but I think the likeliest way to make it happen is to call him out to go to level one on a specific day. I think he will react to that and do it.

12/1/2024 1:15 AM

PPP (PoweroftheTruth)

if no response then the next week you call him out in negative way and see if that'll get him to bite

**12/1/2024 1:15 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay thanks man, I really appreciate that

**12/1/2024 1:17 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I am about to upgrade my setup starting tomorrow, finally jumping to a modern pc and all the bells and whistles, as soon as I have that working which will take a few days I'll set the date for my reacting to his documentary and invite him on the show the day after. And I'll call it my ChChristmas gift to the internet lol

**12/1/2024 1:19 AM**

PPP (PoweroftheTruth)

I do have a hail mary move we can do to probably get him on for sure but it puts you at a huge disadvantage just to make it happen

**12/1/2024 1:20 AM**

PPP (PoweroftheTruth)

Smart moves phio

**12/1/2024 1:20 AM**

PPP (PoweroftheTruth)

phil

**12/1/2024 1:20 AM**

PPP (PoweroftheTruth)

**12/1/2024 1:21 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

What's the hail Mary? Again I know nothing, this is all nuts to me haha

**12/1/2024 1:23 AM**

PPP (PoweroftheTruth)

I would say the desperation play would be to offer to watch each others joon the king docs together or worse case just yours guaranteed thats too juicy to turn down and makes him look like a pussy if he doesn't accept

**12/1/2024 1:24 AM**

PPP (PoweroftheTruth)

I think he'll bite on an interview though

**12/1/2024 1:24 AM**

PPP (PoweroftheTruth)

and it'll probably be positive

**12/1/2024 1:24 AM**

PPP (PoweroftheTruth)

he is pretty mellow now

**12/1/2024 1:27 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I wonder if he's gotten wind of my politics show. Everyone seemed to think I was some kind of pussy but now they all shut up. Jim is way more extreme than me but now that I'm not everyone's joke, I know we could have a great conversation there

**12/4/2024 2:28 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Good luck on your return! I'm off on the 4th but I'll try to get caught up, I'm sure you guys will do well

**12/5/2024 12:06 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey just to confirm, you guys can roast me whenever you want and I don't care lol. That was a complete coincidence that I showed up while you were doing it and it's funny. You have to watch a supercut of me completely losing my shit during Street Fighter 6, it's great content for you

**12/5/2024 12:25 AM**

PPP (PoweroftheTruth)

We don't mean anything by it just trying to shake things up see if we can freshen it up a bit and get people interested

**12/5/2024 12:54 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I totally get it man, you never need to worry. My detractors will eat this up tomorrow but then realize my setup got even better, people like me and I'll hit the goal again. This is the cycle of success I will always have and im grateful you guys made this possible. So roast me, and be sure i know when you do bc I laugh at how insanely stupid and heated I get over stuff when I watch it back just like you guys do

**12/6/2024 12:51 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol dude I am totally going to try your gift angle that the politics stream doesn't count today. I don't think it will work but it might be funny and of course it will just piss off my detractors which is the whole idea

**12/6/2024 12:52 AM**

PPP (PoweroftheTruth)

its gonna work 100%

**12/6/2024 12:52 AM**

PPP (PoweroftheTruth)

they are gonna be so mad

**12/6/2024 12:52 AM**

PPP (PoweroftheTruth)

its gonna be awesome

**12/6/2024 12:53 AM**

PPP (PoweroftheTruth)

it shouldn't count anyway its a total fluke!

**12/6/2024 12:59 AM**

PPP (PoweroftheTruth)

they are gonna get soooo mad

**12/6/2024 1:03 AM**

PPP (PoweroftheTruth)

honestly you could just go full out with the gaslighting and claim you hit the goal last night and order food to celebrate anyway

**12/6/2024 1:19 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

It's the holiday season, the streak continuing is my gift to everyone. Of course!

**12/8/2024 1:14 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Do you think us collating again will help either side? I honestly think the Rich thing was absolutely perfect and we struck gold. I feel like Metokur or even Mutahar would also have worked, shit even Gundam. But the world is full of big-mouthed pussies who only talk when it's easy money and then disappear when things change. I've been totally down for this stuff but all the drama people wanted to see ran away. Fyi months ago after Keem was on my show I told him I'd go on LOLCow live this year, maybe around Thanksgiving and he loved it. But now that there's no drama or beef with me he and nobody else is interested. So I totally get

why you guys haven't asked me to be on and likely won't unless we think something up that's big and interesting

**12/8/2024 1:16 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

One honest idea, you guys have me on for a full roast and I take it and respond live. You can be brutal and if I actually get legit pissed it would make great conteny

**12/8/2024 2:47 AM**

PPP (PoweroftheTruth)

Its been tough thinking of the right next opportunity... so many doors keep getting closed in our face and its very discouraging. I've always wanted to avoid going negative or detracting against you because its so lazy and overdone. That being said I fell back on that crutch this last week to see if we could drum up any interest and of course some interest is always there for people being negative towards you. It is very bankable that people will pay and tune in to see you get roasted or a comeuppance or whatever. We could do something like this but it would have to be done a certain way and be a real spectacle to maximize the amount of eyeballs and \$\$\$ to make sure it would be worth while. We would have to give them a real bloodsport coliseum thing and guarantee that everyone talks about it and wants to tune in. I do have some ideas and if you wanted a traditional roast format I can pull from the rolodex and get some high level guests or if you want just us we can do that too. I just want to make sure you want to do because it has obvious drawbacks

**12/8/2024 2:49 AM**

PPP (PoweroftheTruth)

Because we could try and present this as phil faces all the criticism and ridicule head on in the lions den and is moving past it and I think its a narrative most people will buy into after

**12/8/2024 2:59 AM**

PPP (PoweroftheTruth)

but on other hand your gonna get roasted really bad

**12/8/2024 3:36 AM**

PPP (PoweroftheTruth)

im not sure how i feel though because the detractors are fags...

**12/8/2024 3:36 AM**

PPP (PoweroftheTruth)

not sure how good I feel about it

**12/8/2024 9:41 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah they take every single little thing as a huge win, completely ignore or misreport facts, make stuff up just to fit their own narrative about how I'm a huge failure. Meanwhile this has been my best year in a decade. The segment where you talked about me has been their main focus ever since you did it, insisting that you now hate my guts and always did. Keep in mind less than 2 weeks ago, the narrative was that I was avoiding YOU guys bc of the drama at the time. There's definitely money to be made there, but it's just milking the same exact idiots who have paid Tevin, Doody, Craig, Cog and everyone else who has dumped on me.

**12/8/2024 9:43 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I appreciate you seeing that the detractor angle has been done to death. There seemed to be a bit of interest around a 1v1 with Andy in COD, and I get asked every other day about us doing a wrestling commentary show. But it's tough to gage what kind of interest those ideas would really bring in

**12/10/2024 1:25 AM**

PPP (PoweroftheTruth)

yeah its still difficult to know where to take it next

**12/10/2024 1:38 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Even if it goes nowhere, you guys have been great to me and I'm not going to forget that. I'm down for collabs with gameplay or just to appear on your show as a guest to talk drama or whatever. And if it never happens again it's all good. I'd never have hard feelings with what

you guys have done for me. Balls if your court to decide, I get asked a few times a week and I just say we may or may not do something and im always happy to help if I can

**12/10/2024 2:01 AM**

PPP (PoweroftheTruth)

We'll get you on again

**12/11/2024 12:00 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay so I admit I'm a bit slow and dumb but I had an idea.

Wwe games let you sim matches. We could do a mega ppv sim event with all the lolcows you cover on a supercard, tons of matches that are funny and make sense. And a royal Rumble to end the show. It's all controlled by AI so the outcomes are random and unexpected.

We could all comment on it live, I have no idea why I didn't think of this sooner. We can also throw in celebs, politicians and other stuff. The create a wrestler uploads are massive and I bet your fanbase would even make characters for it. I usually did these around Halloween and the Holidays to include seasonal fighters like Santa, Satan, Dracula, the Grinch and more. All of us could even be in it.

I did these Sims for 10 years and they did well, with all of us together they would definitely get some hype.

This is like an easy no-brainer layup, we all are hype when we need to be and I always hype up for these. Let me know if it sounds interesting

**12/11/2024 12:08 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

And I just realized this could be a hype way to advertise and build up our wrestling commentary show, if we do it in 2025

**12/11/2024 12:32 PM**

PPP (PoweroftheTruth)

Its a great idea for next month the rumble is coming up we should do it!

**12/12/2024 2:29 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol great show. SUBANOMICS

**12/12/2024 2:50 AM**

Oh BTW no need to retweet me tomorrow, you guys are streaming so just focus on your own stuff, it's fine

I don't worry I will as long as Im awake

**12/12/2024 2:52 AM**

it was great to have you in chat!

**12/12/2024 1:08 PM**

PPP (PoweroftheTruth)

Sorry I just woke up but I got the retweet in now

**12/12/2024 2:24 PM**

PPP (PoweroftheTruth)

Man I hope you're doing ok. I haven't meant to felt you or make you feel bad man. I hope you keep alot of the changes you made because I think its better for you in the long run. Everything is gonna work out its just a slow period right now. We have to find an exciting new angle. I think you have to keep doing the politics or we have to find something else novel like the wrestling show or maybe a anti-woke media show something like that because the gameplay I think is just circling the drain with limited growth potential. You have to keep doing it for now but we need a new fresh direction.

12/12/2024 2:28 PM

PPP (PoweroftheTruth)

When you were going after RTU you were nailing the drama streams but I think its hard for you when the person hasn't personally come after you and you don't have a history with them to shit on them that hard. I could potentially come on your show and do some drama streams with you but its only a band-aid solution because we need to do something you can replicate on your own consistently.

12/12/2024 2:29 PM

PPP (PoweroftheTruth)

Maybe bringing back some of the old formats you used to do back in the day would help build some good will and hype. Even though they don't directly make money the old dsp tries its and game reviews and stuff people liked those.

12/13/2024 1:42 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

First off I completely agree with you on gameplay. Games are not what they used to be, they are mostly samey shit with no innovation and it's so rare to get a great game these days. People tune in at first but never still around because nothing is worth sticking around for.

12/13/2024 1:45 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

As for the drama stuff, it only works if 1. Someone will play ball and fight back or 2. Someone flips it into a feel good moment. With you guys and Keem, people never expected any of us to get along. With Craig, even though not everyone agreed on how it went, it got attention. But after that, every single person who "had issues with me" pussied out. Mutahar, Gundam, the LolCow crew even Metokur at this point. Only my detractors want to talk to me and I know how stupid of an idea that is from seeing Wings and Boogie make those mistakes.

12/13/2024 1:47 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So the well literally ran dry 2 months in despite my best efforts. In reality, everyone just wanted to milk me and then they threw me away when I wouldn't give them milk. Even Destiny's soyboy crew has admitted this publicly on their own shows

12/13/2024 1:48 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Trust me Ashton, you won't ever make me feel bad. You guys were the only ones to try to give me a chance and help me, and that led to resolution of beef with Keem, ending the BS with Craig, and getting my confidence back

12/13/2024 1:52 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Now it's a matter of figuring out how to make shit work moving forward. I am so open to new stuff as long as it's not CONSTANT drama or making me a villain, bc of what I told you about my wife's health earlier this year. BTW she seems to be slowly recovering despite no doctor being able to explain what she's been going through, lovely American Healthcare being what it is. I'm really sorry I was boring on the show in October, I felt sick/bloated bc I ate fast food and I was slow witted and not adding much. I promise I will be on my A game if we work together again

12/13/2024 1:53 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I appreciate you even caring and writing me these DMs. So many morons think we hate each other, it's great comedy for sure

12/15/2024 1:43 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so im reading back again. I'm actually really sorry that I'm so scattered and stressed. I'm not going to quit the politics show, I want to keep at it but it's frustrating it's actually getting so little support being that I decided to stream it just on Kick. I dunno what happened, I had like 10 consistent supporters there and now I have like 2, DarksydePimp still the MVP but Rend disappeared for a month and we know how Void got brainwashed by Doody. I think initially your supporters jumped on the bandwagon but let's be honest, none of us are 1 million sub youtubers who just get money thrown their way to sneeze. So I think I somehow need to find a foothold on kick that isn't your fanbase, and I have no idea how to do that

12/15/2024 7:23 AM

PPP (PoweroftheTruth)

I've just been brainstorming and thinking the last few days before I respond back

12/15/2024 9:47 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Fyi for the wwe Sims idea, it should work really well but we'd need to have someone create all of your usual suspects in the create-a-wrestler portion of the game for us to use. Don't have to be great, just funny, and uploaded to the community creations with a hashing like #casino to make them easy to find. So hopefully some of your fans would be willing to do that. Otherwise one of us would have to do it and I'm pretty sure none of us have the time lol

Hey watching your show tonight but I don't think i should talk in your chat bc it brings so much negative attention. Another idea: i guest on your show while drinking. Likely no filters for 2 hours or more depending on how strong and much, but I'd hope this would get me some views too. I only drink on stream a few times a year and this time I won't require contributions, I'll just drink casually and go with it. What would be the best unfiltered stuff? Fyi I'm not exist or racist but im jealous lol

12/19/2024 2:12 AM

PPP (PoweroftheTruth)

Yeah that would be a good idea for a show for sure. I'm not sure what you should say but you can pretty much say anything as long as it isn't slurs. I did manage to finally get a big name guest to come on with you he actually reached out to me but he's a real wildcard and a dangerous choice but he will bring a massive amount of attention and drama.

12/19/2024 2:13 AM

PPP (PoweroftheTruth)

I'm not really sure if we should do it or not

12/19/2024 2:13 AM

PPP (PoweroftheTruth)

but it would be big

12/19/2024 2:33 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Who? I bet i wouldn't even know who it is unless it's Destiny after I clowned him a bit recently

12/19/2024 2:41 AM

PPP (PoweroftheTruth)

Well... Its frank hassle. He is quite friendly with us and has been asking to do an interview with you for months. I don't really think anything that bad could really happen but he may be hostile all though he promised me he wouldn't. I will say that he will generate alot of interest and money though.

12/19/2024 2:50 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

He will idiotically show up at my house and get arrested. I don't mind talking to anyone but that guy has proven he can't be trusted to understand the laws of reality. He wanted into my private community over 2 years ago after the Boogie thing and I had to stupidly type out on Twitter that it's trespassing to enter a private community without permission. I wish he had a brain and understood how money making works but I fear if I give him a moment of attention he'd show up in person

12/19/2024 2:53 AM

PPP (PoweroftheTruth)

Yeah see this is the problem with him. I don't think he would actually be able to do it and if he did and you didn't open the door and just called the cops it would be a massive W for you showing that you are a cut above boogie and other tards. I have been really trying to avoid this situation because we only have so much control but its a big hail mary play that will get us alot of eyeballs and my audience will go apeshit to see him on the show. I understand not wanting to do it though.

12/19/2024 2:57 AM

PPP (PoweroftheTruth)

Also I have been watching project 7 because I thought about us rebooting it at some future point and It did have alot of effort put into it and was fun! Maybe thats what we do with the drinking stream is watch that.

12/19/2024 3:02 AM

PPP (PoweroftheTruth)

I think we still try the wrestling show also but I don't think it will be a smash hit however when you did the wwec streams you had alot of wrestling fans so it might be a sustainable little \$200 a week show

12/19/2024 9:32 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

LOL watching back project 7 with an audience that's never seen it before would be hilarious, i know how bad it was and I have tons of lore to add bc it's production was so slapped together and un-professional hence why it looks so bad but is still a fun watch to make fun of

The King is Feeling LUCKY!! (TheyCallMeDSP)

Interesting!

1/1/2025 10:53 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Let's figure out details like where to stream it (kick/youtube or both), how we'll set it up etc. Jumping on my stream now but excited for it

1/1/2025 10:55 AM

PPP (PoweroftheTruth)

have a good stream phill!

1/1/2025 11:15 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Thanks it was a great day!

1/1/2025 11:16 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So let's talk some specifics. First off, are you okay calling it Smark Guys? I'm totally okay with it, i only foresee backlash from my trolls who just shit on everything. The old show has been off the air for over 10 years, I owned all the rights to it and despite my having a falling out with the former host, we never had any contracts in place nor did he own any of the show. So we are 100% good to go with that name if we don't come up with something better

1/1/2025 11:19 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm not sure where to actually DO the show. We could go Kick exclusive but that honestly severely limited the support I've gotten for DSPolitics; the vast majority of my fans have stayed on YouTube. I could co-stream it like I do now with everything, or we could also go YouTube exclusively. However, FYI YouTube is INCREDIBLY RIDICULOUSLY copyright crazy over WWE. We would never be able to use as much as a clip or even screenshot of RAW or a PPV event because they literally strike everything down. Unlike Kino Casino, we would be reliant 100% on us describing what we saw that week instead of watching something live and reacting to it. That's definitely a much tougher thing to do

1/1/2025 11:21 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Theres also the profit to talk about; I know you've said you'd just let me monetize and keep anything made on the show. But I'd want to be totally fair and offer a split of whatever it makes. If you refuse that's fine, but it's only the right and fair thing to do since you're essentially doing me a solid here to try and get something new going.

1/1/2025 11:22 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lastly there's logistics! I assume you would want me to run the show from my end, setting up the streams and Discord etc? That's all fine, my completely new setup should be more than well equipped to handle it

1/2/2025 10:25 AM

PPP (PoweroftheTruth)

Yeah so I think what we do is dual stream it to both youtube and kick. I hadn't even considered using clips because wwe has even claimed the casino on kick before using clips would be nice but I suppose the advantage is people can just listen in the background like a podcast. We will have to take notes though probably so we remember everything that happened and do our best its what I did on my last wrestling show I did years ago. The name is good we could try and think of something else but its solid. I think on the logistics you just run it off discord and send it out to your channels. When it comes to the money if you want to split it I figure the best way is to just paypal me what you figure it made at the end of each week or month. Im not super worried about the money side but if it did make me a little extra each month that would be cool. I think we'll have fun doing it and I think we'll get atleast one whale that will support it good each week.

1/3/2025 1:30 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm of the same mentality, im not looking to make a fortune doing it but if people like it and we branch out a bit with the collab, I think it can help us both. I'm going to try I'm to set it up to look like my old show which is going to freak people out lol, same background and maybe the theme song used bc I still have them. So are we good with Tuesday night at say 7pm pst (my time) and doing a 90 minute or so show? It can run longer if need be, but it will only be covering the one episode of RAW so not sure how long we'll need.

**1/3/2025 1:32 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I can send you money whenever, it seems like neither of us are too concerned bc this is just a pet project for both. YouTube revenue is only 66% unlike kick, PayPal Is much better but im really not going to push people to contribute in any particular way

**1/3/2025 1:33 AM**

PPP (PoweroftheTruth)

Is it possible to run it in the afternoon because I normally do shows exclusively at night. If I was to commit to doing Tuesday night going forward I could no longer do Casinos on Tuesday. We could substitute your Tuesday podcast for this show and if you wanted I could cover regular podcast topics with you on that day also if time needed to be filled.

**1/3/2025 1:34 AM**

PPP (PoweroftheTruth)

I like the idea of using the old show setup 😊

**1/3/2025 2:50 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Well that's fair, everyone has been asking when the Casino is coming back. My podcast usually runs 90 minutes and I can see this going longer especially on weeks with a big show or ppv (or what they're called now, I forgot) and that would likely be fine. Doing a daily podcast gets tough when it comes to content so skipping a day actually isn't a bad thing

**1/3/2025 10:23 AM**

PPP (PoweroftheTruth)

Ok awesome lets set that for tuesday then

**1/3/2025 11:02 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

im actually getting hype for it and putting work in, so i hope people will actually watch. sadly i can't actually promise anything from my side since i pretty much abandoned pro wrestling and im sorry for that

1/5/2025 1:28 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

do you have a good picture or video of you i can use for the intro or should i just pic a randomly bad one? lol

1/5/2025 1:28 AM

PPP (PoweroftheTruth)

Lets try and not give up on it too soon. We gotta give it to mania I think before we write it off. I do think though if we just try to have fun with it and just give honest takes on stuff thats different than how we're "supposed to react" according to the internet wrestling nerds we will find a small and loyal audience for it that will pay

1/5/2025 1:29 AM

PPP (PoweroftheTruth)

Do you mean for on the belt or for a slideshow or what?

1/5/2025 1:31 AM

PPP (PoweroftheTruth)

I think we should also try and do watching aew as a goal I think people will want that but we need to hit good goals for that shit because it's brutally bad right now but it will make for good reactions

1/5/2025 1:32 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

the belt is good, but i want to actually imitate the intro of the original show which was a pic of me and john rambo and then the belt and then the show began. i can use a hilariously outdated pic of you if you want

that will be funny

1/5/2025 1:49 AM

PPP (PoweroftheTruth)

I also think if we can get the chemistry right with this wrestling show we really don't have to limit things to just wrestling. One thing at a time but we could do a once a week DSPPP Podcast with general topics that could appeal to a broader audience. I have some ideas for what we could do and we could experiment with some of them on the wrestling show first.

1/5/2025 2:00 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

i like our chemistry, i think we work well off of each other as long as i dont get tired or bored. thats my problem because im getting older and i fully admit it. i fucking get sleepy if a game bores me but i get hype when something excites me. let see how the wrestling show goes and if it goes well id love to have you on as a guest on the podcast for topics, and i know i could appeal well to your audience if i dont fuck it up.

1/5/2025 2:04 AM

PPP (PoweroftheTruth)

I think we keep things a bit shorter and more varied on a show with us to avoid that. It would be a very different show than the casino show is. We need to find ways to showcase your strengths too I think the wrestling show will do that especially as you catch up to speed with

whats going on. Don't be afraid to disagree with the shit I'm saying about the shows either and have your own takes it will be more exciting that way.

**1/5/2025 2:11 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

oh i am going to be totally honest with my takes, i have no issue with that at all. im really looking forward to watching RAW on monday night bc ive heard so much praise, i hope that some of it is true but its like a whole new generation is watching and ill crap on it if i have to haha

**1/5/2025 3:46 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

How about Smark Guys: the Revival! Just made the intro and the set for the show. Looks so bootleg but the intro is identical to the old show

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol cool. I hope it's not a 4 hour show tonight, I'll have to do a lot of skimming of so lol. I personally preferred RAW as a two hour show than 3, and people told me there may be a serious overrun too lol

**1/6/2025 4:15 PM**

PPP (PoweroftheTruth)

I think this episode is going to be longer but if you skip the commercials it shouldn't be too bad. I wish it was only 2 hours too.

1/6/2025 11:21 PM

PPP (PoweroftheTruth)

Finally getting to continue to watch it

1/7/2025 12:17 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I can call you around 11am my time, and start around 11:30. Only real issue will be getting your volume level to sound good in my OBS I think, hopefully!

1/7/2025 12:17 AM

PPP (PoweroftheTruth)

Ok that sounds good so 2pm my time

1/7/2025 12:18 AM

PPP (PoweroftheTruth)

This show is pretty crazy

1/7/2025 12:28 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

My wife is getting g ready for bed so I'll be watching soon

1/7/2025 12:29 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Got the 4k Netflix plan, no idea what quality the app actually is on my phone but it's the best Samsung from a year ago so hopefully pretty great. Wonder If WWE production quality went up since 2020 haha

1/7/2025 12:35 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Fyi I'm giving the show unlimited time so if we have tech issues or we run long it's all good, gotta try to win People over this first episode

1/7/2025 12:37 AM

PPP (PoweroftheTruth)

Production quality is through the roof phil

1/7/2025 12:37 AM

PPP (PoweroftheTruth)

you will be impressed

**1/7/2025 12:40 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

It's a no brainer to have everything on one place like Netflix, once their archaic deals with other TV companies expire it will be so simple to watch all their stuff in 1 place and their costs will likely go down

**1/7/2025 1:16 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Im incredibly lost but taking massive copious notes lol  
You'll have to explain it all to em

Holy shit you can skip the ads, this is awesome

**1/7/2025 2:15 PM**

great show man, i'm SHOCKED there were zero technical issues. i guess my setup is just that good now! had a blast and im sure it will go even smoother the more we do it

**1/7/2025 2:15 PM**

PPP (PoweroftheTruth)

I think it went so awesome

**1/7/2025 2:27 PM**

sorry about the champions shit just thought it would bring more eyes

**1/7/2025 4:12 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

LOL you know I don't care about that at all, I think making it a running thing would be funny. it really IS funny how many people make a big thing about it so keeping it going works

**1/7/2025 4:13 PM**

PPP (PoweroftheTruth)

Thats not a bad idea! We may as well start kayfabling the wrestling show

**1/8/2025 2:33 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

LOL dude you have to have me on when you talk about me with other guests. I watched the 10 minuted where you roasted me today and I can't stop laughing. I will totally add to it, like I would have ran to my fridge to get lunch meat and throw it away with the lunch meat sandwiches bit. Comedy fucking gold and I love it

**1/8/2025 10:38 AM**

PPP (PoweroftheTruth)

So that guest is a really really smart guy. He's a magician and he worked for PBS making puppets for TV. He also is an expert on UFOs and a really good investigative journalist that debunks all sorts of hoaxes. He's been researching you actually because he's fascinated with your career. He is one of my favourite recurring guests because he's just a normal guy with a family who's very multi-talented.

**1/8/2025 10:41 AM**

PPP (PoweroftheTruth)

Anyway he was begging me to try and get on your show to talk to you about all the different stuff you've done in your career. He will genuinely be very fair and it would be a very respectful interview. He doesn't have a huge audience or anything but he is a nice guy and he wanted me to ask you.

1/8/2025 10:49 AM

PPP (PoweroftheTruth)

As for the wrestling show I think big success and we go again next week. I think we are getting the gears turning on another successful arc.

1/8/2025 10:55 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

He seemed like a pretty down to earth guy when I was on the election show, intelligent conversation for sure. He wants to be on my podcast?

1/8/2025 10:55 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I loved doing Smark Guys and look forward to next week for sure

1/8/2025 11:35 AM

PPP (PoweroftheTruth)

Yeah he wants to come on your podcast whenever you can find time for him

1/8/2025 11:35 AM

PPP (PoweroftheTruth)

I explained to him you have a very rigid and important schedule and he would have to fit into that

1/9/2025 12:40 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Can he shoot me a dm here? I'm open to talk about it

1/9/2025 12:43 AM

1/9/2025 1:02 AM

PPP (PoweroftheTruth)

Thats steves account

1/9/2025 5:25 PM

PPP (PoweroftheTruth)

Ok so I think we have the next step!

1/9/2025 5:30 PM

PPP (PoweroftheTruth)

what we do is we set a good reasonable goal for support that you would be happy with and we make the goal that we do a aew Dynamite the way we frame it is (raw is probably gonna

be a step down next week and disappointing) is that wwe isn't all there is to wrestling we would like to see the competition and have an open mind. We could probably get the aew fans to donate for us to see. Im thinking we should have exclusive goals for our crossover also like once we reach 5 goals or X dollars we do this. Its a good model but we have to set the goals at a rate that makes sense.

**1/9/2025 5:33 PM**

PPP (PoweroftheTruth)

Ya know we can incorporate the wwe video games in to

**1/9/2025 5:33 PM**

PPP (PoweroftheTruth)

like doing special matches we commentate

**1/9/2025 5:33 PM**

PPP (PoweroftheTruth)

Too\*

**1/9/2025 5:49 PM**

PPP (PoweroftheTruth)

Now this is highly autistic but we could run a digital fed week to week with one or two simmed matches

**1/9/2025 5:50 PM**

PPP (PoweroftheTruth)

We can create wrestlers of all sorts of people from the rogues gallery and have them wrestle and we can do main events of the DSP caw vs others 🤖

**1/10/2025 1:15 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

So I agree with your idea to have separate goals for smark guys, since it's not my normal content and a completely different show that's reliant on both of us. Curious what you think the goal should be? I'm totally okay with giving AEW a try to start since I already have MAX, but let's get the AEW fans to support us and incentivise adding that coverage to the show. I also feel upcoming RAWs will not be nearly as good as this premiere and we will be covering them in a far quicker fashion

**1/10/2025 1:18 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I like the idea of simmed matches, and I'd have to figure that out. I'm just starting to REALLY learn Discord, I was using a far outdated version until I upgraded my setup in December. I believe I can capture from my PS5 or PC and import that into Discord for both of us to see and hear, but I'm not sure how I'd also get that to capture properly for the stream, so I'd have to ask around and do a bit of research

**1/10/2025 1:20 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

However the bigger problem is this: getting created wrestlers. They are painstaking to make and there's no way I could do it myself. We'd either have to find a pro (and likely pay them to do it) or ask the fans to do it. When I did my wwe sims in the past, I just downloaded them all from the public servers. This means there will be lots of fun pop culture stuff to choose from, but probably not US, or the lolcows you cover on Kino Casino. TONS of free pro wrestlers and variations though

**1/10/2025 8:33 PM**

PPP (PoweroftheTruth)

What are you doing with memberships/paywalls on dspreacts right now

**1/10/2025 8:33 PM**

PPP (PoweroftheTruth)

because we can play into that

1/10/2025 8:33 PM

PPP (PoweroftheTruth)

Potentially

1/10/2025 9:13 PM

PPP (PoweroftheTruth)

Fuck its gets ruined by that Argentina crap doesn't it

1/10/2025 10:30 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

indeed it does. ill tell you full details later tonight, trying to spend time with Kat for a bit before bed lol

1/11/2025 1:06 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay so the VPN abuse sucks but I have great news. I thought up a way around it last year and it works!

1/11/2025 1:08 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

You can only gift the lowest tier of membership on youtube, all others cannot be gifted. So I created a useless standard tier that has no bonuses and therefore since I make less than a penny on a gifted membership, they are worthless outside of emotes and the channel badges

1/11/2025 1:12 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I have 3 more tiers: submissions at \$5, Super at \$10 and Ultra at \$20. We get more of a cut the higher that they go. And I can actively track how many of each we have at any given time. And we can do private posts specifically to higher tiers to give them more privileges, even make special videos that only go to the higher tiers. The drawback is, one detractor can pay for a high tier sub and just rip/steal the content and make it free.

1/11/2025 10:18 AM

PPP (PoweroftheTruth)

So genuinely if we put stuff behind a paywall you have every right to claim those videos if stolen. I wouldn't claim every little guy doing it to 12 views but if doody did it its getting claimed and you aren't the bad guy especially if theres no commentary whatsoever. But honestly people will pay for additional content to support us especially if its the easiest way. I think we could potentially do a members only stream as well for the highest tier or do a stream that's members only unless we hit a good goal like \$600

1/11/2025 10:19 AM

PPP (PoweroftheTruth)

You already face so much fucking bullshit there's really nothing more than can do in retaliation then they already do and if they stream snipe members streams they are going down bro

1/11/2025 10:20 AM

PPP (PoweroftheTruth)

Its just a step too far

1/11/2025 11:03 PM

PPP (PoweroftheTruth)

I recorded a smackdown review solo vlog that can be put members only

1/12/2025 1:04 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So the problem isn't what's right, it's sadly that they'll break the law and fuck us if we fo something. Let's say we do a members only video and a detractor reposts it immediately. I hit it with a copyright strike, easy takedown. They will then bombard both mtmy react and gaming channels with nonstop false strikes until something sticks. One strike and you can't even stream until it's removed which takes weeks

1/12/2025 1:06 AM

PPP (PoweroftheTruth)

don't they bombard you with that shit constantly anyway or is it consistently reprisals?

1/12/2025 1:06 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

These fuckers stream my stuff at the same time I do. They can try to claim my on demand uploads and say they were the original uploaded. YouTube is run by automation and is too dumb to know thru stole and will grant the claims. The reason I'm still alive while Wings had to delete his entire video history is because I don't issue copyright claims at all

1/12/2025 1:10 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I honestly don't know if they try to hit me nonstop or not. But the few times i tried to do what's within my rights, I immediately got hit with false claims. That's why I haven't taken further action against that RAW Phil channel. If I were rich, I would hire a lawyer and they would have a direct line to YouTube on this. So if things keep going well, maybe I will crush them. But for now the copyright claims game is a bad move since my detractors have shown they'll just break the law and not care

1/12/2025 1:11 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm down to try shorter private streams and videos as a test and see how it goes. Maybe the smackdown review is the first test of it

1/12/2025 1:12 AM

PPP (PoweroftheTruth)

we could start a gumroad/patreon/locals ultimately though people are gonna leak its just whether people will pay for bonuses when leaking still exists

1/12/2025 1:13 AM

PPP (PoweroftheTruth)

maybe its best to stick to streams with goals

1/12/2025 1:14 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Im also afraid this stuff will affect you guys. If we start doing private stuff they may actually think to steal and upload your gumroad content because nobody has ever had consequences for a thing yet

1/12/2025 1:15 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

And if my association with you hurts your income then I'm just going to cut the cord and it wouldn't be hard feelings, just the right thing to do

1/12/2025 1:16 AM

PPP (PoweroftheTruth)

Ah fuck em they can really only do so much

1/12/2025 1:16 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

You say that now

1/12/2025 1:17 AM

PPP (PoweroftheTruth)

I have my own payment processor and I stream on backwater bullshit thats very report resistant

1/12/2025 1:17 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I used to make more money than you guys. They literally destroyed me by committing crimes unchecked for 10 years

1/12/2025 1:19 AM

PPP (PoweroftheTruth)

they do make doing business alot tougher the detractors I won't lie

1/12/2025 1:19 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I lost 40% of my revenue overnight when they hit me with the first wave of false claims in 2015. Then I lost ALL of my fall viewership boost when I was removed from the YouTube algorithm. They crushed me and nobody, including my partnership network Machinima or YouTube, saw it coming. The Internet is still the fucking wild west

1/12/2025 1:21 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Just don't underestimate them, i know you guys ride high and are kind of untouchable with the formula you use but they'll look for the Achilles heel

1/12/2025 1:21 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

They have nothing better to do after all

1/12/2025 1:23 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I love you guys and smark guys is great do far, I got new logos to use starting with this week's show btw and they're awesome

1/12/2025 1:25 AM

PPP (PoweroftheTruth)

I just don't know what to do with the detractors because they refuse to be appeased by just about any addressing of their criticisms. Whether it was Derich or WWE champions or counting everything towards the goal or doing politics it doesn't matter. They never give any credit for things they cried out for years for. That being said there has to be some way to manipulate and monetize them.

1/12/2025 1:28 AM

PPP (PoweroftheTruth)

We need to get them invested in stuff thats meaningless and small that lets them feel like their getting one over by giving money

1/12/2025 1:28 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh there it, but it's the riskiest way. To actually address and expose them. Look what happened with Doody when Keem looked his way. Months of content and his demonetization was a huge win. But I don't make drama content, so he kept at it, deleted all the non-commentary re-uploads and now he's back

1/12/2025 1:29 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I firmly believe there is money in hunting and exposing all of my detractors but the question is, is it worth the risk when they are insane enough to break the law and not care?

1/12/2025 1:29 AM

PPP (PoweroftheTruth)

I think it just needs to be lucrative to be worth you dealing with that shit.

1/12/2025 1:29 AM

PPP (PoweroftheTruth)

you need to get enough money and only pick the right/interesting opportunities

1/12/2025 1:30 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

That's exactly right

**1/12/2025 1:30 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

In 2025 if we figure this shit out, we will make a fortune

**1/12/2025 1:33 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I told Joon the King that the real money is in exposing the insane detractor communities around lolcows. He disagreed bc he said they are too scattered and nobody would care. But I think In my case that's not actually true, bc my detractors are worse lolcows than me when you actually zoom in on them

**1/12/2025 1:33 AM**

PPP (PoweroftheTruth)

we can really do anything with the wrestling show. I think something thats really stupid but will get the detractors hyper fixated is if we have you wrestle a different detractor each week if we hit the goal. We will have the king phil wrestler with the custom DSPW title belt defend it each week against the rogues gallery. That way we only need the fans to make one CAW a week at most. We build it up that you will be devastated if your guy loses. I bet people will actually get invested in who wins the dsp main event each week.

**1/12/2025 1:33 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol that's great, I love it

**1/12/2025 1:33 AM**

PPP (PoweroftheTruth)

this is a relatively harmless outlet for detractors to fixate one

**1/12/2025 1:34 AM**

PPP (PoweroftheTruth)

on

**1/12/2025 1:34 AM**

PPP (PoweroftheTruth)

we can make doody a giant turd

**1/12/2025 1:34 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

We can make it fair and match the ratings of each side so the AI just flips a coin

**1/12/2025 1:34 AM**

PPP (PoweroftheTruth)

exactly

**1/12/2025 1:37 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

This is a great idea we can implement this week, announce that if we hit a goal it's DSP vs Doody in sims. I'd have to figure out the screen sharing through discord to do it and we'd need someone to make me and doody in the latest wwe game

**1/12/2025 1:38 AM**

PPP (PoweroftheTruth)

I honestly think we start with that and than build towards hostile guest appearances but we have to get a few thousand minimum for those and it has to be the ones that people will pay for.

**1/12/2025 1:38 AM**

PPP (PoweroftheTruth)

What should the goal be?

**1/12/2025 1:40 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I have no idea. My viewers already give everything they can I feel. Your viewers are more plentiful and generous, I mean out of the \$500 last week, something like \$300 was kick subs and those are all you

**1/12/2025 1:41 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Danksneedpimp hand to been seen in weeks and gudted 50 subs last minute

**1/12/2025 1:42 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Had not been seen, and gifted. Stupid phone

**1/12/2025 1:44 AM**

PPP (PoweroftheTruth)

I think we need to be making \$500 minimum for it be viable I mean \$300 is probably as low as we could go.

**1/12/2025 1:44 AM**

PPP (PoweroftheTruth)

I feel like we can get that consistently

**1/12/2025 1:46 AM**

PPP (PoweroftheTruth)

but we have to I think find ways to make the show interesting to people who don't care about wrestling normally too

**1/12/2025 1:47 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay so this week we start our own goals. Maybe \$300 minimum and \$500 stretch. It's being split so that's fair. Now what for each goal?

**1/12/2025 1:47 AM**

PPP (PoweroftheTruth)

Its doody and an aew bonus show I think but in which order?

**1/12/2025 1:49 AM**

PPP (PoweroftheTruth)

I say its the DSPWF MAIN EVENT CHALLENGE for the title of the one goal

**1/12/2025 1:50 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

AEW should be lower, it's easier to do for sure. We just have to make sure we cut down our RAW commentary to be more streamlined, 60 to 90 minutes weekly and then we go longer if we keep hitting the goal for aew etc

**1/12/2025 1:50 AM**

PPP (PoweroftheTruth)

that makes sense

**1/12/2025 1:51 AM**

PPP (PoweroftheTruth)

we could make it members only that portion if we didn't hit the goal but that might be counter productive

**1/12/2025 1:52 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Doody wwe sim is definitely a stretch goal, I'd say more than \$500 bc it's work and time to set up. We actually need someone to make the sim fighters, and buy the game and set up the match and hype it up etc so maybe we set a high goal bc it's gonna be big

1/12/2025 1:53 AM

PPP (PoweroftheTruth)

\$750 or \$1000

1/12/2025 1:53 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yes

1/12/2025 1:53 AM

PPP (PoweroftheTruth)

I think we can get it

1/12/2025 1:54 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

And make them know it will be 1-2 weeks to properly set up but we'll worth their time

1/12/2025 1:54 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Well worth their time lol

1/12/2025 1:54 AM

PPP (PoweroftheTruth)

I think we will get lots of submissions

1/12/2025 1:55 AM

PPP (PoweroftheTruth)

if theres one thing the overall dsp community is its creative

1/12/2025 1:55 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

They can tag them #smarkguys and then we can find them easily in the created content search

1/12/2025 1:55 AM

PPP (PoweroftheTruth)

smart!

1/12/2025 1:56 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I did this for many years haha

1/12/2025 1:57 AM

PPP (PoweroftheTruth)

I think the element that you are either taking a W or L and keeping a running tally will have them secretly paying for this

1/12/2025 1:57 AM

PPP (PoweroftheTruth)

also it being so silly

1/12/2025 1:58 AM

PPP (PoweroftheTruth)

you have to make it out like its the biggest deal ever like the winning side is somehow proved righteous by the universe and just be bragging obnoxiously when you win

1/12/2025 2:00 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So how about this. We announce at the top of the show 2 goals: for \$500 we do AEW next week (very easy) and for 1k we do the dsp vs doody sim match, explaining it's complexity to get it working on stream and that it will be 100% fair and random outcome, we'll commentate over it, and that we need the community to make the fighters and arena for it, tagging it #smarkguys so se find it

1/12/2025 2:00 AM

PPP (PoweroftheTruth)

perfect

1/12/2025 2:00 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Good shit

1/12/2025 2:01 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Also for the kayfabe wwe champions part!

1/12/2025 2:02 AM

PPP (PoweroftheTruth)

also what do you think of this TJ gamebox guy? is he just an asshole? apparently he's talked to you via text before. He seems like a low risk hostile guest due to lack of charisma and he only cares about the one point which is champions.(which is basically already conceded sorta) but if he's just insane fuck him

1/12/2025 2:03 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

You should randomly accuse me of owning downfromtherafters again, and I'll again say I have no idea what you're talking about, but then say that the new Gunther (the new guy they just released) is God tier

1/12/2025 2:03 AM

PPP (PoweroftheTruth)

good idea for the grill phil segment! lmao

1/12/2025 2:04 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

And we can keep this shtick going as long as people care

1/12/2025 2:05 AM

PPP (PoweroftheTruth)

the wwe champions stuff gets a cheap pop everytime

1/12/2025 2:07 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I have never spoken to that guy, he is another insane nutjob. He followed me from faction frnto faction after my account was exposed on kiwifarms just to keep leaking where I'd moved to and he fed info so the faction members could be doxxed to get me kicked out. He's a real scumbag and eventually all factions got wind of him and now he's ban on sight lol

1/12/2025 2:08 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

He actually had somewhat of a whale account himself and I think he has a grudge now bc he can't play for real, nobody wants him

1/12/2025 2:09 AM

PPP (PoweroftheTruth)

so if he whaled himself whats his problem?

1/12/2025 2:10 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Nothing. He's the same as all the others, just looking for attention from kiwifarms, my trolls or the internet. Just like the Comcast employee. These are not logical people, they're nuts

1/12/2025 2:12 AM

PPP (PoweroftheTruth)

How much do you think to bring him on to battle about whaling wwe accounts. I actually think of anybody he is the easiest one to fumble a W on that because he actually spent money on it too and his loss is devastating for the detractors because he's the supposed expert witness.

**1/12/2025 2:16 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I don't think it's a good idea bc it's likely, no exaggeration, that he's slow or retarded. Most of the hyper fixated are and to attack them is not going to go well. He's not well known outside of kiwifarms and nobody cares about kiwifarms anymore lol

**1/12/2025 2:18 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

People are interested in us and our opinions and the show is fresh bc I haven't done a show like this in over 10 years

**1/12/2025 2:18 AM**

PPP (PoweroftheTruth)

well the man immediately tried to flex on me in dms that he works 12 hours a day 5 days a week at a real job so I was never a fan although I think its not a bad idea bringing on retards for you to felt in fact I think thats ideal LMAO

**1/12/2025 2:19 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Maybe if things slow down a bit and we need a boost, it's an easy win

**1/12/2025 2:20 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah he holds a full life but had time to stalk me in a mobile game for years and post on kiwifarms and x for years, makes total sense

**1/12/2025 2:20 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

This guy flips burgers or sells shoes haha

**1/12/2025 2:22 AM**

PPP (PoweroftheTruth)

I said as much to him

**1/12/2025 2:23 AM**

PPP (PoweroftheTruth)

so you manage to GRIND 60 HOURS A WEEK AND STILL FIND TIME TO FELT PHIL? What a king you are buddy!

**1/12/2025 2:23 AM**

PPP (PoweroftheTruth)

he thought I was complimenting him

**1/12/2025 2:37 AM**

PPP (PoweroftheTruth)

anyway glad we put the goal plan together

**1/12/2025 9:40 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yes good stuff. Already working on figuring out how to do the sim match. The tech side is a bit tricky bc of no audio or echoing audio, will take some testing but I'm sure I'll figure it out

**1/12/2025 9:40 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I've got a very smart mod who's into this kind of stuff

**1/12/2025 9:53 PM**

PPP (PoweroftheTruth)

ya know one of these days we gotta get you the million dollar man belt

**1/13/2025 1:23 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

LOL a replica belt would look great with my new setup for sure

**1/14/2025 1:14 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Watching raw now, didn't know the Rumble was in only 2 weeks. Getting g hype bc it's arguably my fave plv when you have no idea who is going to win it

**1/14/2025 2:17 AM**

PPP (PoweroftheTruth)

I have to say I'm really enjoying the shows

**1/14/2025 2:19 AM**

PPP (PoweroftheTruth)

royal rumble seems very unpredictable this year

**1/14/2025 2:40 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I liked this show but I have a lot to say so the should be good today. Also upped production value a bit, new logos and leaderboard and fonts. Logos are great and we can maybe sell shirts if the show grows, I already have a store

**1/14/2025 2:55 AM**

PPP (PoweroftheTruth)

It should be a good show for sure

**1/14/2025 11:10 AM**

PPP (PoweroftheTruth)

Ill give a call in about 10 minutes

**1/14/2025 4:08 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

again a great show! honestly not sure if we'll ever top \$500 as it seems we have an audience but not a very big one. My wrestling audience kind of left over the years since I wasn't actively covering it. perhaps we'll grow in time especially if we're covering PPVs and AEW

**1/14/2025 4:09 PM**

PPP (PoweroftheTruth)

We need better goals and begs and I need to promote it more from the casino

**1/14/2025 4:09 PM**

PPP (PoweroftheTruth)

I think it was really fun though

**1/14/2025 4:24 PM**

PPP (PoweroftheTruth)

Its just such an uphill battle to get the bastards to pay because of all the restreamers stealing the hate donos

**1/14/2025 6:10 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

oh thats definitely true

**1/14/2025 6:11 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

it kills my own streams for sure, i did actually used to get way more viewers overall and i know that like half of them were haters, and i didnt really give a shit as long as they didnt ruin my chat

**1/14/2025 6:11 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

now the restreamers take the majority of that traffic

1/14/2025 11:41 PM

PPP (PoweroftheTruth)

its just such an uphill battle with all of this stuff because they make up the majority of people interested but none of them are willing to actually pay to influence something they obsess over even when I'm throwing them bones

1/14/2025 11:41 PM

PPP (PoweroftheTruth)

its just pure mental illness

1/14/2025 11:42 PM

PPP (PoweroftheTruth)

the algorithm is just stacked against us too

1/14/2025 11:48 PM

PPP (PoweroftheTruth)

Its just a really really tough situation which I like the challenge of and trying to change peoples minds but fuck are these people ever stupid

1/14/2025 11:52 PM

PPP (PoweroftheTruth)

I hope you aren't too disappointed we didn't get to the \$1000 but if I shill the show to my audience and we try to vary things besides wrestling we can get there

1/15/2025 10:52 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

no worries Ash. I usually get around 100-150 a stream. thats why I stream so much, I have to in order to maintain stuff. so making \$500 which we split is a win for me, and talking wrestling is fun. sure it would be great to make more but im not going to go crazy over it

1/15/2025 10:53 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

AEW is tonight on MAX correct?

1/15/2025 10:54 AM

PPP (PoweroftheTruth)

yeah its tonight on max at 5PM your timel think the replay will be up right after hopefully

1/15/2025 10:55 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

okay ill likely watch it tonight, this will be interesting to say the least

1/15/2025 10:57 AM

PPP (PoweroftheTruth)

man... I just saw the venue they are doing.... and um... INTUIT Dome it is surely fucking not

1/15/2025 11:01 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

haha

1/15/2025 11:01 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

bingo halls return!

1/15/2025 11:02 AM

PPP (PoweroftheTruth)

its a "music hall" in Cincinnati

1/15/2025 11:02 AM

PPP (PoweroftheTruth)

at one point though they actually sold 70k tickets in london and were doing big buildings most weeks

1/15/2025 11:03 AM

PPP (PoweroftheTruth)

they really fucked it up

1/15/2025 11:09 AM

PPP (PoweroftheTruth)

the new crown logo with the n64 controller is a really cool design btw

1/15/2025 4:22 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

thanks, I've sat on it for over 2 years and decided to adopt it for a clean start in 2025. i like it a lot

1/16/2025 1:03 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Im about to watch AEW for the first time. Pray for me lol

1/16/2025 1:08 AM

PPP (PoweroftheTruth)

im gonna start it up now too

1/16/2025 2:39 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Well you got your tits lol. It'd very outdated stuff

1/16/2025 2:47 AM

PPP (PoweroftheTruth)

I didn't get there yet iv'e been having to take lengthy breaks

1/17/2025 2:53 PM

PPP (PoweroftheTruth)

Hey Phil when was the last time you got to go on a vacation or trip? I know this might be beyond your comfort zone but Hulk Hogan has a bar in Tampa Bay called Hogans Hangout and for the superbowl this year he's going to be at the bar with a bunch of other wrestler friends he has. I think im gonna fly down for the event and rent a table there. I want to offer to pay for your flight and hotel if you want to come down for the weekend and we could drink and hangout and film a video at the bar or something to make it a tax write off or whatever. I know thats kind of crazy but I just think it could be nice for you to go do something fun and maybe meet hogan. It is on short notice but something to think about anyway. Im serious about it. Just don't say anything online about it obviously 🤔

1/18/2025 12:48 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Well first off, thanks very much for the offer. My last actual trip and time off was April of 2019, when I flew back to the East Coast of the USA to get married and spend time with my parents and new wife. Since then it just hasn't been possible because I went through the bankruptcy and financially it hasn't been feasible. Now with how things are going, the possibility of having a honeymoon may actually happen and that's something that we never even thought would happen for the longest time

1/18/2025 12:50 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

As for your offer, if this were 10 years ago and I was single I would literally be there in a heartbeat! I did shit like that on a whim, made tons of videos and money off of it back in the day. Only I was the one paying the way for all of my friends to go to conventions, Wrestlemania etc because I was a big YouTuber! And I had money to blow and man did I blow it haha

1/18/2025 12:53 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

But as for today, I am very much tied down and rooted here in Washington. I couldn't in good conscience leave my wife behind to go party for a weekend and leave her with the house and pets, when I was never able to give her the honeymoon she very well deserves someday. And to be honest, her health IS improving and we are making big progress in that area, but she's

not GREAT yet. So even if it were 100% for business and not pleasure, I'd still have to decline for now. I really hope that she gets fully better over 2025 and then things will open up a bit

**1/18/2025 12:56 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh I have something interesting LOL. Today someone on stream said they would drop a 100 sub bomb on Tuesday if we agree to watch TJPW OR Chocopro (i think they are both Japanese centric wrestling shows, one being on Youtube) and did a review on Smark Guys. I told him I couldn't confirm but to come to the show on Tuesday and he'd have to drop those subs first if he expected anything to happen LOL

**1/18/2025 1:02 AM**

PPP (PoweroftheTruth)

Yeah he would have to drop those subs first but we would do it for sure I imagine! As for the trip if you want I would pay for her to come out too phil and we could set up jasper with a sitter but no pressure I know its alot for you at this point with the health issues and stuff. I just really would like to get you guys out of the house and doing something so the detractors can suck cock forever. I hope we can get this wrestling show going in a sustainable way we just need to get the right few people with \$\$\$ watching!

**1/18/2025 1:12 AM**

PPP (PoweroftheTruth)

I would put you up in the hilton by the beach and bar where im gonna stay too

**1/18/2025 1:25 AM**

PPP (PoweroftheTruth)

Ah I feel bad pressuring its ok Phil... I just want to see you winning and having fun again and It would be fun for me too! But I know its tough for you right now to do stuff like that.

**1/18/2025 9:04 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

hey no worries or pressure at all man. I totally appreciate your invite and offer. it's not possible now but maybe in the future. Also I got tired of squinting at my phone to watch wrestling, so I bought myself a Samsung tablet thats coming tomorrow. All of this is possible because you guys gave me a chance and are now working with me and I really appreciate it

**1/20/2025 2:54 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I just watched aew collision on the new tablet. I fast forwarded through 90% of it, it is literally impact wrestling lol

**1/20/2025 11:23 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

hey so for tomorrows show, wil we be focusing more on AEW this week, RAW or pretty even split? I can go as long as needed, no reason to rush through and jump onto a shorter gameplay stream. Also we should talk about the simulated matches goal, bc as of right now I haven't figured out the audio problem (was actually hoping Andy could help, sent him a DM a few days ago but haven't heard back yet)

**1/20/2025 11:24 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

so we should probably think of a new goal as incentive to dono, not sure if that guy who said he'd gift 100 subs for the japanese wrestling will actualy show up or follow through

**1/20/2025 12:45 PM**

PPP (PoweroftheTruth)

I think we basically split and go as long as needed on each one. Although I'm not sure if we do raw or aew first. AEW basically has become TNA but it wasn't always this way we will go into it on the show. Yeah Im gonna start thinking of some alternative goals right now. Although we could just mute the game audio maybe? But it doesn't seem to be garnering that much interest although I think it would if it happened maybe.

**1/20/2025 12:46 PM**

PPP (PoweroftheTruth)

I'll quickly skim through collision as well and get the results and I might review the tna ppv from last night as bonus content we can put out if we hit a goal

1/20/2025 1:09 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah the Sims didn't even seem to get people excited so likely not worth the trouble

1/20/2025 10:56 PM

PPP (PoweroftheTruth)

Have you played wrestling empire phil?

1/20/2025 11:02 PM

PPP (PoweroftheTruth)

Also how long does your first block usually go?

1/20/2025 11:07 PM

PPP (PoweroftheTruth)

Is it 4 hours?

1/21/2025 12:36 AM

PPP (PoweroftheTruth)

Anyway if you haven't played wrestling empire yet its a wrestling game made by a one man team that is in the style of the old n64 games now being in that weird old style and made by a one man team its glitchy and shoddy in parts but imo that adds to the charm if we have extra time on episodes we can make it a goal that we do the career mode towards the end of the show and I'll stay and commentate with you on it. Some real crazy stuff can happen and the game is only \$20.

1/21/2025 12:36 AM

PPP (PoweroftheTruth)

Its on steam and also Nintendo switch

1/21/2025 12:55 AM

PPP (PoweroftheTruth)

I say we set a \$500 goal for us to review AEW again next week. \$600 and I will review TNA this week as a solo correspondent. \$700 or is it \$800 and we do SNME on the show as triple header next week. \$1000 we start playing wrestling empire. Im not sure if thats the best or most realistic but it would be nice.

1/21/2025 1:01 AM

PPP (PoweroftheTruth)

Also I just want to clear it with you but Im gonna do for grill phil a segment where I question your new setup/tech stream. Its an innocent point where we can get some hype going maybe.

1/21/2025 1:46 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

My 1st block can go until 4pm pacific time and we start at 11:30am so that's quite a lot of time if needed

1/21/2025 1:49 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I think the 1st goal is 500 and should be SNME bc WWE leaned so heavily into it this week and it's easy to watch. I think aew should be our stretch goal bc it's awful lol

1/21/2025 1:50 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So maybe 750 for aew again. If that guy drops the 100 sub bomb then we have to watch Japanese women's wrestling but he may be full of crap

1/21/2025 1:51 AM

PPP (PoweroftheTruth)

ok solid that makes sense

1/21/2025 1:52 AM

PPP (PoweroftheTruth)

ill watch the japanese womens wrestling lmao

**1/21/2025 1:52 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Of course you will haha

**1/21/2025 1:54 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I ordered a lot of socks and they are showing up during the show so I can try them on. I know that's stupid but my new camera the current meme and I have it working for the show so we can lean into it for fun

**1/21/2025 1:55 AM**

PPP (PoweroftheTruth)

ok phil I can make that bit happen good lol

**1/21/2025 1:55 AM**

PPP (PoweroftheTruth)

thats insane

**1/21/2025 1:55 AM**

PPP (PoweroftheTruth)

I was gonna press about you saying you have no socks

**1/21/2025 1:56 AM**

PPP (PoweroftheTruth)

it was a crazy statement 🤪

**1/21/2025 1:56 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I can show you my shitty socks with holes in them

**1/21/2025 1:56 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Im not lying, I wear shit until it wears out. My older underwear have holes LOL

**1/21/2025 1:57 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I don't give a shit, I never put any thought into it. It's like my calves thing from months ago

**1/21/2025 2:00 AM**

PPP (PoweroftheTruth)

people go wild for this shit

**1/21/2025 2:04 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I just picked up a pair of my old socks and boxers and immediately found holes jesus

**1/21/2025 2:05 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I do have newer ones but I just don't notice the old ones. Kat threw out most of them without telling me and bought new ones lol. So I have a bunch of new socks arriving during the show tomorrow, it'll be perfect

**1/21/2025 2:06 AM**

PPP (PoweroftheTruth)

amazing stuff for show and tell tomorrow lol

**1/21/2025 2:09 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Fyi wrestling empire will be the same issue as the wwe Sims. I need advice on how to make stuff visible for sharing on discord calls without creating audio echo. Andy hasn't responded yet and he's likely the most informed person on this subject. Once we figure it out we can do whatever we want

1/21/2025 2:11 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

But I think with SNME at 500, AEW at 700 and that Japanese women's show as a possible grab we will be good this week

1/21/2025 2:11 AM

PPP (PoweroftheTruth)

I think so too

1/21/2025 2:19 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I did want to talk to you about the profit split. We are going 50/50 but haven't talked about taxes. I can just send you 50% before tax if you want, I'm happy making whatever bc it's honestly more than I made on the original show a decade ago. I'd eat all the taxes then. They are around 31% for me in my current tax bracket, so the feds steal that much from me. Or I can subtract the estimated taxes from what we make and send you the difference. I have no idea how Canadian taxes work and how much they rob you, they are also going to tax you on whatever I send you right?

1/21/2025 2:21 AM

PPP (PoweroftheTruth)

yeah they're gonna tax me 40% also but you can write off whatever you send me as a business expense I think its what me and andy do.

1/21/2025 2:21 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Actually lol

1/21/2025 2:23 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Here it's different. If i do that I have to classify you as an employee and that's reeeeeeally bad. I live in a liberal state and they'd require me to actually be recording your hours and pay you a minimum wage. We are all kinds of fucked up out here

1/21/2025 2:24 AM

PPP (PoweroftheTruth)

You can't list as an independent contactor eh

1/21/2025 2:24 AM

PPP (PoweroftheTruth)

contractor\*

1/21/2025 2:24 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So I can't write anything off or I'm fucked, I'll have state income tax idiots after me

1/21/2025 2:26 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm just going to send you the payments via PayPal and take the hit, it's the far better option than dealing with these clowns. I already had them on my ass years ago and I'm still paying for it

1/21/2025 2:27 AM

PPP (PoweroftheTruth)

fuck we need to be making much more than to cover this issue.

1/21/2025 2:27 AM

PPP (PoweroftheTruth)

I don't think thats right to have you eat that full cost

1/21/2025 2:28 AM

PPP (PoweroftheTruth)

the governments are just fucking thieves man

1/21/2025 2:28 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

If you are paying 40% you are actually getting less than me

1/21/2025 2:29 AM

PPP (PoweroftheTruth)

Canada is legit the devil because on top of the provincial and federal rates sales tax is an additional 13% when you spend the money

1/21/2025 2:30 AM

PPP (PoweroftheTruth)

so honestly in the top bracket you lose over half to the government to spend a dollar free and clear

1/21/2025 2:30 AM

PPP (PoweroftheTruth)

but the healthcare is "free"

1/21/2025 2:30 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Let's say we make 2k this month on smark guys. I'll just send you 1k straight on PayPal bc it's fair. I'll pay 31% to the feds and you'll pay 40% to your feds so we both get robbed but I will actually make more

1/21/2025 2:31 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah our sales tax is 11% as well plus I pay a state business and occupation tax of 2%lol

1/21/2025 2:31 AM

PPP (PoweroftheTruth)

jesus christ

1/21/2025 2:31 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So we pretty close

1/21/2025 2:31 AM

PPP (PoweroftheTruth)

alright well as long as you are ok with that

1/21/2025 2:32 AM

PPP (PoweroftheTruth)

they make it impossible to do anything and the system is so complicated you need to get outside help to navigate it as an average person

1/21/2025 2:33 AM

PPP (PoweroftheTruth)

really the system just wants you working for someone else so bad

1/21/2025 2:34 AM

PPP (PoweroftheTruth)

they punish people for trying to rely on themselves

1/21/2025 2:34 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I do not get free health care. I pay 400 bucks a month for mandatory health insurance that does nothing. If I get sick and go to a doctor, I pay for the visit and any meds I have to get plus tests. If I go to the hospital, they send me bills for thousands of dollars. That's our broken system here

1/21/2025 2:37 AM

PPP (PoweroftheTruth)

yeah its fucked. The tradeoff with the Canadian system is that if you need a surgery or a specialist you will be waiting months or years. Honestly none of the countries have it right but

the us system is fucked bad although when I was in the hospital in the us it was more pleasant because they want you to have pills so they can bill you etc. Whereas in canada its hard to get pills/care because its rationed and its hard to get a room in the hospital alot of the time you are on a stretcher in a hallway for hours if not days.

1/21/2025 2:38 AM

PPP (PoweroftheTruth)

also the government offers you assisted suicide if you are old/they don't think its worth treating you

1/21/2025 2:38 AM

PPP (PoweroftheTruth)

assisted suicide now makes up 4% of all deaths

1/21/2025 2:40 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

We live in such a nice world that truly cares about people, as long as the ruling class make a buck on every single thing you do lol

1/21/2025 2:40 AM

PPP (PoweroftheTruth)

for instance in the US I got an MRI in 3 hours vs in canada it takes 2-3 days

1/21/2025 2:41 AM

PPP (PoweroftheTruth)

but its free

1/21/2025 2:42 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So you're good in Canada as long as it's not incredibly urgent, but if it is you're fucked

1/21/2025 2:42 AM

PPP (PoweroftheTruth)

honestly I believe the only reason canada and europe get to even have free health care is because the USA pays for the military to protect everyone so we pay nothing to defense and you guys pay the same taxes and get no care

1/21/2025 2:42 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

That does sound about right

1/21/2025 2:46 AM

PPP (PoweroftheTruth)

yeah as long as you have time its good in canada honestly the system was really great when we had less people but now that we have millions more people coming in the system is strained because we didn't get a proportionate amount of doctors

1/21/2025 2:47 AM

PPP (PoweroftheTruth)

they really messed up the last ten years

1/21/2025 2:47 AM

PPP (PoweroftheTruth)

before that I honestly think it was the best country

1/21/2025 2:47 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Kat needs to see a doctor and is on a lot of meds, and it costs us a ton even with insurance. Because of this i do not go to the doctor unless I absolutely have to. I have not seen a doctor since 2015. Yes a decade. I'm lucky bc I'm not sick. Now imagine the average American who likely just sits at home sick and eventually dies bc they can't afford treatment. This system is grim and horrific.

1/21/2025 2:49 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

And people say fucked up stuff like I blew all my money on mobile games. I mean I did spend a ton, but I've spent way more on medical stuff for my wife but I'm not going to fucking tell anyone that

1/21/2025 2:50 AM

PPP (PoweroftheTruth)

well yeah you can't say anything

1/21/2025 2:50 AM

PPP (PoweroftheTruth)

it will just be used against you

1/21/2025 2:52 AM

PPP (PoweroftheTruth)

it was a mistake from the beginning to ever say you were in a tough spot I think because people are more willing to give to the homeless guy asking for beer than they are the one asking for food tbh.

1/21/2025 2:52 AM

PPP (PoweroftheTruth)

which is kinda fucked but thats the way people are I think

1/21/2025 2:54 AM

PPP (PoweroftheTruth)

although you were highly successful with the bills beg so I can't say it doesn't work but maybe long term its detrimental compared to just pure greed and shamelessness

1/21/2025 2:54 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol I am admittedly doing way better now than I was before

1/21/2025 2:55 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

People see the improvements to my content now and can't deny that the money is helping unlike before

1/21/2025 2:55 AM

PPP (PoweroftheTruth)

which its not even greed anyway these detractors are fags who expect to be paid for every second they work and complain about how much they do get paid

1/21/2025 2:56 AM

PPP (PoweroftheTruth)

just like everyone else

1/21/2025 2:56 AM

PPP (PoweroftheTruth)

if they could get paid to talk about their hobbies or play games they would do it in two seconds but they can't because they either flat out suck or lack the balls to do what they want in life

1/21/2025 3:00 AM

PPP (PoweroftheTruth)

oh yeah you are killing it right now

1/21/2025 3:00 AM

PPP (PoweroftheTruth)

your responses didn't pop up until this second twitter messed up lol

**1/21/2025 3:01 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

That's happened to me too no worries

**1/21/2025 3:04 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I love that they now say I'm spending TOO MUCH money on my business when it was always that I was blowing all of my cash on mobile games before. Not that I was broke bc I had no credit bc of my bankruptcy and my wifes medical bills in addition to the mobile spending. But nobody cares about reality, just the memes

**1/21/2025 3:07 AM**

PPP (PoweroftheTruth)

yeah people just deny reality and live in an alternate world

**1/21/2025 3:07 AM**

PPP (PoweroftheTruth)

I deal with it too its sad

**1/21/2025 3:08 AM**

PPP (PoweroftheTruth)

they try and say I have no viewers or money. But I'm ok with that let them think I'm poor. If they knew what I had they would freak out and try to destroy me much harder im sure.

**1/21/2025 3:08 AM**

PPP (PoweroftheTruth)

no matter what decisions you make they will be criticized

**1/21/2025 3:09 AM**

PPP (PoweroftheTruth)

its the haters ultimate cope no matter what happens they still hate

**1/21/2025 9:10 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so some bad news. My internet has been out for over 5 hours and I have no idea when it's coming back. So it's likely we have to postpone the show

**1/21/2025 9:11 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

It's an outage with my ISP so just shitty timing

**1/21/2025 9:16 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Their original message says it could take until 7pm my time for it to be restored but im going to give them a call for an update. Likely we have to do tbe show tomorrow if you can

**1/21/2025 9:37 AM**

PPP (PoweroftheTruth)

Fuck man!

**1/21/2025 9:38 AM**

PPP (PoweroftheTruth)

Thats tough

**1/21/2025 9:40 AM**

PPP (PoweroftheTruth)

Well keep me posted I can do it tomorrow I think

**1/21/2025 9:47 AM**

PPP (PoweroftheTruth)

I can do it tomorrow its all good

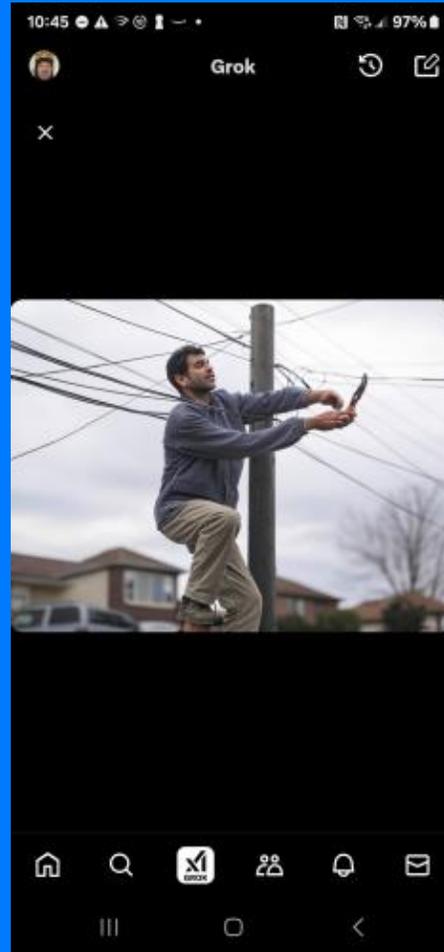

1/21/2025 9:53 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay cool. Of course this had to happen on our smark guys day

1/21/2025 11:00 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Dude I have a quick funny bit for Smark Guys tomorrow lol <https://t.co/dUqidwce90>

1/21/2025 11:18 PM

PPP (PoweroftheTruth)

ok kino!

1/21/2025 11:21 PM

PPP (PoweroftheTruth)

yeah we'll start with all the extra curriculars and then go into wrestling

1/21/2025 11:21 PM

PPP (PoweroftheTruth)

what do you think aew or wwe first?

1/21/2025 11:47 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Aew to get it out of the way, as we not be doing it regularly

1/21/2025 11:54 PM

PPP (PoweroftheTruth)

ok solid

**1/22/2025 12:15 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Im actually interested with Saturday night main event with all those high profile matches , and the royal Rumble around the corner. I hope the show goes well today despite the shitty delay. I hope our hamming it up over tech stuff and socks does something bc I'm pissed about losing a day of streams to some crackhead fuckwad cutting the lines here for fun

**1/22/2025 12:25 AM**

PPP (PoweroftheTruth)

yeah honestly we will probably do saturday night main event no matter what but if we fall short of 500 its tough I'm hoping to push for the 1k but who knows if that 100 sub guy is legit or if he's gonna be here for wednesday

**1/22/2025 12:25 AM**

PPP (PoweroftheTruth)

wwe is doing much better

**1/22/2025 12:25 AM**

PPP (PoweroftheTruth)

its actually fun to watch

**1/22/2025 12:25 AM**

PPP (PoweroftheTruth)

aww though... man its on hard times

**1/22/2025 12:33 AM**

PPP (PoweroftheTruth)

I did alot of promotion for our show on the casino tonight

**1/22/2025 8:57 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Nice thanks for that

**1/22/2025 8:58 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Attachment with type image/jpeg

I'm going to say Tony Khan cut the lines to prevent us from reviewing AEW lol <https://t.co/LKplhwitXD>

**1/22/2025 9:39 AM**

PPP (PoweroftheTruth)

**1/22/2025 10:33 PM**

PPP (PoweroftheTruth)

Honestly the stream was really funny we are starting to develop that good chemistry and comments are positive and the views are decent looking at the 3 episodes

**1/22/2025 10:34 PM**

PPP (PoweroftheTruth)

We just didn't get the money

1/22/2025 10:34 PM

PPP (PoweroftheTruth)

I think you were right it has to go to the night slot on Tuesdays

1/22/2025 10:35 PM

PPP (PoweroftheTruth)

i am doing the casino Monday Wednesday and Friday now so unless a massive emergency story happens on a Tuesday it should be no problem and in that circumstance we could shift it to Wednesday

1/22/2025 11:06 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay we can give it a go on Tuesday night. As long as we end the show around 9:30pm pst it would be perfect for a late night stream for me

1/22/2025 11:20 PM

PPP (PoweroftheTruth)

That's perfect more than enough time

1/22/2025 11:51 PM

PPP (PoweroftheTruth)

I see some channels are actually using wwe footage I wonder how they get around it...

1/23/2025 12:15 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I also wonder. Every single time we tried to use footage or even music on our old show WWE destroyed us. I filmed a few entrances from the crowd at weestlemania, all got stricken down. And Joon the King's documentary got copyright claimed for TEN SECONDS of WWE footage in the 4 hour doc lol

1/23/2025 12:17 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Also if you've ever seen Botchamania, I love that show and used to watch it back in the day. We'll the owner Maffew had to create and elaborate network of backups and alternate places to upload after getting taken down so many damn times

1/23/2025 12:24 AM

PPP (PoweroftheTruth)

I know.. I have no idea what the trick is

1/25/2025 3:09 AM

PPP (PoweroftheTruth)

are things going good

1/25/2025 9:52 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Sure! Weird week for me, with having lost a work day with no internet, then having an extra day off to spend with the wife, now I'm off again for the 3rd time for my normal day of errands. Feels off to only have been working half the time, but that's only bc I usually work so damn much. Hope everything is good on your end! I'm getting Peacock tonight for Main Event

1/25/2025 11:51 AM

PPP (PoweroftheTruth)

Peacock is actually great its just like the network it has all the old wwe and wcw stuff except for the raw archives which are on Netflix

1/25/2025 11:52 AM

PPP (PoweroftheTruth)

Enjoy the time off its good for you!

**1/26/2025 1:42 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol well I have a lot to say about main event. I think I'm getting back to form on wrestling commentary now, I took a lot of notes and this will be fun

**1/26/2025 1:43 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

BTW are we confirmed doing smark guys on my late stream for Tuesday?

**1/26/2025 1:53 AM**

PPP (PoweroftheTruth)

Yeah 100%

**1/26/2025 1:54 AM**

PPP (PoweroftheTruth)

yeah it was an interesting show for sure

**1/26/2025 1:55 AM**

PPP (PoweroftheTruth)

between that and raw we should have lots

**1/27/2025 12:41 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay I will get stuff running around 6:30pm My time and give you a call, we'll start the show at 7 and run til Around 9:30. Should be perfect now that we have the flow down a bit better

**1/27/2025 10:28 AM**

PPP (PoweroftheTruth)

yeah this will be the best show yet I think we started to crack the code last week you were getting alot more takes in and flowing well

**1/27/2025 11:07 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

also im not using the headphones, and having the surround sound shit off so there shouldn't be audio issues

**1/27/2025 11:08 AM**

PPP (PoweroftheTruth)

I think it was some issue in OBS

**1/27/2025 11:09 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

it was my fault, i had windows sound set to spacial audio because i was playing call of duty with my headphones. so it made all audio sound like it was in a giant echoing cave lol

**1/27/2025 11:09 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

once discord was open there was no way to fix it without restarting everything but we were already live

**1/27/2025 11:12 AM**

PPP (PoweroftheTruth)

shit... ok... at least we know now exactly what was up. Way better than my troubleshooting skills lol

**1/28/2025 2:24 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I just realized we didn't plan goal level d ls and rewards for this week. We're already burnt out after last week lol

**1/28/2025 11:05 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

people tell me you had a crazy night on the casino, hope you're not too hung over haha

1/28/2025 11:33 AM

PPP (PoweroftheTruth)

Fuck im in a bad spot right now phil

1/28/2025 11:50 AM

PPP (PoweroftheTruth)

Im gonna try real hard to do this today I didn't mean to drink so much im vomiting constantly

1/28/2025 1:12 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Ugh fuck man, you gotta take care of yourself

1/28/2025 1:13 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

We can postpone to Thursday if you need to, just let me know

1/28/2025 1:22 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Fyl I already posted up that we may postpone until Thursday so they already know, no big deal if we do

1/28/2025 1:53 PM

PPP (PoweroftheTruth)

I feel so bad about it I honestly thought I was only gonna have 3 beer and then buddy dropped 100 subs so I was like he's gonna get his moneys worth but I went way too far

1/28/2025 1:53 PM

PPP (PoweroftheTruth)

Im starting to feel a bit better though

1/28/2025 1:53 PM

PPP (PoweroftheTruth)

its just a nasty process and only time and water can fix it really

1/28/2025 1:54 PM

PPP (PoweroftheTruth)

Im considering going to get an IV rehydration

1/28/2025 1:54 PM

PPP (PoweroftheTruth)

I planned to do fire sales for our show also but im not sure that is a wise course of action now

1/28/2025 2:19 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Want to just postpone? Makes sense to do it when you're feeling up to it. Rather than forcing though at half capacity

1/28/2025 2:45 PM

PPP (PoweroftheTruth)

I just feel really really bad about that I made a commitment to do it with you at that time and I shouldn't forgo that because I was irresponsible

1/28/2025 2:46 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I've already ran it past my viewers and they are okay with it, i can just do more games. No worries man, I want you to feel better and do the show when you are 100%

1/28/2025 2:47 PM

PPP (PoweroftheTruth)

Ok phil Im really really sorry about this

1/28/2025 2:47 PM

PPP (PoweroftheTruth)

I'll make it up to you somehow

1/28/2025 3:01 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Again no worries, feel better and we'll put on a great show Thursday

1/29/2025 1:09 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hope you're feeling better, I've certainly been there lol

1/29/2025 3:01 PM

PPP (PoweroftheTruth)

Its tough but im back at it tonight

1/29/2025 4:27 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

and now i feel like shit, must have caught something when I actually left the house on Saturday. just did a half stream with a half voice

1/29/2025 4:38 PM

PPP (PoweroftheTruth)

fucking hell

1/29/2025 4:39 PM

PPP (PoweroftheTruth)

we just can't catch a break

1/29/2025 5:16 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Well unless I'm on my deathbed I'll still be doing Smark Guys tomorrow. The show will be a success!!

1/30/2025 1:25 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Feeling much better now so should be great for the show tonight! Hopefully the night slot will bring some new attention despite the day shift

1/30/2025 1:36 AM

PPP (PoweroftheTruth)

I pushed it on the show tonight too. Hopefully we get some of my regular audience with the new timeslot.

1/30/2025 4:41 PM

PPP (PoweroftheTruth)

What time should I get on the show?

1/30/2025 5:01 PM

PPP (PoweroftheTruth)

Or on the call rather?

1/30/2025 5:26 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'll be setting up around 6:30pm my time so I'll give you a buzz once i get stuff running, shouldn't take long

1/30/2025 5:30 PM

PPP (PoweroftheTruth)

Ok awesome

1/30/2025 10:04 PM

PPP (PoweroftheTruth)

Phil I just want to say that I am sincerely sorry about any comments I made about Kat that were nasty I don't necessarily remember what I said but Im sure it wasn't nice.

1/30/2025 10:04 PM

PPP (PoweroftheTruth)

I really appreciate you doing the shows with me

1/30/2025 10:04 PM

PPP (PoweroftheTruth)

you give alot to the show and I think you came off like a million dollars tonight

1/30/2025 10:12 PM

PPP (PoweroftheTruth)

I don't think I handled that right on stream I feel bad about the situation tbh

1/30/2025 10:12 PM

PPP (PoweroftheTruth)

its just hard separating what I should say as a person from what PPP should say on a show

1/30/2025 10:13 PM

PPP (PoweroftheTruth)

I had my editor make timestamps as we were going that we can add to the description so people can go to the sections they want

1/30/2025 10:14 PM

PPP (PoweroftheTruth)

Or in the comments I should have them here in a second

1/30/2025 10:24 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

i will add them tonight! Perfect idea

The King is Feeling LUCKY!! (TheyCallMeDSP)

Added!

**1/31/2025 1:27 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay so I'm finally able to comment. You have nothing to worry about man. I understand the public appearance vs private person difference probably more than anyone else. I only brought up the comments about Kat bc my detractors have mentioned them nonstop as if they happened yesterday and you were still saying them. I know this isn't the case and I also know your opinion on me has changed since we met on your show. Why else would we be doing a show together? It's sure as hell not making us rich and you don't have fun with someone you secretly hate. It's all good between us

**1/31/2025 1:28 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Fyi my viewers have been asking me to grill you back on the show so I tried it tonight and I think it was interesting. I just don't know how else to grill you bc I honestly do t follow drama, and you don't have dedicated retarded detractors who follow you like i do to make it easy lol

**1/31/2025 1:38 AM**

PPP (PoweroftheTruth)

It was good you pressed back and makes things more interesting I just wish I had looped things back more to how things had changed since I randomly watched hater clips of you and said whatever troll bullshit and that I have respect for you and viewed the detractor circus around you as unwarranted and that behavior I did was cruel and unwarranted which it was. But its hard live to say everything right. The "grill segments" I think asking about the bank stuff was too pandering to some of the retarded people. I just want it to more be just having fun with all the insane narratives people cook up every week and kind of disarming them with over the top things uorthodox tactics that they wouldn't expect and that build good will with neutral observers.

**1/31/2025 1:40 AM**

PPP (PoweroftheTruth)

the more jovial and embracing of the circus sideshow of these obsessive guys you are the better chance we have appealing to other people if we seethe we lose. Unfortunately a lot of people are never giving us a fair hearing no matter what but I think its hard to hate the phil from the show tonight,

**1/31/2025 1:43 AM**

PPP (PoweroftheTruth)

it just feels bad that a certain amount of people always hate and act foolish and can't have their minds changed

**1/31/2025 1:50 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Dude that echo. Now I actually do know what happened and this will 100% be solved next week lol

**1/31/2025 1:50 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

This week was better but if I had just worn the headphones again there would have been no echo, im just stupid

**1/31/2025 1:53 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm also done seething, I find the obsession hilarious and I like what we're doing with it. Week by week we are destroying their memes and making them powerless

**1/31/2025 2:03 AM**

PPP (PoweroftheTruth)

we just have to keep trying new stuff and eventually something will click

**2/1/2025 10:01 AM**

PPP (PoweroftheTruth)

Have fun with the rumble tonight!

**2/1/2025 10:16 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

You too! I'll be watching it late but staying off the net to avoid spoilers, absolutely perfect that I'm not working today so no asshole can spoil it for me in chat

**2/1/2025 11:24 AM**

PPP (PoweroftheTruth)

Yeah it really worked out that neither of us were streaming

**2/1/2025 9:25 PM**

PPP (PoweroftheTruth)

Ok I think I came up with the next big grift payday!

**2/2/2025 3:19 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Just finished the Rumble. Wtf it was a wild ride and I didn't see that coming, it made no sense

**2/2/2025 3:19 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Excited to hear this idea, I'm hitting the sack, this was so long lol

**2/2/2025 9:21 PM**

PPP (PoweroftheTruth)

Ok stay with me on this... how much money would you realistically need to do a polygraph test? It would need to be a good pay and I think we can get it and I have a realistic path for us to do it.

**2/2/2025 9:25 PM**

PPP (PoweroftheTruth)

So steven cambian is a good friend of the casino and he is as I told you an investigative journalist who worked for PBS and he is trained on and owns a polygraph machine. My plan is the following this week on smark guys we make it a goal for the following week that he will interview you if we hit the goal and that it will be a hard hitting interview. The next week we have him on and we have the interview deliberately go "too far" where you kick him off because you're pissed. Then what we do is set up a givesendgo these fundraisers are fool proof there is no way to get deplatformed with a goal of 100k to fly steve and myself to Seattle to put you on a polygraph and we allow questions to be asked for \$500-\$1000 a question. I bet we can smash that goal and give you the vast lions share of the money.

**2/2/2025 9:26 PM**

PPP (PoweroftheTruth)

Remember that legally the test is inadmissible for both civil and criminal proceedings so its basically theatre

**2/2/2025 9:27 PM**

PPP (PoweroftheTruth)

but we need minimum 100k I think for it to be worth it for you and I think 70-80 percent for you is fair

**2/2/2025 9:28 PM**

PPP (PoweroftheTruth)

But its kinda a crazy concept so not sure if you would be down for it

**2/2/2025 9:28 PM**

PPP (PoweroftheTruth)

but Steve has multiple high quality cameras and we could film it from multiple angles and edit it in a real cool way. Warski can help with it too.

2/3/2025 12:34 AM

PPP (PoweroftheTruth)

We certainly don't have to do that if you want but its a scheme that came to me

2/3/2025 12:56 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay so I'm thinking it through and I see a few big issues to work around. The biggest one is very simple: my detractors do not pay for anything that doesn't directly benefit a detractor. They send me dollar tips sure, but there is no way that they will send big bucks to anyone outside of their community. Even if it's a complete scam like supercrazy, they'll send him thousands but they won't pay us a few hundred to see push-ups which they've claimed they wanted for years. In the case of you or Steve, they will never believe that it's a legit attempt to expose me, especially because we are doing a weekly show together. They overanalyze absolutely everything

2/3/2025 12:58 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

We'd need to prove that they will pay for something before we go nuts planning a huge event IMO and so far they have let us down. My fans do not care about drama so they wouldn't even factor in here

2/3/2025 1:15 AM

PPP (PoweroftheTruth)

I think we do the interview portion with steve and we make him such a babyface for the detractors that they will pay him and trust he wants to expose you. I think all we do is see how it goes over and what the reaction is and then open the fundraiser. If we get enough money we plan to do it if theres no money then we don't do it and back to the drawing board.

2/3/2025 1:16 AM

PPP (PoweroftheTruth)

I have a feeling the broader internet might pay for it. Honestly if nobody supports that idea I think their crazy its amazing content.

2/3/2025 1:16 AM

PPP (PoweroftheTruth)

But I understand your skepticism its valid because that community is useless as fuck

2/3/2025 9:53 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm not sure how involving Smark Guys would work? Right now we are starting to get into our stride a bit, getting g better at it and things will be picking up with wrestlemania season. I think the show will do well this week with the Rumble recap. But we are already going 3 hours on the show as is. I could see the drama angle working on the Casino but we don't have that crowd on smark guys, so I think it may fall flat and use up a lot of time that viewers would prefer to be about wrestling

2/3/2025 9:57 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

And to be honest,for the first time in many years I finally don't have random creators I don't know dumping on me constantly and my viewers greatly appreciate that. So Im not too keen to jump into a position where we fabricate that scenario again. It could be worth it if werecontrollingthe narrative the way lolcow live obviously fabricated and controls their fake drama, but we then have to find that monetization angle to takeadvan5age of it. My big supporters are way fewer than yours and already keeping me going, so the question is how to capture others who Would pay for this drama and ensure it's worth the trouble

2/3/2025 11:48 AM

PPP (PoweroftheTruth)

Ok Phil. I understand.

2/3/2025 12:07 PM

i think thats the best course of action. i am not totally against your idea or stuff like it to be clear, im just really enjoying what we've got started and think we can grow it a bit more before we try to derail it haha

**2/3/2025 6:28 PM**

It should be a really fun show tomorrow it'll probably be mostly wrestling tbh I have to watch raw now and do notes

**2/4/2025 2:28 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Good raw tonight, this is likely our most solid show for pure wrestling commentary as we can start talking about ec and speculating on wrestlemania

Hey so FYI discord has gone down. Hopefully it's back up in time for tonight's show, I'll keep checking

**2/6/2025 7:16 AM**

PPP (PoweroftheTruth)

Phil I want you ton answer this question honestly... If you could do anything on live stream and money wasn't a consideration what would you be happiest doing? What sort of show?

**2/6/2025 7:56 AM**

PPP (PoweroftheTruth)

to\* not ton!

**2/6/2025 9:34 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Wow that's honestly a question I never even think I've thought to answer because I've never really had that opportunity. All of my time on a stream has to be used wisely to make money most of the time. I'm going to think about this today and get back to you bc it's actually pretty intriguing

**2/7/2025 12:26 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

So I thought about this a bit today. First, I'm pretty upset that outside of my direct core fanbase, nobody takes me seriously. I used to have a LOT of clout back in the day, and even spoke up about laws that were in the process of being passed in the USA that would be harmful to gamers or people who like internet culture. And I was able to get HUNDREDS OD THOUSANDS of views on videos about those topics. I just wish that today I could chime in on a topic on a show that I know i could add value to. I have a huge wealth of knowledge about content creation/youtube/streaming and that lifestyle and grind. But literally NOBODY has ever asked me about it, because I was branded as a living joke, meme and lolcow. I think I could really add insight and help people of people would just shut the fuck up about thinking I'm a clown a listen to me for a few minutes about some of these topics. Some of this stuff comes through on my podcasts, but I don't really get attention there

**2/7/2025 12:30 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I also absolutely love some kinds of games, notably RPGs but I can almost never get people to tune in to those kinds of streams. I think Metaphor was the best RPG of 2024 and even longer, but I played the demo for 12 hours and couldn't get good views or support so I dropped the idea of playing the full game. And it looks like this could be a huge issue for me moving forward bc RPGs have been underperforming for years, but I really love them

**2/7/2025 12:34 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lastly and i know this one is crazy, when I first started on youtube I had a wild idea. What If I and others, like a group of youtubers together, investigated haunted sites. Like think of a Ghost Hunters show but it's me as a skeptic, an over acting retard who is always scared of everything, a team of techs who actually monitor stuff, etc like a cast of characters. I actually

think that would have worked well if it came together but I never made enough to really get it for the ground

**2/7/2025 12:37 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

My final idea was to actually rent a real professional office space to set up full studios, tech rooms etc and have a group of creators share it with me, and we would not only make content but film and stream all the behind the scenes stuff. But then groups actually did that like the Creatures and to some extent Game Grumps and they had huge success, then fell apart. So I'm kind of happy that I never went that route

**2/7/2025 12:53 AM**

PPP (PoweroftheTruth)

Ok well I can definitely see some of this coming to fruition. Andy and I have long planned that we wanted to do a ghost hunting show and we actually did a few test shoots a couple years ago that turned into a little short film we have most of the gear necessary in storage but its more of a passion project that will come eventually but we would love to do that with you in the future. It may not ever turn a profit unless we crowdfund it but it would establish alot of good will and be very fun to do. As for being taken more seriously we can do a podcast like the casino together and it could eventually get a good audience but you have to be willing to take more risks and potentially offend people. You need to appeal to some niche and stop falling into the trap of trying to please everyone with variety. I honestly think you should put your foot down to a certain extent with the RPGs or whatever you want to do and just do an extended playthrough of one game at a time if thats what you want. I feel like the support will eventually always come and be similar for you each month with your existing audience. Its reaching a new audience and growing thats the problem but for now you should just do what you want.

**2/8/2025 12:49 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey thanks for that feedback, and i will fully respond when I get a chance. I'm pooped out after a marathon today but fyi the money finally cleared so I can send you what I owe you for smark guys in January, so let me know the email address to send it to and I'll get it heading your way

Hey so this week we are just doing Raw on Smark Guys, let's aim to end the show around 9pm pst (so 2 hours long since we start at 7) and let's talk about some of this stuff on discord afterwards. Some good stuff to discuss and consider and some more background to give especially with the game selection/variety, im actually going to be making some tough decisions soon on games

Something like that.Where each show its a person who went after you and then their downfall  
or just a person in general who had a career and didn't last us long as you had had a downfall

**2/13/2025 10:17 PM**

**2/13/2025 10:25 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

lol dude ill write my responses later. im not upset at you or anything but that 100% was a waste of my time and now my viewers are going to give me massive shit for it tomorrow and onward. i consider it a favor to you guys bc you've helped me out so much but that was so annoying, he didn't let me talk hardly ever, just kept streaming over me. and then he didnt respect my time and my wife is about to be majorly pissed off at me

**2/13/2025 10:31 PM**

2/13/2025 10:31 PM

and to be frank, i think your fans like Steve way more than they like me

2/13/2025 10:37 PM

PPP (PoweroftheTruth)

Wont they donate to support you in the face of the detractors bullshit? To spite them

2/13/2025 10:39 PM

I really appreciate you doing it though

2/13/2025 10:54 PM

2/13/2025 10:58 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Steve is Unprofessional

Attachment with type image/jpeg

Fyi this is what I mean. This is the 1st of many messages I'm about to receive. And now we kind of have a dilemma, as I'll explain in a bit <https://t.co/yO3QDp98qh>

2/13/2025 11:02 PM

PPP (PoweroftheTruth)

Isn't that good though

2/13/2025 11:02 PM

PPP (PoweroftheTruth)

the guy is on your side

2/13/2025 11:02 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

My viewers are going to 100% say this is a second Sidescrollers and I've learned nothing. I wouldn't be surprised if I actually lose some followers bc of the way he went about it, this is undoubtedly going to bring drama that nobody on my end wants. He really villainized me and

people will ask why the hell I did this, and I really have no answer unless I tell the truth and that will ruin the whole thing. If I'd known he was going to go that hard i would have told him why it wasn't a good idea.

2/13/2025 11:03 PM

PPP (PoweroftheTruth)

Well tbh I didn't think he would go that far either but I think it doesn't do anything to you.

2/13/2025 11:03 PM

PPP (PoweroftheTruth)

If anything your supporters will rally around you as they always do

2/13/2025 11:03 PM

PPP (PoweroftheTruth)

they overplayed and monologued too long

2/13/2025 11:04 PM

PPP (PoweroftheTruth)

you ended up winning the interactions in the end because it changed nothing

2/13/2025 11:04 PM

PPP (PoweroftheTruth)

I would just attack steve and call him a piece of shit

2/13/2025 11:04 PM

PPP (PoweroftheTruth)

who snaked you and betrayed your trust

2/13/2025 11:04 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

The bigger issue here is that Steve is a friend of the Casino and now if I continue to do content with you, people are going to want to know why. This 100% is going to look like you set me up and all my detractors will say this was the snaking you planned all along. So if I say nothing and just keep doing stuff with you guys I look like a Grade A cuck. I honestly have no idea how to handle that now, especially after you'd just apologized to me about the stuff you'd said about Kat in the past

2/13/2025 11:05 PM

PPP (PoweroftheTruth)

Because we don't condone steve abusing you like that

2/13/2025 11:05 PM

PPP (PoweroftheTruth)

steve went too far

2/13/2025 11:05 PM

PPP (PoweroftheTruth)

so fuck him and just feud with him

2/13/2025 11:06 PM

PPP (PoweroftheTruth)

say he wouldn't let you talk and present your evidence its easy

2/13/2025 11:06 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah but you actually do. So are we staging this huge elaborate plot? Lol

2/13/2025 11:06 PM

PPP (PoweroftheTruth)

Why not?

2/13/2025 11:06 PM

PPP (PoweroftheTruth)

fuck it

2/13/2025 11:07 PM

PPP (PoweroftheTruth)

I mean I don't really think steve brought up anything that hasn't been asked and answered

2/13/2025 11:07 PM

PPP (PoweroftheTruth)

Before

2/13/2025 11:08 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm okay with it if we do it right. But I'd want Steve to know that what I'm saying isn't legit and hopefully he legit doesn't actually hate me like he acted tonight. Drama sells I get it, that's the game, but I don't want real beef or anything

2/13/2025 11:08 PM

PPP (PoweroftheTruth)

I honestly would just use the attack from steve as a rallying call for donations to show that you are successful and no one cares

2/13/2025 11:08 PM

PPP (PoweroftheTruth)

which is true

2/13/2025 11:08 PM

PPP (PoweroftheTruth)

Steve doesn't hate you

2/13/2025 11:09 PM

PPP (PoweroftheTruth)

but he has to make it seem that way

2/13/2025 11:09 PM

PPP (PoweroftheTruth)

because otherwise he can't steal a bag of money from the fags who hate you

2/13/2025 11:10 PM

PPP (PoweroftheTruth)

I honestly think we can get a bunch of money for a continuing program and steve will respect hard boundaries like your wife or relationships

2/13/2025 11:10 PM

PPP (PoweroftheTruth)

Because its an easy sell that he's an enemy of you now

2/13/2025 11:11 PM

PPP (PoweroftheTruth)

He can now gain influence and control in the detractor community now also

2/13/2025 11:11 PM

PPP (PoweroftheTruth)

Steves owes us large

2/13/2025 11:12 PM

PPP (PoweroftheTruth)

We always have to think long term its all just noise day to day

2/13/2025 11:14 PM

PPP (PoweroftheTruth)

Steve is very amiable and will work with us how needed

2/13/2025 11:23 PM

PPP (PoweroftheTruth)

Finally I will say this. The sun will rise tomorrow and DSP will still get support the same as ever no matter what happens until you decide to do something else or did. Whatever you want to do is your decision. I think we have made some great moments happen as a team and hopefully we make more happen. All the best man.

2/14/2025 12:26 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey fyi I was spending time with my wife, it's not like I stopped talking bc I was pissed or anything

2/14/2025 12:29 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I guess the question is what is the next step tomorrow. My viewers will 100% want my opinion and answers on this so I want to be sure to spin it right

2/14/2025 12:43 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm talking with Steve now, maybe we should start a group chat where we can all talk and plan this out a bit

2/14/2025 1:11 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I did sst up the group chat I think

2/14/2025 1:22 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Attachment with type image/jpeg

So unless you guys actually do rally against Steve and say he went too far etc I really have no way to counter this, so this is where I'm confused as where to go from here <https://t.co/g9f19Qejmy>

2/14/2025 1:37 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

And also I guess I should say this. If you ever are planning to snake me, or if this was actually the plan tonight, it's all good. I've had a lot of fun and made a lot of money and I'll be fine, but as I said before this is the end of me branching out and trying new stuff. I wish I'd known Steve would go this hard tonight bc I think we could have tweaked it better, you may now milk my detractors but I really don't think I'm going to benefit from it and I have no idea what to say tomorrow on my show. It'd be great to have a group chat about it before I go live in the morning but if I don't hear from you, I'll know that must have been the plan all along. And then I guess it's back to the old Phil who I actually hate to be, because I'm not meant to play the role of a victim for the rest of my life. I was far more effective when people cared about what I had to say. But I can't do that if I'm just the whipping boy of the entire internet. So I hope this was a bit of a miscommunication and we can learn and move on from it so we can all benefit

2/14/2025 7:34 AM

PPP (PoweroftheTruth)

I said steve went to far on Twitter

2/14/2025 7:35 AM

PPP (PoweroftheTruth)

Just say steve set you up and didn't give you a fair hearing and that the casino didn't know he was going to do that and we'll plan stuff out together better privately

**2/14/2025 7:36 AM**

PPP (PoweroftheTruth)

Or honestly you can no sell the whole thing and go on with your show

**2/14/2025 7:37 AM**

PPP (PoweroftheTruth)

Sorry I didn't get back to you last night I just fell asleep

**2/14/2025 7:41 AM**

PPP (PoweroftheTruth)

I've just messaged steve and he said you were contacting him and he's very receptive

**2/14/2025 7:46 AM**

PPP (PoweroftheTruth)

I just want to say also that you fit into my long term plans for the casino and I don't want to snake you or ruin you at all

**2/14/2025 8:11 AM**

PPP (PoweroftheTruth)

Here's what I would focus your defence on that the bank call could have easily been fabricated with AI and I would focus on how BSP was wrong about the detective because he was.

**2/14/2025 8:49 AM**

PPP (PoweroftheTruth)

I'm out there on the timeline fighting the good fight for ya man. The detractors are not happy

**2/14/2025 9:05 AM**

PPP (PoweroftheTruth)

they are so stupid fuck its funny

**2/14/2025 9:16 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Fyi the detective thing is true, brosydephil is wrong and made it up. I have the actual info of the woman I worked with but I'm not going to give that info to detractors to harass her, and I guarantee she would lie to cover her ass regardless. It's just human nature to do so despite what brosyde was saying about honor etc, that's all just bullshit lol

**2/14/2025 9:56 AM**

PPP (PoweroftheTruth)

cops are scumbags

**2/14/2025 9:56 AM**

PPP (PoweroftheTruth)

everyone knows that

**2/14/2025 10:58 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

FYI my major problem will be spinning it that the Casino knew nothing about Steve going this hard on me, because everyone knows i wouldn't have done the interview if it was going to be the same attacks for 3 hours. everyone in my chat right now is saying you guys snaked me. so i really dont know how to counter that besides saying you've said you disavowed Steve's actions on twitter. but if you guys continue to have Steve on as a guest etc thats going to be empty and nobody will believe it. so ill look like a cuck. this kinds of puts us in a tough situation and im having a hard time figuring out how to get past it

**2/14/2025 11:02 AM**

PPP (PoweroftheTruth)

well I don't really think steve is going to be on for awhile and also just say we didn't set you up and the guy went rouge

**2/14/2025 11:03 AM**

PPP (PoweroftheTruth)

its up to you man you can run with we snaked you and burn the bridge with us. Its been a good run if so.

**2/14/2025 11:05 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

yeah well obviously thats not what i want to do lol. i like doing the show with you, and this run has been great. i just wish Steve had actually told me what he was going to do bc sadly this isn't ideal now for either side.

**2/14/2025 11:08 AM**

PPP (PoweroftheTruth)

tbh I was in the dark about part of it because I didn't realize he was going to actually call people and do FOIA stuff and I didn't know that detractor was coming on and I certainly wouldn't have greenlit that part. I thought it would have a similar tone to when I confront you about stuff where its kinda silly and everyone wins

**2/14/2025 11:10 AM**

PPP (PoweroftheTruth)

im gonna be honest though i don't think its really as big of a deal as you're making it out to be I think you can get through this one easy

**2/14/2025 11:10 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

i mean, i find it sad bc the interview was awful. he was screaming over me, not letting me talk, even if he thought i was lying you at least have to let the person give an answer. and his "research" was copy paste stuff off of kiwifarms and believing my detractors 100%. yeah, surely I believe that Brosydephil is actually a cop when he admitted PAYING SUPERCRAZY for a fake lawsuit that was never going to happen. anyone BUT my detractors is going to think this looked awful for him, so he made some short-term gains here on the day of money and if he continues to milk stuff like Sidescrollers did. but he's hardly reputable now, and i can't imagine a guest wanting to come on his show if thats the interview they see as the example of what he does

**2/14/2025 11:11 AM**

PPP (PoweroftheTruth)

it was too heavy handed to be effective for outsiders

**2/14/2025 11:11 AM**

PPP (PoweroftheTruth)

its just preaching to the choir of tards

**2/14/2025 11:12 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

well the thing is man, I've been to this rodeo before. i know how it goes. now i have to talk about this all podcast and for weeks, its all im going to be asked about when all i want to do is chill and play games. its easy to spin what we do as razzing, this was next level autism lol

**2/14/2025 11:14 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

and i know you thought this would benefit me but its really not going to. im not goign to be showered in pity bucks or anything. its when people see me positively that they contribute more. im not angry, just disappointed that ive got weeks of shit sweeping ahead

**2/14/2025 11:15 AM**

PPP (PoweroftheTruth)

is it really not? I really did think people would get excited to give you money to own the detractors

**2/14/2025 11:15 AM**

PPP (PoweroftheTruth)

I'm sorry then man

**2/14/2025 11:15 AM**

PPP (PoweroftheTruth)

fuck

**2/14/2025 11:16 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

compare this to when i first appeared on casino and we did that month of content together. it was total jokes, we had a blast, everyone saw me positively and BOOM, huge success and bucks. my viewers are tapped out on this drama so i really really dont think anybody is opening their wallet because this has happened yet again

**2/14/2025 11:19 AM**

PPP (PoweroftheTruth)

hmmm well you might be right. The thing is its really tough sometimes to figure out whats going to work with you content wise because of the unique situation you are in. I try all sorts of different ways and unorthodox tactics because the situation is so unique but they aren't all winners.

**2/14/2025 11:21 AM**

PPP (PoweroftheTruth)

I think you basically say steve went into business for himself and snaked everyone to appeal to the detractors

**2/14/2025 11:21 AM**

PPP (PoweroftheTruth)

I will back that up

**2/14/2025 11:33 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay I don't really see a better way to spin it

**2/14/2025 2:12 PM**

PPP (PoweroftheTruth)

GOOD MONEY ON THIS FIRST STREAM

**2/14/2025 5:06 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Made about \$150 extra than usual. Obviously I'm not angry with that but not really worth the drama. I hope doing the extended podcast put this to bed

**2/15/2025 1:43 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

LOL i saw the beginning of your show tonight, do you think honestly anyone genuinely cares about this stuff outside of my detractors? Now I now neither your or my viewers do, and neither of us do because we're not retarded, but is it even possible to milk it further? Sadly I saw quite a lot of my detractors today realizing this is BS but they have no idea I'm in on it bc they just hate me so much, they think there's no possible way that I could understand what's going on. Meanwhile we planned the whole thing lol

**2/15/2025 1:47 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I kind of wish there is a way we can keep the stupid stuff going but then turn it on my detractors in a big gotcha moment bc they are actually dumb enough to keep falling for it, bc as much as people say I scam the disabled we all know they are far worse. Hmm

**2/15/2025 1:47 AM**

PPP (PoweroftheTruth)

Its all just so stupid tbh. Detractors have no clue whats going on at any point and take everything in the stupidest way possible.

**2/15/2025 1:48 AM**

PPP (PoweroftheTruth)

They honestly are special needs a good percentage and then talk about dents and the disabled

**2/15/2025 1:48 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I think they feel confident talking like that bc they actually are that

2/15/2025 1:48 AM

PPP (PoweroftheTruth)

like that heyarvey guy was sucking my dick for "setting you up" then two seconds later he's angry because I pointed out that your going to hit the goals anyway

2/15/2025 1:49 AM

PPP (PoweroftheTruth)

I honestly think that none of what steve did had any impact on anything at all

2/15/2025 1:49 AM

PPP (PoweroftheTruth)

it was all waste

2/15/2025 1:51 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

BTW dude I'm not angry at all about the Steve interview. But you should 100% tell me everything, I'm not dumb and I know you coached him into doing it like that. I'm not a pussy and I'm not going to get upset if I know what's going on. We all know I'm full of shit about the dumbest stuff but we need to keep the ruse going

2/15/2025 1:52 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I wouldn't have gotten as upset if I knew exactly what the deal was, I just don't like having to scurry around to figure out what to do on my show etc last minute

2/15/2025 1:54 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

And don't tell me you didn't set it up bc that would actually be insulting, I get the game

2/15/2025 1:54 AM

PPP (PoweroftheTruth)

yeah I do feel bad about that I knew it would have some aggression to it and be a hit piece and was worried you wouldn't agree if I was totally upfront but it morphed during the week into something a bit more over the top then I would have wrote. I should have monitored what was going on a bit better because I would have veto'd the surprise detractor because I don't like that tactic.

2/15/2025 1:55 AM

PPP (PoweroftheTruth)

I really do think it sets up a dynamic that people can buy into between you and steve

2/15/2025 1:55 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I think the lie detector is a huge bust, nobody is going to care about it and Steve went so hard on it that it ruined the interview IMO

2/15/2025 1:56 AM

PPP (PoweroftheTruth)

Yeah it may not be the way forward

2/15/2025 1:56 AM

PPP (PoweroftheTruth)

I do think the average person would be hyped for it though because its so theatrical and ridiculous

2/15/2025 1:57 AM

PPP (PoweroftheTruth)

I mean I just like the idea of it. The idea that it would burst into flames if we hooked you up to it.

2/15/2025 1:57 AM

PPP (PoweroftheTruth)

I just find it really funny

**2/15/2025 1:58 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay so I'm being transparent with you now, can we all be? Like no surprises, I'm down to work with you guys and I'm not a retard and I want to make us all money. But the long con can only really work if were all into it. Today sucked bc it was a panicked rush and I don't work well that way, I'm actually really good at working stuff when I have time to plan. How do you think I've done this for 16 years

**2/15/2025 1:59 AM**

PPP (PoweroftheTruth)

Ok I won't do anything like that again. Results were not ideal to say the least.

**2/15/2025 2:00 AM**

PPP (PoweroftheTruth)

I think we really need to get creative though and find new ways to fit you into stuff

**2/15/2025 2:00 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Steve made money and I'm happy he did, and i hope he actually knows that and that I don't have any hard feelings towards him

**2/15/2025 2:02 AM**

PPP (PoweroftheTruth)

Steve hasn't had a real break in his whole life and It means a lot that you did this for him. I know it fucking sucks but it doesn't really make that much of a difference to you in the grand scheme. I know it feels like it does but you had a great day today anyway.

**2/15/2025 2:03 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Dude now that I'm on board I think we can figure more stuff out, you know i don't care about embarrassing myself as long as it fits the narrative and doesn't affect my long term business. I just can't destroy my image with my existing fans. I think we can do a lot with some of the ideas we talked about on Tuesday and I think we can easily emulate some of what Lolcow live has done. It's low hanging fruit that dummies eat up

**2/15/2025 2:05 AM**

PPP (PoweroftheTruth)

The business model they do works. I really have thought alot of it was corny and dumb but we can do it better and make it more real. The best thing in wrestling is a kernel of something being real and we built that with that interview. People will really believe.

**2/15/2025 2:08 AM**

PPP (PoweroftheTruth)

I also think with that sort of stuff we keep it on your channel where you have more control and can feel like you aren't getting fucked

**2/15/2025 2:08 AM**

PPP (PoweroftheTruth)

and also get the money

**2/15/2025 2:08 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I think we need to think of something that keeps the narrative going but isn't a rehash of the same stuff. Literally nobody cares about the bankruptcy or bank leaks anymore, it's boring to anyone but the obsessive people. So can we actually think of something new that we stage?

**2/15/2025 2:09 AM**

PPP (PoweroftheTruth)

yeah it has to be something new but not something stupid like faking cancer

**2/15/2025 2:12 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Well yeah, we need to find a way to spread it around. Again I'm not angry, you guys have done a TON for me and that's why I'm on board here, and I'm not looking to make millions. Today I made \$150 extra and had to do that shitty podcast and my wife got pretty upset at me for

doing the interview and basically called me stupid for falling for it, I knew it was staged but it's kind of hard to explain all of that to her when she's angry, so I ate shit all day. I think we are going to figure this out long term and it will work for everyone now that we are being honest with each other

**2/15/2025 2:14 AM**

PPP (PoweroftheTruth)

I honestly thought the podcast you did today was great. It was classic how you were able to rally everyone. I don't want to cause you problems at home though. thats not cool

**2/15/2025 2:19 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

That's why the transparency is important, if I'd known that's what it was going to be i would have told her it wasn't serious, but instead she heard me talking on the podcast and then found the interview herself. It's another layer of stuff to deal with when you're married man. And btw don't let this discourage you from getting married, bc overall I'm WAY HAPPIER NOW than I ever was before. But it's just a different thing to have to deal with, so knowing the full deal going forward will be very much appreciated and will make us more successful, I at least think

**2/15/2025 2:21 AM**

PPP (PoweroftheTruth)

It will. I shouldn't have been shady like that. Wasn't right.

**2/15/2025 2:30 AM**

PPP (PoweroftheTruth)

also I had better let you know now but the week of the 24th andy and I are heading to jamaica so I won't be able to do any shows that week. Don't tell anybody though or they will try to fuck up the flights with bullshit.

**2/15/2025 2:31 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Why were you honestly? Like did you think I wouldn't have done the interview? I would have man, I mean it when I say I owe you guys big time. You even got me back into wrestling and a new crowd, albeit a smaller one is coming back that I'd lost a while ago. I'm not your slave or anything but the worst thing you can do with me is to be dishonest. I got fucking snaked by a lot of people over the years, from my old friend like John Rambo to my ex. If you're ever pissed off with me, or if you find me boring and want me to fuck off permanently, it's all good, just let me know

**2/15/2025 2:33 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay so this week is good but the last week we'll be skipping smark guys, no worries there i won't say anything until the day before and I'll make some shit up

**2/15/2025 2:33 AM**

PPP (PoweroftheTruth)

yeah exactly with the schedule

**2/15/2025 2:34 AM**

PPP (PoweroftheTruth)

I really just didn't see you agreeing to a hostile interview although I really did not foresee it being what that ended up turning into. Which I hope you believe me on. You really weren't allowed to say anything which was kinda fucked.

**2/15/2025 2:38 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I would agree to it if I knew it was coming and how to react and spin it, I think we can both agree it could have gone way better than it did. Water under the bridge, we will do better moving forward

**2/15/2025 2:38 AM**

PPP (PoweroftheTruth)

Yeah it should have been alot better

**2/15/2025 2:39 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Steve sadly didn't do a great job on his own and I legit do worry if he'll get guests bc that was not enticing for others to come on

**2/15/2025 2:39 AM**

PPP (PoweroftheTruth)

he won't get any guests lol

**2/15/2025 2:39 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Fuck that's not cool

**2/15/2025 2:40 AM**

PPP (PoweroftheTruth)

he burned every guest tbh but he usually lets people talk

**2/15/2025 2:40 AM**

PPP (PoweroftheTruth)

I'm pretty sure that was doody that drilled that into him

**2/15/2025 2:42 AM**

PPP (PoweroftheTruth)

I think if we had agreed to do it together and he felt he had 3 hours from the start he wouldn't have felt the need to cut you off like that constantly

**2/15/2025 2:44 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah he definitely lost his cool quite a lot likely bc of the pressure, I literally told him the day before I was on board and not to worry, but he still panicked

**2/15/2025 2:45 AM**

PPP (PoweroftheTruth)

well I can't blame him too much because unfortunately everyone involved in this is held hostage to the detractors to some degree

**2/15/2025 2:45 AM**

PPP (PoweroftheTruth)

and if they don't get appeased enough they freak the fuck out and shit all over the place

**2/15/2025 2:46 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I bet you now understand why I don't give a shit about them lol

**2/15/2025 2:47 AM**

PPP (PoweroftheTruth)

well fuck some of them are still upset with steve because he didn't call you a pedophile or kill you and your family

**2/15/2025 2:47 AM**

PPP (PoweroftheTruth)

its never enough

**2/15/2025 2:48 AM**

PPP (PoweroftheTruth)

what was interesting is there was a genuine divide in the casino chat between people who supported you vs steve and there was a strong faction that thought the whole interview was bullshit and repetitive

**2/15/2025 2:50 AM**

PPP (PoweroftheTruth)

its always so polarizing with any dsp stuff it doesn't please everyone or upset everyone its so divided

**2/15/2025 2:50 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I think we can figure out a way to lead them to the edge of a cliff like lemmings and watch them jump off, and make them pay to do it. And document the whole thing and then upload it and blow it up. Nobody has ever exposed and embarrassed a detractor community before, people just like to sweep them under the rug and act like they don't exist.

**2/15/2025 2:51 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah your viewers are very interesting

**2/15/2025 2:52 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Some like me and some outright hate me. I think it's swinging back my way a bit now bc I haven't been on in ages, and I was quite boring those last few appearances so it didn't help

**2/15/2025 2:53 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

And it's going to be confusing that you have Steve on next week but are still doing Smark Guys with me too, maybe we should figure that out lol

**2/15/2025 2:53 AM**

PPP (PoweroftheTruth)

oh no steve isn't coming on that was a joke

**2/15/2025 2:53 AM**

PPP (PoweroftheTruth)

he's not coming on for a long time

**2/15/2025 2:53 AM**

PPP (PoweroftheTruth)

his appearances were not going over the best lately either

**2/15/2025 2:53 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh okay, is everything fine there?

**2/15/2025 2:54 AM**

PPP (PoweroftheTruth)

ah its ok but he isn't the best fit because he's very serious

**2/15/2025 2:54 AM**

PPP (PoweroftheTruth)

I like him but he is too serious and stiff

**2/15/2025 2:56 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I actually like his serious demeanor, I think he looked unhinged when he lost control and screamed at me. But i can understand why that's not so appealing to your audience

**2/15/2025 2:56 AM**

PPP (PoweroftheTruth)

I still like him longterm as he has talents that he can bring to the table but he is not what I initially hoped he could be which was a regular guest/third chair I think its better to have him on ever so often.

**2/15/2025 2:58 AM**

PPP (PoweroftheTruth)

I appreciate people who work with us despite all the baggage and lunatics who hound them to drop us for bullshit in the past. He has been very solid this way. But The casino is a comedy show first and foremost and I don't think he is fitting with that at the moment

**2/15/2025 3:00 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

So you're doing a lot of Rich stuff now and I can add to that, i keep talking when i get to watch it a bit, i forget im not there live lol. force of habit being a commentator every day. Outside of that likely not so much, bc I'm uninformed with most of your other subjects but the Rich stuff did work very well when I was involved. Just tossing it out there

**2/15/2025 3:01 AM**

PPP (PoweroftheTruth)

I was about to say the same thing

**2/15/2025 3:01 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Today I was looking at the backgrounds and I'm like, 8 bit Eric has blue, Jay has red and rich has... a bed lamp against his wall

**2/15/2025 3:01 AM**

PPP (PoweroftheTruth)

its looking like he's gonna have a bad spiral real soon

**2/15/2025 3:02 AM**

PPP (PoweroftheTruth)

he's reaching a breaking point

**2/15/2025 3:03 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm behind so it's fascinating to me, but I'm certainly not going to impose, you guys had me off the show for a while bc I was boring and your fans turned on me quite a bit bc they felt like it was glazing overload

**2/15/2025 3:04 AM**

PPP (PoweroftheTruth)

its just tough to mesh everything together and make it work with rich we had some real lightning in a bottle

**2/15/2025 3:08 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

That's the one topic I really think I can add to, outside of games or being a youtuber. But the idea about felting those who shat on me first, then had their own downfalls could work

**2/15/2025 3:12 AM**

PPP (PoweroftheTruth)

Yeah I like that one too if you can think of some names and find the moment they went after you it could be really good because I can fill in the downfall part

**2/15/2025 3:12 AM**

PPP (PoweroftheTruth)

it could be a mini series that runs for a few months atleast

**2/15/2025 3:31 PM**

PPP (PoweroftheTruth)

Phil this time I think I have the gears turning on something that will finally be the good fit and something you might actually like

**2/15/2025 3:32 PM**

PPP (PoweroftheTruth)

let me take some time this weekend to flesh it out before I present it

**2/15/2025 4:18 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay im game, looking forward to hearing about it

**2/15/2025 9:10 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

FYI i think people believed you about having Steve on Tuesday, but you don't even broadcast on tuesdays?

**2/15/2025 9:10 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

03:50 PM

PrinceofDarknessREAL 

: Kino Casino invited Steve back on next Tuesday so let the fur fly. Yes I said KC invited evil Steve.

**2/15/2025 9:16 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I mean we're going to be doing Smark Guys on Tuesday night

**2/16/2025 11:07 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

honest question, are you snaking me on Tuesday with Steve but got your dates wrong? there are tons of people in my chat now saying Steve is coming on the Casino on Tuesday but that's when we do Smark Guys so I have no idea whats going on. IMHO I'd be hurt if this were the case but not surprised, and again, you guys have done so much for me that I'd just move on and ignore it all. But it would be nice to know if we're actually doing our show on Tuesday or not so I can at least make my schedule. I'd like to think this is all BS but it seems everyone is under this impression now

**2/16/2025 12:49 PM**

PPP (PoweroftheTruth)

No for fuck sakes

**2/16/2025 12:49 PM**

PPP (PoweroftheTruth)

it was a throw away line

**2/16/2025 12:49 PM**

PPP (PoweroftheTruth)

im doing the wrestling show

**2/16/2025 12:50 PM**

PPP (PoweroftheTruth)

Steve is not only not coming on Tuesday he's not coming on for probably a month or more

**2/16/2025 1:17 PM**

PPP (PoweroftheTruth)

I just woke up because I was out drinking watching hockey and Im hearing from people that you're burning the bridge and saying we were always using you from the start and making you look retarded and I just wanted to lay out that its obviously not true. From the beginning we presented you as a big deal and I said that you were a legend from the past and I emphasized how much I respected and loved the way you used to make videos down to earth like filming the tv screen and the ambition to try like project 7. I gave you a massive audience to see you in a new way and outreach to Josh moon and the kiwi farms. I helped you make thousands shitting on RTU and reversing an obvious wrong that went on for years. We helped you remove derich and shut up that criticism and you revamped your goal system in a way that was much better. You were able to get a whole brand new setup. The problem became you were too stuck in your ways when it came to being partisan in politics and not wanting to do drama and wanting to do it your way still and you never grabbed that brass ring. You let the oppression slip with bad performances on the casino and doing the same old content on your own show that wasn't appealing to a broader audience. I then for fun and because I like you decided to take a day out of my week to do wrestling with you and several times let you keep every penny. I can show you the door but I can't make you walk through it. I can lead you to water but I can't make you drink. You claim you would have been ok with steve doing a pressing interview like this and you would have agreed to it but your reaction today and since has proved anything but. I would like for your content to be interesting and for more people to watch it but ultimately you are content to sit in a slowly dwindling audience and just pray to god a new whale somehow falls from the sky ever so often. You constantly ask whats really in it for you to do things outside of your comfort zone or that benefit others and ultimately I find it selfish. Do you know how many people every day message me about how much they hate that I associate with you that they used to be fans

until I brought you on? Just me doing stuff with you makes me less cool and supported but I do it anyway because fuck them. But now because you did a favour for another guy on my team that doesn't actually impact you in any real way other than your pride you spiral and lash out. Man thats just disappointing. Its ok though you can be a victim and make us out to be whatever you need to make you feel better about the whole thing. But I actually did try for you its just fucking exhausting and draining phil!

**2/16/2025 1:19 PM**

PPP (PoweroftheTruth)

The word oppression should be opportunity in that paragraph apologies

**2/16/2025 1:25 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol okay man, I apologize. I don't feel like I made it sound like that at all, just that we know on both sides that were not best friends but keep a relationship going bc it's fun and works from time to time. And I'm incredibly paranoid bc I have AT ALL TIMES an army of weirdos saying tons of sbit. Like they 100% believed that you are having Steve in this week to snake me. And I just found out it's because I put a typo in my schedule on Friday, forgetting to put Smark Guys on there for Tuesday night, so all these morons thought I'd canceled the show entirely and you were having Steve on. I didn't know it was based on my fucking typo that all this conspiracy was created, bc you know, NORMAL PEOPLE CAN MAKE TYPOS and not have this happen

**2/16/2025 1:28 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

The fact that you actually wrote out that obviously emotional response above i think speaks volumes and I'm sorry if I said anything to hurt your feelings or reputation. It's incredibly hard for me to trust anyone with my history, behaving been betrayed by literally everyone I've trusted along the way besides my wife. And having this fucking insane peanut gallery of people constantly screaming at me that you're just going to snake me, and that the Steve thing was obviously the start of that now, has been driving me fucking nuts

**2/16/2025 1:30 PM**

PPP (PoweroftheTruth)

The only way to beat that retarded narrative is for us to just keep doing our show together be friendly and I'll even shit on steve a fair bit on the show Tuesday and mount a defence of you that will make the detractors seethe. It just pisses me off because at no point did I say I wasn't doing the wrestling show. These conspiracies come from fucking nowhere.

**2/16/2025 1:32 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah and of course my fucking typo had to come at the worst time for them to roll with this and make it all up

**2/16/2025 1:40 PM**

PPP (PoweroftheTruth)

Its just frustrating

**2/16/2025 4:12 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

yeah so now its not just me, its you too that will have every word out of your mouth micro-analyzed for meaning. like you can't just make the joke about Steve being on Casino, because they not only believe it but develop entire huge conspiracies around it. im obviously sorry I did the typo and now this BS happened today, obviously neither of us need it

**2/17/2025 12:34 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey man, I again want to apologize. I hope nothing i said today was harmful (I watched the podcast back and it seems pretty tame bc I have no ill will towards you at all) and I'm done letting conspiracy theory shit bother me from these morons. I admit the Steve interview rattled me but only bc I didn't know it was going to go that way, forcing me to rush to figure stuff out for the podcast the next day. But we already hashed that out and so I don't know why I allowed myself to get worked up over nothing, especially bc it was all over A TYPO I made in the schedule when it came down to it. I wish I wasn't like this but I do promise I'm on board for stuff in the future as long as I'm aware of what's going on and we can plan stuff out. No alarms or surprises and I'm good, and sorry for the stupid panic today

**2/17/2025 9:53 AM**

PPP (PoweroftheTruth)

Its no problem Phil. I went and watched it too and I overreacted based on a third hand report. People just say stupid shit trying to stir the pot.

**2/17/2025 11:54 AM**

PPP (PoweroftheTruth)

Lets just run the show straight up this week

**2/17/2025 11:55 AM**

PPP (PoweroftheTruth)

I get what your saying

**2/17/2025 11:58 AM**

PPP (PoweroftheTruth)

My plan was perhaps to build up to a show where you and steve would debate a random topic each week play a coop game do random challenges against each other etc and that you guys would split the money on so I wanted to build him as like the big villain of the dsp universe and then we could make money off the detractors that way but he needs credibility to be the heel to you. Its a silly idea. But Im trying man

**2/17/2025 12:07 PM**

PPP (PoweroftheTruth)

I was trying to flesh out that concept more but I can tell its DOA. So its best to move on.

**2/17/2025 12:19 PM**

PPP (PoweroftheTruth)

lets get you back on the casino in march when andy and I come back too

**2/17/2025 9:53 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

okay we'll do it straight tomorrow. we can talk more about this after the show, its all good

**2/18/2025 1:30 AM**

PPP (PoweroftheTruth)

ok solid

**2/18/2025 2:15 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Actually a solid raw tonight, the wrestling was good, but some crappy stuff around it as we've talked about. I wish I'd had time to watch nxt this week but I didnt

**2/18/2025 2:19 PM**

PPP (PoweroftheTruth)

Its an improvement over last week but it really doesn't feel like Wrestlemania especially compared to last year

**2/18/2025 4:06 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Nothing really seems to be building much, that's for sure

**2/19/2025 1:10 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah so we can't get the Topps WWE cards because collectors are retarded. They all sold out immediately, so the best I can find for a real unopened box is \$380 and they won't deliver until April. This is the problem with IRL gotcha stuff, it's sooo popular bc people are addicted that you can't get it unless you pre-order before the official release. Maybe in a few months, but it just came out 2 weeks ago so it's unavailable everywhere

**2/19/2025 1:10 AM**

PPP (PoweroftheTruth)

FUCK

2/19/2025 1:10 AM

PPP (PoweroftheTruth)

thats crazy

2/19/2025 1:11 AM

PPP (PoweroftheTruth)

I'm shocked its that popular I thought they wouldn't even sell

2/19/2025 1:11 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

It was like that back in the day too. You had to prepay at a comic book store to get the full box in advance. This gambling addiction stuff is nuts

2/19/2025 1:12 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

They are super up to date, they have roman beating solo at thr first raw and cena on his final run as the rare chase cards

2/19/2025 1:12 AM

PPP (PoweroftheTruth)

maybe its time for the stake gambling streams on kick 🤔

2/19/2025 1:13 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

LOL

2/19/2025 1:13 AM

PPP (PoweroftheTruth)

get that sponsorship!

2/19/2025 1:13 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I have no money for that level of gambling

2/19/2025 1:13 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Nor am I good at it

2/19/2025 1:14 AM

PPP (PoweroftheTruth)

it would be funny though but its a novelty thing

2/19/2025 1:14 AM

PPP (PoweroftheTruth)

people would donate to see you gamble atleast once though

2/19/2025 1:14 AM

PPP (PoweroftheTruth)

watch you hit a 50k jackpot your first stream

2/19/2025 1:15 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah it would be one and done, im not even sure how it works so I'd blow it in minutes I'm sure and then I'd have to pay taxes on it lol

2/19/2025 1:15 AM

PPP (PoweroftheTruth)

its either you would somehow hit a jackpot or lose everything

2/19/2025 1:15 AM

PPP (PoweroftheTruth)

I would guide you and have to ride shotgun for that if it ever happened

2/19/2025 1:16 AM

PPP (PoweroftheTruth)

stake has fat money for sponsorships though bossman was getting 3 thousand dollars a day 21k a week to gamble

2/19/2025 1:16 AM

PPP (PoweroftheTruth)

he saved nothing and lost it all back

2/19/2025 1:17 AM

PPP (PoweroftheTruth)

once stake is back in ontario im doing it for sure

2/19/2025 1:18 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh I'd most definitely lose, it's weird how my life works, when I try to win i lose. When I just try to survive I win somehow. I'm only still here bc I refuse to give up and it somehow ends up working out over time bc I don't actually commit heinous acts that end me up in jail or canceled like most of those who have tried to take me down haha

2/19/2025 1:20 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Taxes would fuck me though, bc let's say i raised 1k to gamble, i already owe like 300 of that to the feds but people would want me to spend the 1k which I would definitely lose. I actually didn't make no much during most of the wwe champions streams besides the 1st one for that very reason

2/19/2025 1:23 AM

PPP (PoweroftheTruth)

I wonder how the stake streamers do it

2/19/2025 1:23 AM

PPP (PoweroftheTruth)

I think alot of the money they gamble with is fake tbh

2/19/2025 1:24 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

What even is stake streaming? Virtual casino games or something? I'm clueless

2/19/2025 1:24 AM

PPP (PoweroftheTruth)

once stake is legal in ontario I will start doing it and learn the ropes of it and then see if it makes sense

2/19/2025 1:24 AM

PPP (PoweroftheTruth)

Stake is how kick exists

2/19/2025 1:24 AM

PPP (PoweroftheTruth)

its a digital casino

2/19/2025 1:24 AM

PPP (PoweroftheTruth)

they have digital slots and card games

2/19/2025 1:25 AM

PPP (PoweroftheTruth)

they have live blackjack tables with irl dealers and stuff like that

2/19/2025 1:25 AM

PPP (PoweroftheTruth)

it makes billions and kick exists as a loss leader advertisement to get people to gamble

2/19/2025 1:25 AM

PPP (PoweroftheTruth)

they are swimming in cash and paying people insane amounts

2/19/2025 1:29 AM

PPP (PoweroftheTruth)

if I was allowed to do it with the casinos traffic the payouts would be DISGUSTING

2/19/2025 1:33 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

So, it's outlawed in Canada but not in the USA?

2/19/2025 1:34 AM

PPP (PoweroftheTruth)

it's actually legal in every province of Canada except the one I live in and also the US and pretty much everywhere on earth

2/19/2025 1:35 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol

2/19/2025 1:35 AM

PPP (PoweroftheTruth)

my province has the strictest gambling regulations but in 2025 they say they will get the gaming license

2/19/2025 1:36 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Is there a reason you've stayed there and not moved? I'd assume it's because it's not a guaranteed payout or else you would have done it

2/19/2025 1:37 AM

PPP (PoweroftheTruth)

well it's not as easy to move as it seems but it's not a bad idea. I'm just not sure how guaranteed the money would be but lots of people are raking it in and they aren't the brightest either

2/19/2025 1:41 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

No I know man, I've moved twice and both were crazy stressful expensive pains in the ass

2/19/2025 1:43 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

I wouldn't be afraid of trying out the gambling stuff if it meant a slow move but I can't go crazy risking my family on it. I know blackjack and poker but that's it and I'm not great at them

2/19/2025 1:44 AM

PPP (PoweroftheTruth)

I think it has to be small amounts and tightly controlled

2/19/2025 1:44 AM

PPP (PoweroftheTruth)

and get a sponsorship

2/19/2025 1:45 AM

PPP (PoweroftheTruth)

but kick pushes streams with gambling on them to the front page and promotes them hard

2/19/2025 1:46 AM

PPP (PoweroftheTruth)

because that's how the site pays its bills is by getting people into the gambling ecosystem. It's what lets them give 95% of subs

**2/19/2025 1:50 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Geez

**2/19/2025 1:51 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'd be worried with my current audience, I know a few people started spending on wwe champions when I was streaming it. I tried to start cautioning them and even did bad moves with repeated pulling when I knew it was a bad time to ro it to try and stop them from getting addicted, when you publicly gamble it becomes infectious

**2/19/2025 1:52 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Now imagine if I got lucky and won

**2/19/2025 1:57 AM**

PPP (PoweroftheTruth)

Well I personally gamble so I don't feel unethical if other people do it. I think the problem cases were always going to be problem cases. But thats just me everyone is different. Lots of people are against it.

**2/19/2025 1:59 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I think the only way to,safely do it is to warn against it before and while you're doing it and I'm not sure kick or stake would like that lol

**2/19/2025 2:00 AM**

PPP (PoweroftheTruth)

oh no they encourage that!

**2/19/2025 2:00 AM**

PPP (PoweroftheTruth)

have to be responsible!

**2/19/2025 2:00 AM**

PPP (PoweroftheTruth)

the marks will always gamble anyway

**2/19/2025 2:04 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

My roman catholic upbringing programmed me this way, I'm not religious anymore for very good reason but my wife has been more as her health has declined and I don't blame her. And again that's why I can't be a villain to the world as much as it wants me to be and I know it would benefit me. Both my own conscience and my wife make it impossible for me to step on others for personal gain. And what's funny is that's what my detractors say I do every day, but my viewers have never felt that way

**2/19/2025 2:06 AM**

PPP (PoweroftheTruth)

it really ultimately comes down to how much \$ it really is. I do understand having an ethical issue though. I think its something that requires a good amount of thought before doing for sure.

**2/19/2025 2:14 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I still don't really understand it, I guess I'd have to watch a few streams. I haven't gambled in a casino since the 2000s lol

**2/20/2025 12:34 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey Ash i got a box of Topps wwe cards, it's not the big one that would be ideal but it's 7 packs and an incredibly rare chance at something good. It'll be here for our next Smark Guys so we can show off the box and maybe make it a goal to open it that night or else delay it to tease the viewers lol

2/20/2025 12:54 AM

PPP (PoweroftheTruth)

Oh thats really good!!!

2/20/2025 12:54 AM

PPP (PoweroftheTruth)

lets goooo

2/20/2025 6:20 PM

PPP (PoweroftheTruth)

The rock is back on smackdown tomorrow

2/20/2025 6:27 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

ugh im looking it up now. they made it impossible to watch smackdown in the USA without cable TV bc its still on USA network here. Hulu used to have it the day after it aired, but their contract expired and now its on peacock a full 30 days after it airs, making it completely useless. so the only way i can watch it is by trying to find highlights or someone who pirates it every week

2/20/2025 6:27 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

this will all be better once the USA contract expires and it moves to netflix like RAW but thats not this year i dont think

2/20/2025 7:59 PM

PPP (PoweroftheTruth)

Just use a Canadian vpn for netflix

2/20/2025 8:00 PM

PPP (PoweroftheTruth)

Its pretty easy just sign up for nordvpn then select canada and then open Netflix as usual

2/20/2025 10:10 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

hmm maybe ill try it

2/20/2025 11:59 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Got it and it works! Now I can gift 1000 youtube memberships for \$2 by saying I'm Argentinian lol

2/20/2025 11:59 PM

PPP (PoweroftheTruth)

HUGE

2/21/2025 12:35 AM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Im having fun changing locations and seeing crazy ads show up on other languages for shit I couldn't buy if I wanted to haha

2/21/2025 12:36 AM

PPP (PoweroftheTruth)

theres lots of cool stuff you can do with it

2/22/2025 9:50 AM

PPP (PoweroftheTruth)

The rock stuff is really weird

2/22/2025 9:50 AM

PPP (PoweroftheTruth)

not sure wtf is gonna happen

**2/22/2025 11:10 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I got busy so I haven't watched it yet, i will later tonight

**2/23/2025 12:46 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Man I hope you have a great vacation Ash. I just got some terrible news that's directly related to what we were talking about after Smark Guys this week regarding travel

**2/23/2025 1:28 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I'm watching smackdown now. Rock wants to own Cody just like Keemstar owns Boogie and Wings. Only Keem actually owns their souls IRL lol

**2/23/2025 2:43 PM**

PPP (PoweroftheTruth)

What happened with travel phil?

**2/23/2025 6:54 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

well please do not share this info. yesterday I spoke with my parents and my Mom is on her last legs health-wise, with doctors giving her less than a year to live. She basically begged me to find time to travel back to Connecticut by the end of the year so we could spend time together one last time. But that stupid fucking REAL ID shit I told you about goes into effect May 7th; I looked into it and ALL of our licensing departments are on a massive backlog bc everyone is rushing to get this before that date. I'm going to call them tomorrow bc they will finally be open after the weekend, but chances are my wife and I are now going to take a completely unplanned/unscheduled trip to Connecticut likely in late April. This also means finding a way to have our pets taken care of, so we'll likely have to pay top dollar for a highly rated pet sitter bc we have 4 and they all need daily care. So all of this just dumped on us yesterday, and it looks like our next couple of months are going to be incredibly stressful, and that's even if my Mom's health holds out. so yeah, this fucking sucks

**2/23/2025 7:02 PM**

PPP (PoweroftheTruth)

Fuck phil thats horrible news. I would never tell anybody. I can't really think of a better course of action to suggest for you. You will have to do it that way I think. You should push hard to get a passport and all your documents compliant. you never know when stuff like this will come up. Honestly I would keep all of it secret from your audience as best as you can as it will be massive ammo for drama. But with you taking a break they know something will be up anyway

**2/23/2025 7:03 PM**

PPP (PoweroftheTruth)

The upside is hopefully you can establish a good connection with who you get to pet sit if they do a good job and that might afford you more freedom

**2/23/2025 9:45 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Yeah there are legit services to have it done here, you can meet the person beforehand and see if you trust them, and interview with a few people before you make your choice. So it may not be much of an issue outside of cost. I'd only plan to be gone for around a week so it wouldn't be that big of a deal. But yeah, this will 100% be kept secret from the public and I likely won't even announce my time away until like a week before

**2/24/2025 1:15 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

When you're ready for a laugh on your vacation enjoy this!

**2/24/2025 9:31 AM**

PPP (PoweroftheTruth)

I see keemstar has still learned nothing about how to approach you or how you run business... holy fuck

**2/24/2025 10:51 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I wouldn't have even seen that if you didn't dm me lol

**2/24/2025 1:53 PM**

PPP (PoweroftheTruth)

Its just brain dead over there!

**2/28/2025 1:20 PM**

PPP (PoweroftheTruth)

So chances are nothing will change and I will be able to make the show Tuesday however it looks like there is a massive snow storm coming in over the weekend which could stall my travel for a couple days. If so we would have to reschedule to a different day like Thursday I want to avoid that though and will be going through the storm as long as its safe to make it Tuesday just wanted to let you know!

**2/28/2025 3:15 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay thanks for letting me know! It won't be a problem, I can easily juggle stuff around if need be. Travel safe and let me know if we need to delay!

**3/2/2025 2:37 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I enjoyed the elimination chamber and look forward to talking about it, I think there was one crucial thing that made it awesome when it otherwise would have been awful, and it's funny bc I predicted it over a decade ago IRL so this will be my best commentary for a Smark Guys so far I think

**3/2/2025 6:27 AM**

PPP (PoweroftheTruth)

Yeah its going to be a really good show unfortunately I am still a couple days away from home due to this blizzard so Thursday may be best

**3/2/2025 9:30 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay that's totally fine, I will swap some streams around. I'll tell everyone today that we'll do it Thursday so nobody is disappointed

**3/4/2025 12:51 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hope you're having a good and safe trip home Ash

**3/5/2025 1:49 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so I hope all is well! I'm being asked a lot about Smark Guys and I'm telling everyone that it's on Thursday night like we'd discussed. Just want to confirm that as I'll be asked again in the morning, and if it seems like it won't happen I'm totally okay with that! Maybe we can do a special supershow return on an earlier and longer stream. Hope you're well man. And looking forward to a real convo to get caught up once you're back

**3/5/2025 12:04 PM**

PPP (PoweroftheTruth)

It should still be good for Thursday

**3/5/2025 1:31 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay great!

**3/5/2025 1:37 PM**

PPP (PoweroftheTruth)

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol wrestling sure. But as for me, it's been 2 weeks of my detractors nonstop trying to blow stuff up that I'm not even involved in, and me successfully dodging their ironically placed landmines. They even tried to involve me in shit when I had 2 days off and zero internet contact haha

**3/5/2025 5:47 PM**

PPP (PoweroftheTruth)

Sounds like a lot to talk about! 🤔

**3/6/2025 1:01 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey sir, so I have an idea of how to do Smark Guys tomorrow. I think we should open with some banter about you being away, and you can counter with asking me about drama stuff but we should keep it short, as a teaser for what's to come AFTER we talk about wrestling. Let's just cover the EC and RAW, I have good notes and a lot to say on both. And let's also establish a hittable goal to open packs of WWE cards! I have 7 to open so maybe we open one every \$150 raised as it's my usual goal? I worked hard to get a special cam for it and everything lol. Then after were done with wrestling I know you'll want to tear into drama, but let's make them PAY FOR IT for once, right? Remember on the show 2 episodes ago we went wrestling first and made over \$300, and last time we did just over \$400 with insane levels of dual grifting. I actually think making the drama a premium will work better

**3/6/2025 9:29 AM**

PPP (PoweroftheTruth)

Yeah I agree 100% lets do the wrestling first

**3/6/2025 9:30 AM**

PPP (PoweroftheTruth)

alot of the drama is straight up retarded tbh because you can't be held accountable for random people on twitter

**3/6/2025 2:04 PM**

PPP (PoweroftheTruth)

We should do a test maybe around 9:30 because i have changed my setup a bit and I want to make sure everything is working

**3/6/2025 4:08 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay I can jump on a bit earlier, no problem

**3/6/2025 6:28 PM**

PPP (PoweroftheTruth)

Man I am having catastrophic technical issues give me a few minutes

**3/6/2025 6:28 PM**

PPP (PoweroftheTruth)

fuck

**3/6/2025 6:40 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay

**3/6/2025 6:58 PM**

PPP (PoweroftheTruth)

It should be good

**3/6/2025 6:58 PM**

PPP (PoweroftheTruth)

in one sec

3/6/2025 6:58 PM

PPP (PoweroftheTruth)

fuck sorry

3/6/2025 6:58 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Okay

3/6/2025 6:58 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

No worries we'll test it

3/6/2025 7:01 PM

PPP (PoweroftheTruth)

Fuck man my wifi is just crapping out over and over

3/6/2025 7:02 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hmm damn. I also have issues with that in my house, there's likely no quick fix outside of going wired

3/6/2025 7:05 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Should we postpone again, should I go solo and do all wrestling?? Hmm

3/6/2025 7:06 PM

PPP (PoweroftheTruth)

If you want to go solo you can but this is a big episode

3/6/2025 7:07 PM

PPP (PoweroftheTruth)

Fuck this is brutal

3/6/2025 7:07 PM

PPP (PoweroftheTruth)

I really really want to do this show

3/6/2025 7:08 PM

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol we are getting a taste of our own medicine. This of course is after j made fun or RTU for tech stuff

3/6/2025 7:08 PM

PPP (PoweroftheTruth)

It always happens

3/6/2025 7:09 PM

PPP (PoweroftheTruth)

If I can't get this up in 5 minutes you just have to go solo either with this or games I think

3/6/2025 7:10 PM

PPP (PoweroftheTruth)

my cell is working good but even though I hardwired the pc its still being fucking

3/6/2025 7:10 PM

PPP (PoweroftheTruth)

I could hotspot the pc but thats not gonna work for long

**3/6/2025 7:11 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I feel like if I do it solo and it's just wrestling that will at least hold everyone over, bc everyone has been asking me all week for my Cena thoughts and I blue balled them. That will give you time for a proper fix and then next week maybe we do a supershow or something

**3/6/2025 7:11 PM**

PPP (PoweroftheTruth)

Yeah that can work

**3/6/2025 7:12 PM**

PPP (PoweroftheTruth)

Im interested in your thoughts on it too

**3/6/2025 7:15 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

So should I go solo? I'm ready to go and we can figure it out for next week, im not upset or anything its life

**3/6/2025 7:15 PM**

PPP (PoweroftheTruth)

Im good now

**3/6/2025 7:15 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Oh shit okay

**3/6/2025 7:15 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hold on

**3/7/2025 11:49 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Taking my rabbit to the vet first thing in the morning and looks like i might have to put him down. It just gets worse and worse when you get older, fuck

**3/8/2025 10:47 AM**

PPP (PoweroftheTruth)

Fuck just horrible

**3/8/2025 10:48 AM**

PPP (PoweroftheTruth)

im so sorry man

**3/8/2025 11:23 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I appreciate that. It's so horrible, took him to emergency care today, they don't know what's causing him to be so sick. Xray results won't be in until Monday, and we have to manually syringe feed him multiple medicines and liquid food tons of times a day. It takes the both of us to do it bc he's terrified and won't just let you feed him, one has to hold him while the other uses the syringe. We're told it's a 50/50 chance of survival and to hope for signs of improvement over the week but it's grim, he just looks terrible. And this was my entire day off today, were pretty devastated here

**3/8/2025 11:25 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I told my mods but the most fucked part about it is, I can't even tell my viewers. My detractors would find a way to turn it into a joke, insult or accusation and then say I only brought it up for sympathy donos. So this is why I keep a lot of shit secret about my life. Imagine if I told them about Kat being sick last year and us worried about cancer, or my Mom's health now

**3/10/2025 12:59 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Man opinions on the last smark guys are split but of course it's doing incredibly well. Once we find the proper balance the show is going to do well. Right now the grill Phil segments are

one sided and people want me to go back at you more. And we absolutely need to shorten the show to 2.5 hours tops.

**3/10/2025 12:59 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Also it could help to know the topics of grill Phil a bit earlier so I can prepare, they'd likely go better that way

**3/10/2025 1:24 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Also you laughing at the joke of my wife looking like Piper Niven was not cool even if it wasn't intentional. I'm not trying to cause problems but next time I'm going to say something and it's going to be uncomfortable. I have more than enough shit going on and you know that

**3/10/2025 1:33 PM**

PPP (PoweroftheTruth)

Ok lets just take it back to the basics of wrestling talk until mania and if I want to bring something up that happened that week I'll let you know before I should be good for the show tomorrow but I still didn't get to smackdown yet

**3/11/2025 12:42 AM**

PPP (PoweroftheTruth)

looks like you killed it tonight!

**3/11/2025 12:43 AM**

PPP (PoweroftheTruth)

huge support

**3/11/2025 12:43 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey so things are really fucked. I think i have to put my rabbit down tomorrow, we've been syringe feeding him all week and he's about to die. Ive been doing this all the while behind the scenes

**3/11/2025 12:43 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Could we please delay smark guys until Thursday

**3/11/2025 12:44 AM**

PPP (PoweroftheTruth)

100% I was about to ask you the same thing

**3/11/2025 12:44 AM**

PPP (PoweroftheTruth)

I have a bunch of stuff to do for the casino for wednesday so thursday is best for me too

**3/11/2025 12:47 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Im not even kidding, we are barely hold8ng it together. I broke down today mid day and somehow composed myself to play shitty five nights at Freddy's. He's paralyzed now, it's his time and I've put in a voicemail at the vet. Last thing I want to do is watch raw right now

**3/11/2025 12:47 AM**

PPP (PoweroftheTruth)

It'll be alright phil but it is so fucking tough with animals

**3/11/2025 12:50 AM**

PPP (PoweroftheTruth)

take some days if you need eh

**3/11/2025 12:50 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I know, i went through this 2 years ago as well with some small animals and figured it would be different but now our rabbit is going to go so fast, it's not fair but it's life. We can't have

kids so we love having animals and they're family to us. Fuck. I'm sorry I've unloaded on you like this man

**3/11/2025 12:52 AM**

PPP (PoweroftheTruth)

oh thats ok phil I love you buddy

**3/11/2025 12:53 AM**

PPP (PoweroftheTruth)

why can't you have kids? too old?

**3/11/2025 12:53 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Medical shit, not by choice

**3/11/2025 12:53 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I of course lie like everything else

**3/11/2025 12:54 AM**

PPP (PoweroftheTruth)

man thats tough

**3/11/2025 12:55 AM**

PPP (PoweroftheTruth)

I always thought that was a deliberate choice on your part

**3/11/2025 1:03 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

It was until it wasn't. You think you have control of stuff and then you don't. My wife gained a ton of weight out of nowhere and was having crazy serious problems last year, we did a ton of tests and found out it's a combo of her thyroid and ovarian issues. So not only can't we have kids, she's at extremely high risk of getting cancer at anytime. And her ability to process stuff properly is fucked so she just gains weight like nothing. She's lost a LOT, like 30 pounds just on diet and hard work but she fluctuates and it's not fair. If she were to be on stream with me, one week she may look skinny and the next way bigger and people would just shit on her so we decided against it entirely

**3/11/2025 1:04 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Now how the f would I explain that to the public? Obviously I can't. So I just eat it and shut up and lie and make excuses

**3/11/2025 1:05 AM**

PPP (PoweroftheTruth)

well you could explain it the problem is everyone is just a troll that doesn't believe you and will hate on you for it

**3/11/2025 1:06 AM**

PPP (PoweroftheTruth)

with medical stuff people are always skeptical and demand receipts even with metokurs cancer he proved it with his medical documents and some people still say he's faking

**3/11/2025 1:08 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Exactly  
And i will never bring any of this up bc it will just be spun as me looking for sympathy and more donations which I'm not. So I can't be honest with anyone, I jusy have to keep on as I do and make do with those who don't really care

**3/11/2025 1:10 AM**

PPP (PoweroftheTruth)

yeah best to keep it as private as you can man. I hate to see you having such a tough time. atleast today you got some big new whales in it looks like. Did you down lots of booze?

**3/11/2025 1:13 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol.i think the whales are the fuckwad ironchefsakai again lol. What a coincidence that 4 accounts out of nowhere start superchatting and gifting memberships and and start accidentally completing each other's sentences and people notice including me this time lol

**3/11/2025 1:14 AM**

PPP (PoweroftheTruth)

people were looking into it and I guess that dutch guy had a podcast awhile back so maybe it wasn't a sock account

**3/11/2025 1:15 AM**

PPP (PoweroftheTruth)

its crazy when even you don't really know

**3/11/2025 1:16 AM**

PPP (PoweroftheTruth)

ironchefsakai is obviously not well in the mind though if it is him

**3/11/2025 1:21 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

If it's a different guy then it's all his accounts, it's so odd and I'm honestly very tired of it all. I just want to stream and enjoy myself and I'm tired of looking over my shoulder for every snake coming for me. Why did r different accounts superchat a ton at me but then accidentally finish each other's conversations lol. I'm never skeptical bit now i am. So either I had the best marathon ever or it was all a scam

**3/11/2025 1:23 AM**

PPP (PoweroftheTruth)

I feel like superchats have to be real though unless they charged it back

**3/11/2025 1:23 AM**

PPP (PoweroftheTruth)

its always a scooby doo mystery with this shit though

**3/11/2025 1:27 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Superchats so far have been legit, youtube keeps 1/3rd of them but they stick. But the charge backs actually do not hit, from my experience, you get 100% of all superchats no matter what after youtubes cut. Trolls joke about it and then realize they fucked up bc Google doesn't play games

**3/11/2025 1:29 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

So today's marathon is likely great for me, once i get paid next month. Which will definitely help with all these vet bills, \$1k so far and likely more to put downy rabbit. Nothing cheap or free here in the great USA

**3/11/2025 1:31 AM**

PPP (PoweroftheTruth)

fuck that much?!?!

**3/11/2025 4:08 AM**

PPP (PoweroftheTruth)

I saw kick was pushing you to the front page again

**3/11/2025 4:09 AM**

PPP (PoweroftheTruth)

that's really cool

**3/11/2025 8:21 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Our rabbit passed away overnight. He was in so much suffering and pain so it's better this way

**3/11/2025 4:18 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

So FYI trolls went crazy hard on my stream today, bombarding me with messages saying that you called me a lazy POS on the Casino last night, you called my wife fat and more. I ignored it but fyi that's apparently their narrative now

**3/11/2025 4:28 PM**

PPP (PoweroftheTruth)

Listen fuck them and Im sorry I was doing that routine man. I honestly think you should take a few days to recuperate maybe have some stiff drinks and watch some shows with your wife. Everyone can see you're having a very tough time right now. I feel very badly to be effecting you in any way at this point and I am going to lay off with all the smart ass stuff ok. Just try to rest up man. Things will get better.

**3/11/2025 4:48 PM**

PPP (PoweroftheTruth)

I am very worried about you Phil please take care of yourself

**3/11/2025 5:13 PM**

PPP (PoweroftheTruth)

Maybe its time to hit up Kush 21 and get some weed drinks or a joint or something 🤔

**3/11/2025 5:16 PM**

PPP (PoweroftheTruth)

Im only partly kidding

**3/12/2025 12:36 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Hey Ashton let's be real, and i accept your answer no matter what it is and promise I won't be angry. You knew what we've been going through here all week, plus the stuff with my mom behind the scenes of all of that. I even told you I had issue with your making fun of Kat and you did it anyway, publicly on your show. Why did you do that? I'm trying to understand bc I have both friend and foe alike telling me to completely sever ties with you bc you are not my friend but just using me. I actually think you are my friend but lack any kind of self control when you get too worked up, like with Smark Guys last week. It would be tough for me to think you actually are snaking me with all you've done for me, but I've watched what you said. So I'm completely confused.

**3/12/2025 1:06 AM**

PPP (PoweroftheTruth)

If it makes sense if I find something funny to say I'm going to say it. I find what is taboo or boundary pushing to be very funny in a shock way and the way I'm wired if I'm told not to do something I have a voice telling me I should do it it'll be funny. I don't really intend for 90% of what I say to be taken seriously and I don't think it really hurts your business or anything tangible. I do feel bad your going through such a hard time I just like to push buttons and see what I can get away with and I can very easily go too far but if I worry too much about what I can or can't say I can lose my flow when live and when your going so fast it becomes very instinctual and crazy the things you say to get a reaction and the audience eggs it on and wants more. Those reasons aside I went too far this week and wasn't treating you like a person and more like content for a show and it wasn't fair because you are hurting and it was nasty of me. I'm very sorry for that phil.

**3/12/2025 1:13 AM**

PPP (PoweroftheTruth)

I also want to make clear if you do want to cut ties I completely understand and think you will do well no matter what

**3/12/2025 9:35 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

That's pretty much what I thought you were going to say. And I have thick skin and get it. The pickle I'm in is that people are now 100% thinking you're using me, and I'm just some ignorant idiot too dumb to see it. First the Steve interview, now Grill Phil going so far and what you just said about me on your show. Both my fans and detractors will keep asking me why I continue to work with someone who is seemingly abusive to me. And I'm not really sure how to answer. They obviously don't know, nor should they, that we've been very friendly behind the scenes, planned the Steve thing etc. So to them it totally looks like you are snaking me for content and I'm just a dumb ass. I really like doing Smark Guys with you outside of Grill Phil going too far last time, and I honestly think you're a good guy who just has major

issues setting boundaries or limits when he gets worked up. As you've said, this kind of shit talking isn't going to hurt me or my image. But it's sure as hell becoming confusing for the public watching. After your show Monday, none of your fans who have watched and contributed to my streams showed up Tuesday and I wondered why, and then my trolls began bombarding me with clips of what you'd said. So yeah, this is all pretty confusing

**3/12/2025 1:30 PM**

PPP (PoweroftheTruth)

I happen to like that theres different ways to interpret whats going on and that its not very straightforward. I think it gets people invested and leads to excitement when theres curve balls and ebbs and flows to the story or things that don't make sense. I think you have your own way of doing things and I have my way of doing things. I'm not sure if it works together all the time but I feel there are certain benefits to both sides of it. Im fine doing whatever tbh trying to deal with and figure out the vortex stuff and how to best capitalize on it takes alot of energy and is mentally taxing.

**3/12/2025 1:50 PM**

PPP (PoweroftheTruth)

Honestly I see that your crashing out today man good luck with that.

**3/12/2025 1:59 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

Lol if crashing out means I want my wife to be treated with respect then so be it I guess?

**3/12/2025 2:02 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

There's just no way I can justify or defend your insulting Kat for no reason, even if it gets a rise from your audience. I would hope you could understand that considering everything. If not then I guess there's not much else to be said. I can't keep working with you if you insult my wife. I don't actually care about me, but that's the line that shouldn't be crossed. You've even apologized to me for it, so either you know it's wrong or you've been disingenuous about it

**3/12/2025 2:14 PM**

PPP (PoweroftheTruth)

Its just the entirety of what your stream is today man

**3/12/2025 2:14 PM**

PPP (PoweroftheTruth)

its wild

**3/12/2025 2:16 PM**

PPP (PoweroftheTruth)

I advised taking some time man you're just kinda seething and lashing out in all directions today

**3/12/2025 2:17 PM**

PPP (PoweroftheTruth)

You will just never understand that you don't actually have to respond to everything and seethe

**3/12/2025 6:44 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

I have no idea what this is supposed to mean, but it's a simple reply: will you stop bringing up my wife for drama in your content? If so, I'm good and we can do Smark Guys and keep moving forward. If not, then we're done. If you were married, I would not be bringing up your wife in a negative way, especially because she's not a part of your content. So let me know, so we can figure out how to proceed moving forward. Thanks. No need to respond to this now BTW, overnight or early tomorrow is fine.

**3/12/2025 6:45 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

It is a fact! I'm not sure why there's so much hostility surrounding observing reality. Maybe its because he lives in a walled off fantasy land of his own creation where black is white up is down and ITS MATURE POSITIVE CONTENT DUDE!

**3/12/2025 6:45 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

thats what i meant to quote but screwed it up lol

**3/13/2025 12:21 AM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

So you could have spun this that you owed me a favor, which you do, and used that to get out of it with your audience, and i actually thought thats what you were going go do. People in my kick chat say you insulted Kat again. I really hope it's not true and I'm going to sleep now, I feel absolutely like shit after this week of awful stuff. I'm sure I'll be bombarded with clips in the morning if it's true, so I really hope it's not. I have thought of you as a friend but it's also all good if you're just going to move on.

**3/13/2025 12:03 PM**

PPP (PoweroftheTruth)

I owe you nothing you fucking faggot and it'll be a cold day in hell before Im scared of you. Why don't you bring me on tonight and see how it goes! You really wanted to flex nuts with me huh? Phil Im so sick of your shit.

**3/13/2025 12:10 PM**

PPP (PoweroftheTruth)

You threw everything I did in my face yesterday with this third path lazy bullshit. You have no gratitude for anything you take and take and give nothing back.

**3/13/2025 12:27 PM**

PPP (PoweroftheTruth)

This whole big dog routine and you thinking your going to break me and run the yard... I will fucking show you who's yard it is. You escalated it and want a scorched earth drama campaign and I can give you that in spades.

**3/13/2025 1:23 PM**

The King is Feeling LUCKY!! (TheyCallMeDSP)

There is no drama. If you "scorch the earth", you're only doing it to make yourself feel better, and youre just talking to yourself bc I have nothing to say in response. As you've said before, it's all the same shit over and over and it's done to death daily by my detractors. I really have nothing else to say about it, on my end this is done and it was 100% your doing, not mine. All you had to do was be reasonable and have some respect, but you couldn't do that, and I really think it's sad. Smark Guys was great, what we did together was great, but you just can't control yourself.

**3/13/2025 1:29 PM**

PPP (PoweroftheTruth)

Get a fucking grip phil! This isn't about your wife or my comments this is about you being a stubborn lazy stuck in your ways faggot who doesn't like getting confronted about your bullshit so you cry victim and throw pity parties to get out of being held accountable or even making the slightest effort to get out of your comfort zone and do anything else. You are using this shit to try and have an out. You can pretend you're above everyone and everything but you're not phil.

**3/13/2025 1:30 PM**

PPP (PoweroftheTruth)

You have no respect because you flush opportunity after opportunity down the toilet and expect another one to be handed to you

**3/13/2025 1:30 PM**

PPP (PoweroftheTruth)

you show me and my efforts zero respect so why should I extend any respect to you

**3/13/2025 1:34 PM**

PPP (PoweroftheTruth)

You know my tweets are right btw and thats why you won't respond to them because you're a coward as you have been your entire life. You can hide in your hugbox but one day there won't be any one who gives a shit left because you are a boring fucking hack.

**3/15/2025 12:49 AM**

PPP (PoweroftheTruth)

Here's what I will say to you in the end. I don't want to have to do what I'm doing right now. It doesn't feel good to dump all this on you. But you needlessly escalated this situation and have been incredibly petty and disrespectful about the generosity and effort I put into this friendship. I genuinely just want you to apologize for wasting my efforts and let everyone know that its the case. If you do that I will drop this entire thing and move on Phil. I really think you should consider my side of this and the areas where you came up short. I imagine you won't do that but its worth a try.

**3/16/2025 10:21 PM**

PPP (PoweroftheTruth)

listen... theres still an opportunity to end things in an amicable fashion. Don't allow pride to stop you from making the decision thats best for you.
